74-YEAR-OLD MAN INSTANTLY KILLED BY AUTO MAY 23

H. R. Gunnell, Well-Known Farmer, Victim of Fike Auto
DRIVER UNDER BOND

H. R. (Red) Gunnell, 74 years old, well-known Floyd county farmer, was instantly killed at 7 o'clock Wednesday evening last week on the Mayo Trail, near his home approximately six miles above here, when struck by an automobile driven by Milton Tackett, of Pikeville.

The aged man's neck was broken, his head crushed and both legs broken. He and his 11-year-old grandson, James Oliver Gunnell, were walking up the right side of the highway, a short distance above Smith's Service Station, after finishing milking near the Gunnell home. The boy crossed to the other side of the trail and his grandfather started to cross after him when the auto neared. The car, it is said, was driven toward the left side of the road, then was cut back toward the right as the driver sought to pass Mr. Gunnell. The aged man turned at that instant back to the right side of the road and was struck. The auto, in which James Frank of Fike county, was the driver, was the cause of the tragedy. Neither occupant of the auto was hurt. The car, a new Chevrolet, was considerably damaged.

Tackett, a cousin of former County Attorney Joe P. Tackett, of Prentissburg, was placed under \$2,000 bond upon his return here shortly after the tragedy took place.

The victim was one of the county's best men. He had been a member of the Baptist Church for years and had many relatives and friends in this section.

Surviving Mr. Gunnell are his widow, Mrs. Les Layne Gunnell, three sons, and one daughter: James John and Jake Gunnell and Mrs. L. C. Leslie, all of Emma. One brother, A. J. Gunnell, of Banner, survives. Funeral rites were conducted Friday at graveside in the Mayo cemetery on Marc Creek, the Rev. Isaac Stratton, of Banner, officiating. Burial was made under the direction of E. P. Arnold.

KIWANIS INTER-CLUB MEET IN PIKEVILLE

Kiwanis clubs of Prentissburg, Hatfield, and Pikeville met at the last-named place, Thursday evening last week, in an inter-club meeting. During the afternoon preceding the meeting, Kiwanians were guests of the Pike County Club.

Plans for completion of U. S. route 28 were discussed. Completion of this highway, of which the Mayo Trail is a part, will supply the shortest route from Detroit to Miami, and will bring thousands of tourists annually into this section. Those from Prentissburg who attended the meeting were Moody Meyers, C. D. Milby, W. M. Dingus, County Attorney Forrest D. Short, Dr. M. T. Leste, Dr. K. J. Whaley, Virgil Proctor and County Agent S. L. Ibell.

Mr. and Mrs. H. C. Francis returned Tuesday from Grayson, Ky., where they attended the graduation of their sons, Robert Day and Fred, from Kentucky Military Academy in Louisville, where they visited. Their daughter, Mrs. H. H. McGee, who is recovering in a hospital there from an operation.

HALE IN HOSPITAL AFTER MOTORCYCLE WRECK NEAR HERE

Claude Hale was seriously hurt, suffering a possible brain concussion, and Holley Howard was cut and bruised Sunday afternoon when the motorcycle driven by Hale crashed into a car on the Mayo Trail near the Log Cabin Inn, a few miles below here, and was wrecked. Both were riding the motorcycle when the wreck occurred.

The injured youths were taken to a Paintsville hospital, where Hale recovered consciousness Monday morning. He is expected to recover. Howard was able to return to his home here Monday. The motorcycle was wrecked, losing a bumper from the car with which it crashed and threw both passengers high into the air after jamming into a culvert at high speed, it was said.

WAYLAND MAN VICTIM OF CEREBRAL HEMORRHAGE

J. P. Williams, 58-year-old miner, died at Wayland Wednesday morning, last week, at 11 o'clock following a cerebral hemorrhage. Mr. Williams had been at Wayland for the past four years and had many friends there. His body was prepared for burial by G. D. Ryan and shipped to Spears Ferry, Va., for burial. Mr. Williams was a member of First Rock Masonic lodge, First Rock, Va.

A picnic-dinner was enjoyed by members of A. C. Harlowe's Sunday School class at the Baptist Church Friday afternoon at the home of Mr. and Mrs. Harlowe. Croquet and other diversions, as well as a tempting repast, were gratefully shared in by all those present.

