Among students returning to Pikeville College Academy from Christmas vacation are Gether Igle, of Osborn, and Francis Niles, of Prestonsburg. These young men took part recently in the play "Robin Hood," produced by the drama class at one session of the college layman course. They played with credit to themselves, the parts of David of Doncaster, and Sir Hugh of the Lea. On Jan. 20 they will enroll for second semester courses.

Ervin Canella, at Wayland. Since vacation with his mother, Mrs. Kathryn Canella, at Wayland. Since entering Pikeville College as a freshman, Jack has been well-known on the basketball floor. He is a first team man again this year, and in addition is coaching the Junior High Basketball team. He enrolls Jan. 20 for the last semester of his senior year, and will be among those in the graduating class of June 2.

### BONANZA

(Last week's correspondence)

**JOINT HOSTESSES**  
Misses Venus and Nora Lee Mann were joint hostesses on Wednesday evening, Dec. 31, to a "watch" party at their home here. Besides being the last party of the year, it was also the most enjoyable, event of the season. After a delightful evening was spent, refreshments were served by the hostesses, in a most pleasing manner. Invited guests were:

Misses Grady Conway and Willie Grady, teachers at Bonanza high school; Thelma and Dicie Haldrup; Marie, Mattie, Flossie, and Josephine Spradlin; and Martha Canella; Messrs. Albert and Jimmie Spradlin, Bill Warren and George Frazier, Cliff Haldrup, and Woodie Frazier.

### SUNDAY SCHOOL

Bonanza Sunday school has started again with a new interest. Special credit is due Rev. Beark of Prestonsburg for his splendid cooperation in helping to reorganize the Sunday school.

### THE SCHOOL

Students of Bonanza high school are to be in school after Christmas vacation, and even more interest is being manifested in the school.

### CHURCH

Rev. Beark, of Prestonsburg, conducted church here Saturday night and Sunday. The former school building is being used for church purposes until the church house is erected.

### WEBB CHILD DIES

Margie, small daughter of Mr. and Mrs. Durrill Webb, of near Bonanza, was a victim of spinal meningitis and double pneumonia on Saturday night, Dec. 27. The little victim was 13 years of age. She was a student of Copperstick school near here, where she was a favorite among her classmates. She is survived by her parents and several brothers and sisters.

### HUEYSVILLE

Tray Reed, former theater manager of this place, is the new mail deliveryman here, succeeding E. P. (Child) Allen, who resigned to go into the grocer's business. Reed won the job among several other applicants on a bid of \$208 per year.

The New Domain Oil & Gas Company, of Lexington, which was one of the most active companies in this section during the past year, seem to have joined the dead list with the coming of the new year. No new locations have been made since the firm's last well was drilled in on the Horton base, Rock Park, some weeks ago. The well was very light, gassing only 200,000 cubic feet after being heavily "shot."

A rough survey of Hueysville's population shows that 95 to 100 citizens are employed, while 26 are without work of any sort. Twenty-nine of the employed are miners, and two are dependent upon gas companies for their pay checks. Strange as it may seem, eight of the others are merchants.

A party was given at the home of Miss Beesie Wright, this place, last Saturday night. A large crowd attended, and everyone reports a good time. Music was furnished by West Garrett boys, including Rock Patton, Perry Rice and Raymond Laferty.

Mr. and Mrs. Elmer Bell, of Prestonsburg, were visiting Mr. and Mrs. Beasly, Mr. and Mrs. George Beck here Sunday and Monday.

### A PLEA FOR HELP

Our chapter is in need of funds to carry on relief work now being in Floyd county. We have given temporary relief to 25 families this week. There are hundreds more families who need relief. If we had the funds to do this work. All these unemployed and drought-stricken people who have to beg to live on and who are unable to secure work are worthy of your sympathy.

There must be some people who are able and will surely see to it that we get the necessary funds to carry on this worthy cause. There are more than 45,000 people in Floyd county. We are asking that population to give to the Red Cross so that we can take care of our unfortunate ones who are our neighbors.

Can we love our neighbor as ourselves and not contribute to our hungry neighbor and children? Two women walked fourteen miles a few days ago to Prestonsburg to try to get something to eat for their starving children. Another woman had her two daughters, aged about fourteen and sixteen years, walked about the same distance from Beaver Creek to town to try to get something to eat and clothes to wear. This old lady is very sick and her husband has not worked for several years on account of paralysis. The poor old lady said they did not have bedsheets or keep them warm at night, and they had to sleep by turns by the fire, while two sleep at a time, as they only had one bed for four of them. They would sleep on pallets on the floor in summer, but it is too cold now.

We must heed the cry of the hungry and the shivering white of the freezing. How you would like to give if you are able. Give your old clothes, your hats, your buttoned dresses, old clothes, sheets, quilts, blankets and anything you have. Now if every man, woman, boy and girl who has a steady job will give us one day's work or the price of one day's work each month for six months, we can take care of all the poor people with food. I am sure. Every bank employee, every store clerk, every team driver, every doctor, every teacher, every day laborer, every farmer who is able to do so, every business house in Floyd county, please give us one day's work or the price of one day's work each month for six months. If you are unable to do so, please give us one day's work or the price of one day's work each month for six months. If you are unable to do so, please give us one day's work or the price of one day's work each month for six months.

**RESOLUTIONS**  
Resolutions, adopted by Miriam Rebecca Lodge No. 31, on the death of Brother D. O. Harmon:  
Whereas, it has pleased our Heavenly Father to call from his earthly life, our dear brother, D. O. Harmon, therefore, be it resolved, that we bow to the will of Him who doeth all things well, and while we shall miss him, his memory will live in our hearts. His mode of being was high, he was kind to all, he was honest and always spoke the truth; in fact, he was a true Christian gentleman. Our deepest sympathies goes out to his family, that in their hour of sorrow may they realize that God has promised that he will be with them, to comfort them, that he has said "And to I am with you always even to the end."  
What better epitaph could be written than this? He was truly a Christian gentleman. He was honest, he was truthful and he loved his fellow man.

Resolved, that a copy of these resolutions be inserted in our minutes, a copy sent to his family, and published in the Floyd County Times.

PROVIDING FOR EDUCATION

At once the most revolutionary and by far the most progressive step to be taken in the field of education during this generation is that proposed by Robert M. Hutchins, president of Chicago University...

This is the tearing down of the old fetish, the credit system, the ancient and cut-and-dried method of ascertaining who is, or who is not, a college graduate...

In other words, the student himself will determine when he shall leave Chicago University with a degree. If he is apt and industrious, he may leave in two years with a degree; inclined otherwise, he may find himself spending five, six or even more years there.

Thus is meaning given the title, "college graduate," or the affixes, "A. B.," "M. A.," and their kind.

The system now prevalent in institutions of learning is an insurmountable handicap to education. Only the student of unusual intellect and zeal to learn under the credit system grasps enough of education to merit a college degree.

Rheumatism So Bad He Walked the Floor in Agony KARNAK has done me such a wonderful amount of good that I believe every rheumatic sufferer should give it a trial. No one will ever know the tortures I have gone through with rheumatism during the past three years. I called all over. At night the pains were so great that I walked the floor, and I got out in the middle of the night to go to the doctor for a hypodermic. I tried every thing in an effort to get relief. Even serum treatments failed to help me. My relief finally came when a friend advised me to try Karnak. To my surprise this medicine went right to the roots of my trouble, and brought complete relief. Every ache and pain has disappeared, and I am now in condition to resume active duties once more, thanks to Karnak. FOR SALE BY H. E. HUGHES & CO. Prestonsburg, Ky.