Those attending were: Dr. and Mrs. Marvin Ransdell, Mr. and Mrs. H. C. Francis, Mr. and Mrs. Bradley Ward, Mrs. and Mrs. R. E. Hill, Jr., Mr. and Mrs. A. D. Corsett, Mr. and Mrs. Robert Milby, Dan Hefner, Mr. and Mrs. J. B. Clarke, Mesdames Ollie Davis, Emma Gobney, A. J. Archer, Ociea Bond, C. W. May, Belle Gardner, W. H. Craft, Elizabeth Goble, Bill Hubbard, S. R. Howard, Grace Ford, John Hale, C. B. Keith, John Archer, Eddie Smith, J. H. Hatcher, Alex H. Spradlin, H. H. Holcomb, Ira Carter, Mr. and Mrs. Harlowe, Misses Inez Doss, Virginia Combs, Anna Martin, Anna Harris, Ivola Hale, Emma Jean Endicott, and Miss Goddard.

28 CHILDREN EXAMINED AT CLINIC HERE MONDAY

Twenty-eight children were examined at the clinic held Monday in the health department's office here for pre-school children by Dr. Marvin Ransdell and Miss Elida Lanham, of the health department. Mothers were advised as to care and feeding of infants.

A second clinic will be held here Monday of next week from 1 to 5 o'clock.

Dr. Josef Nordenhang spent a few days in Louisville last week.

THORNSBURY DIES AT MARTIN MAY 23

Pitts Fork Man Succumbs to Bullets Fired in Fight With Nephews

Newton Thornsbury, of Pitts Fork of Middle Creek, died in the Beaver Valley hospital, Wednesday last week, after lying with a bullet wound in his head and another through his body since the afternoon of May 20.

His nephews Jeff and Steve Justice were released last week having been in jail here since the night following the shooting. The brothers said Thornsbury was shot as the result of a fight following a poker game, during which Thornsbury struck Steve on his head with a piece of iron. They did not say which fired the shots into their uncle's body.

Body of the victim was returned to Pitts Fork for burial, which was made under the direction of G. D. Ryan. The slain man was about 28 years old.

VETERAN OF GRAY SUCCUMBS MAY 23

Sampson Johnson, one of the oldest and wealthiest men in this section, died at his home Wednesday last week, as the result of a protracted illness from complications. He was 82 years old.

Mr. Johnson was a member of a pioneer Eastern Kentucky family and had many relatives and friends in this section. He was one of the wealthiest farmers of his county. He was a veteran of the Confederate army, one of the few survivors of the Gray in this part of Kentucky. He had been a member of the many years.

Regular Baptist Church for surviving him are his widow, Mrs. Martha Moles Johnson, three sons and a daughter: Stonewall, David and Bob Johnson, and two married daughters whose names are unavailable. All reside in the vicinity of East Point. Funeral services were conducted Friday by Rev. E. W. Craft, of Water Gap, and burial was made in the family cemetery at Hager Hill.

ARNOLD HALL SUCCUMBS AT MARTIN WEDNESDAY

Illness of a year from tuberculosis caused the death, Wednesday last week, of Arnold Hall, 23 years old, of Martin. He died at the home of his brother, Raymond Hall, at Martin.

The victim was a young man of excellent character and a member of one of the county's oldest and largest families. His body was prepared for burial by G. D. Ryan and taken to McDowell for interment.

Johnsons Figure In 2nd Shooting On Left Beaver

What is believed to be assuming the proportions of a family feud between the Johnsons on Left Beaver took shape Monday evening with the shooting of Hays Johnson, 36 years old, Melvin merchant, in the roadway in front of the home of Willard Johnson, whose son, Walter Johnson, Hays shot and fatally wounded about 10 days ago.

Hays Johnson was wounded in his arm by the charge of a shotgun. He was shot within

MURDER WARRANT ISSUED FOR CRAFT

Estill Merchant Charged With Fatal Shooting of Frank Collins Saturday

A warrant charging John Craft, Estill merchant, with murder, was issued here Tuesday following the death of Frank Collins, 40 years old, from the effects of a revolver bullet fired into his neck Saturday afternoon by Craft.

Craft had already been arrested and brought here Sunday morning when he was booked on a charge of shooting and wounding. He executed \$1,000 bond. Collins died in the Beaver Valley hospital, Martin, later Sunday, however. Craft's bullet struck him low in the neck, ranged downward, and emerged from his back.

The shooting took place in Craft's store. According to the merchant, Collins came into the store where he engaged in an altercation with Sol Bradley, who knocked him down. Craft ordered the men outside, he said. In the meantime, he stated, Collins' 15-cent daughter had made a 15-cent purchase at the store, offering 25c in scrip as payment.

The merchant said he had no scrip change, and soon thereafter Collins and the child returned to the store, the fact of starting an argument over the change. The child advanced on him with a knife, the merchant said, he fired.

The other version of the affair, as told by The Times, says that Craft was drunk and that Collins was being taken from the store by his wife and a man when Craft leaped across a counter and fired. This statement claims that Collins was unarmed.

The victim was a son of Mart Collins. He is survived by his widow and five children. Funeral rites were conducted Tuesday afternoon and were held under the direction of G. D. Ryan in the Collins cemetery, three miles above Wayland. Ministers officiating at the funeral were Revs. M. C. W. Miller and J. H. Howland, of the Regular Baptist Church.

PRENTISSBURG GIRL SUCCUMBS MAY 22ND

Pearl Perry, 21 years old, daughter of Dave Perry, of this place, died Tuesday, May 22, in the King's Daughters hospital, Ashland, after a few days' illness with blood poisoning.

The body was brought here and was prepared for burial by E. P. Arnold. Funeral services were conducted Wednesday afternoon from the Free Will Baptist Church here by Revs. G. R. Fannin and E. W. Craft. Interment was made in West Prentissburg cemetery. The child is survived by her parents, several brothers and sisters and many friends and relatives.

GRADUATE AT K. M. I.

Three Prentissburg boys were graduated this week from Kentucky Military Institute, Lyndon, Ky. They are Fred and Robert Day Francis and Walter Scott Harkins, III. The latter and Day Francis were awarded a letter in football and Robert Day won his letter in basketball. Walter Scott also won the oratorical contest conducted by K. M. I. A class of 60 was graduated from K. M. I. this year.

PRISONER RELEASED

Wayland, Ky., May 29 (Spl.)—A dog was lost here a few days ago, and yet it was in very safe place.

Charlie Layne, son of Chief of Police Ben Layne, lost his shepherd dog. For three days he made diligent search, but in vain. Then, when all—that is, the dog—was given up as lost, the boy's father made an arrest. And when he opened the jail door to lodge the prisoner, the dog emerged from durancé vile. The shepherd had been incarcerated when it followed Policeman Layne into the jail several days earlier, and had kept strangely silent during the three-day search for him, though his condition indicated that prison fare either did not agree with him, or that prison food was nil.

SOL DEROSSETT DIES MONDAY AT AGE OF 68 AFTER LONG ILLNESS

Sol Derossett, 68 years old, died at his home on Spurlock fork of Middle Creek Monday morning after a long illness. Mr. Derossett was a well-known farmer, and had many friends in this section. He was a member of the Regular Baptist Church.

The body was brought to the home of Mrs. Jane Nelson, Town Branch, a daughter of the deceased and from there was taken to the church at the forks of Bull Creek, where last rites were conducted Tuesday by Revs. B. W. Craft, Alex Stephens, A. L. Allen and Alex Hyden. Burial was made on Bull Creek under the direction of E. P. Arnold.

Surviving Mr. Derossett are six daughters and two sons: Mrs. Besie Baisden, Mrs. Callie Skeans, of Sparlock; Mrs. Jane Nelson, Prentissburg; Miss Nancy Derossett, Dock; Mrs. Frances Sawyer, Drift; Miss Anna Derossett, Nauvauk, W. Va.; J. B. Derossett, Greenup county, and Late Derossett of Nauvauk, W. Va. To Derossett, of Little Point, and Jeff Derossett, of Bull Creek, are brothers of the deceased.

NEW LAW FIRM

A new law firm was formed this week, Edward L. Allen and Joe P. Tackett being members of the partnership. They have offices in the Lynde building on Court street. Mr. Allen formerly was assistant Attorney General of Kentucky, and Mr. Tackett was formerly County Attorney of this county.

MARTIN WATERWORKS JOB TO START SOON

Work on the Martin waterworks project expected to start soon, it was said this week. A Public Works Administration loan was made some time ago for this work. Another project which provided for saving of a street in Martin from the railroad crossing near the depot to the highway has been discarded, in all probability, because of disagreement between town officials and the county judge, it was said.

HEART ATTACK FATAL TO MRS. BLANKENSHIP

Mrs. Tom Blankenship was found dead in the porch of her home at Wayland Wednesday night, May 23, a victim of a heart attack. Though she had complained of being ill earlier in the evening, her death was unexpected and came as a shock to her many friends.

Mrs. Blankenship had reared a large family and was one of the county's best women. She was buried Friday in the cemetery at the mouth of Caney Creek where two of her sons were buried.

BADE IS VICTIM

An illness of several days caused the death Saturday night in West Prentissburg of the 16-day-old son of Mrs. Loraine McGuire. Funeral rites were held Sunday afternoon, with burial being made in the May cemetery.

TRIPLET JAILED HERE MONDAY IN KILLING OF SCOTT

Is Returned Here From Georgia, Hughes Held in Missouri

FUGITIVE LIST THIN

Cash Triplett, a fugitive from justice since April 2, 1933, when he is alleged to have taken part in the slaying at Lackey, this county, of Constable Bev. Scott, was returned to this county and lodged in jail Monday afternoon by Sheriff M. T. Stumbo.

Triplett was brought here from Cartersville, Ga., where he was held for Floyd county authorities. Sheriff Stumbo and Auburn Dickerson left here Saturday morning to return Triplett here. On the following day, Deputy Sheriff R. R. Allen left for Neesho, Mo., to bring back to this county Billy Hughes, who is charged with the murder of Ashland Ousley at Haysville several weeks ago. Hughes' return is expected to be made this week.

Mont Conley, one of four men charged in the shooting of Scott, was given a 21-year pen term. Charges against Harry Chaffins and Lawrence Triplett were dismissed. Cash Triplett Tuesday was seeking his bond and is probably to be given trial at the September term of the Floyd circuit court.

A few weeks ago, Sheriff Stumbo and Deputy Sheriff Allen made a futile trip to Selma, Ala., to return Triplett here. Before they arrived in Selma, Triplett slugged the sheriff and escaped from jail. From there he went to Cartersville, Ga., where his sister resides, and he was nabbed there by authorities last week while he was working in a lumber mill. Inquiry made by Selma, Ala., woman after Triplett's whereabouts is said to have led to his arrest.

First actual knowledge of Hughes' whereabouts following persistent search for him in this county, was learned Saturday when a telegram from Neesho, Mo., to Commonwealth's Attorney, O. C. Hall, asked if Hughes was wanted for murder, adding that his arrest could be made at once. His capture was requested immediately.

Arrest of Hughes and Triplett narrows the list of alleged slayers a large from this county to one, it was said this week. Sheriff Stumbo and deputies have been very successful in arresting those remaining in this county, and have established a fine record in contacting officials in other states in effecting the arrests of fugitives leaving Kentucky in their flight from justice.

A WIFE'S APPEAL

The following is a copy verbatim of a letter received at the War Department office in Washington from a Kentucky mother.

Dear Adjutant General, Sir: My husband was induced in to the surface eighteen months ago and I ain't received no pay since he was gone. Please send my elopement... I have a 4-months-old baby and he is my only support and I kneed every day to buy food and keep us in clothes. I am a poor woman and all I have is gone. Both sides of my parents are very old and I can't expect anything from them as my mother has been in bed for thirteen months with one doctor and she won't take another. Do I get any more than I am going to get? Please send me a letter and tell me if my husband made application for a wife and child and please send me a wife's form to fill out. I have already written to the President and got me no answer and if I don't hear from you I will write Uncle Sam about you and him.

P.S.—I am told that my husband sets in the Y.M.C.A. every night with the piano playing in his uniform. I think you will find him there.

In Floyd county 350 cattle were T. B. tested during a three-day campaign recently.

STRESSES EARLY CUTTING OF HAY

The importance of cutting most hays rather early is stressed in a statement by the College of Agriculture, University of Kentucky.

Hays cut before full bloom, for instance, contain more feed value and are better liked by livestock than are hays cut at periods of later development.

Early cut hays are especially important in dairying, in that they contain more protein, and thereby help to reduce the cost of grain feeding.

Early cutting also results in larger and better subsequent hay and pasture crops. In the case of red clover to be saved for seed the yield may be twice as much when the hay is removed early as it would be when cut in full bloom or later.

Alfalfa should be cut before the new shoots are high enough to be clipped off. This will probably be the last week in May to June in this year.

Red clover should be cut before full bloom, or a few days later than alfalfa.

Timothy should be cut not later than early bloom, for the best quality of hay. The same is true of redtop.

The first bloom indicates the best time to cut orchard grass. It should be cut slightly earlier in the blooming period than either redtop or timothy. Curing in the windrow makes the best hay with of course all the protection possible from rain.

FOR-HIRE TRUCKS UNDER NRA CODE

All for-hire truck operators in Kentucky will be required to register their vehicles within the next few days with the trucking industry, in compliance with the code and in accordance with rules and regulations approved by the National Recovery Administration.

The state code authority for Kentucky has set up the machinery for registering approximately 18,000 vehicles which will be put into operation immediately upon receipt of registration forms and final instructions from the National Code Authority in Washington.

The code for the trucking industry provides that all operators for hire must register

their vehicles, pay the necessary registration fee, supply information concerning their operations and display insignia on their vehicles. Failure to do so is a violation of the code, punishable by heavy penalties.

Registration places will be at county courthouses of the posted and newspapers will be informed when registration is to begin. Registration forms and such other information as is needed will be available.

Word was received at the state headquarters this week to the effect that Gen. Hugh S. Johnson, National Recovery Administrator, had approved the fee of \$3.90 per vehicle, which amount will be assessed against all operators for hire at the time of registration. This sum is to be used in the administration of the code, including registration, compiling and tabulating results, filing of rates, conduct-

ing hearings on rates and otherwise bringing about full compliance with the provisions of the code.

Members of the industry have 45 days from the effective date of the code in which to file their minima for rates and tariffs. It was explained by H. C. Ketting, office manager of the state code authority, that when they are urged, however, to file their minima, if possible, at time of registration.

Pure Oil Dealers Visit Cabin Creek

The Pure Oil Company's service station managers and a number of their dealers from this territory were among the two hundred representatives of the company from southern Ohio, Kentucky and West Virginia, who were the guests on Tuesday of J. R. Palmer, superintendent of the company's Cabin Creek refinery, located near Charleston, W. Va.

This special trip officials state, was in line with Pure Oil's policy to keep those who sell their products to the public well informed on all petroleum operations which include every phase of production at the well to marketing at the service station.

Cabin Creek refinery situated in the hills in the most picturesque part of West Virginia, is Pure Oil's oldest refinery, having been erected 17 years ago. The Cabin Creek field is in a way the real birthplace of this company, as the refinery was erected here to take care of the discovery of one of the best petroleum crudes in the country. This crude, known to all oilmen as "Cabin Creek" is peculiar in that it is the only crude of its type found in commercial quantities anywhere in the world. Because of its superior quality, Pure Oil here refines its best grade motor oil, sold under the brand name of Toluene. An exceptional freedom from asphalt in the crude makes the use of sulphuric acid unnecessary, thus maintaining the strong, cohesive qualities of natural petroleum in lubricating oils.

Although Cabin Creek is the oldest refinery erected by The Pure Oil Company, it has been modernized from time to time. Beginning the first of April, officials said, the refinery was put on a two-thirds capacity basis which it is hoped will increase to full capacity soon.

For manufacturing a high antiknock gasoline by the vapor phase process, gyro units were installed at Cabin Creek in 1927.

For the two hundred employees of the refinery, the company has erected a clubhouse at Dawes, six miles from

Cabin Creek. For the single men there is another clubhouse at the company-built village of Cabin Creek.

From the wells the crude is brought into the refinery by gathering pipe lines the oil running by gravity down the mountain sides. After it has been refined, it is shipped two miles to the river and loaded onto barges or shipped direct from the refinery by tank car. J. R. Palmer, superintendent of Cabin Creek, is a Pure Oil old-timer, having been with the company for 26 years. He and J. C. McGaw, another veteran, both started at Pure Oil's Marcus Hook refinery.

NEW TERRAPLANE MODEL—LADSON MODEL

The Hudson Motor Car Company announces a new Terraplane Six series which will be delivered at prices from \$46 to \$60 less than the current Terraplane models. The new car is identical in size and power with the present Terraplane Special Series and is known as the Challenger. The new models are now on display at the Beaver Valley Garage, at Martin, Terraplane and Hudson dealers for Floyd county.

Although this is the first public display of these new cars Roy D. Chapin, president of the Hudson Motor Car Company, reports that as a result of a private preview of this car to distributors at the factory, orders have started to pour in at a rate that this car has filled a real need in the automobile price structure. The new Terraplane Challenger Series is offered in four body types with a two-passen-

ger coupe at \$565; coach, \$575; sedan, \$635 and four-passenger coupe, \$610, all prices at the factory.

Powered by an 80 horse-power engine, this new model will actually outperform the record-breaking Terraplane of last year. The characteristics of the car itself inspired the name of Challenger because of its surpassing qualities of power, size, streamline style and ruggedness.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rain! to Go

If you feel sore and weak and the world looks like a jumble of bits and pieces, and your eyes are watery, and your head aches, and your stomach is bloated and full of gas, and you feel like a piece of lead, and you are generally unwell, it is because your liver is not working properly.

It takes three days for the food you eat to get to your liver. It should pass out two days after you eat it. If it stays in your liver, it makes you feel like a piece of lead, and you are generally unwell.

ACTIVITIES OF SENIORS IN BERA FROM FLOYD OUTLINED IN SKETCHES

Berea, Ky., May 21 (Sp.)—In the senior class of Berea College this year there are a number of Floyd county boys. Chaimier Frazier, son of Mr. and Mrs. Melvin Frazier of Cracker, is one of this number. Mr. Frazier attended Martin consolidated school for the first two years of his high school course and then he entered Berea Academy for the remaining two years, graduating in June, 1930. He then entered the college department where he has remained four years and from which he will receive his B.A. degree in June.

During his four year course in college Mr. Frazier has been very active on the campus. He was on the varsity basketball team during his sophomore year and junior year, but did not go out in his senior year because of the extra hard schedule required for majors in his field. He also has been on the track team every year, making his letter in this sport.

Mr. Frazier has not only been interested in athletics, but he is a member of Alpha Zeta literary society and has taken a great interest in public speaking and debate. He also is a member of a number of clubs and organizations on the campus among which are the Phiology Club, French Club, Harmonia Music Society, chess club and the Education Club.

Mr. Frazier has shown himself competent in every field

An important message to every man and woman who is thinking about buying an automatic refrigerator

Take the time to find the RIGHT one

THERE'S a lot of real pleasure in owning a good automatic refrigerator... enough pleasure to make it well worth your while to find the best.

We believe that the finest of all automatic refrigerators is the New Air-Cooled Electrolux. And we believe we can prove that statement to your satisfaction.

Simplest freezing method
Electrolux employs a different principle of operation than any other refrigerator. A tiny gas bubble circulates a simple refrigerant. Ordinary air cools it.

Simple, isn't it? And this very simplicity is the thing that gives Electrolux its definite superiority. It costs less to run... a saving that goes on day after day—year after year!

No moving parts
Electrolux has no moving parts to wear and need costly repairs. And because it has no moving parts, it is permanently silent.

Those are the big advantages. Here are a few smaller, but very pleasant, ones: Interior lighting. Rubber ice-cube grid. Trigger tray release. Temperature regulator. Non-stop defrosting. Vegetable

freshener. Gleaming white Newton finish. And others.

But a list of cold facts cannot possibly express the beauty and convenience of the New Air-Cooled Electrolux.

Please come in and see it. We will be glad to demonstrate Electrolux at any time, with no obligation at all on your part.

We want you to see for yourself what a fine refrigerator the new Air-Cooled Electrolux is... how far in advance of the others.
