RAIN INFLITERATES ASSASSIN'S TRAIL

Bloodhounds Here Following Futile Effort To Track Down Pike Slayer

Mullikin's bloodhounds were taken through Prestonsburg Tuesday morning, returning to Lexington from Elkhorn City where they had been called to attempt to track down the slayer of Palmer Ratliff, 19-year-old miner, who was shot from ambush Monday morning while on his way to work in the mines of the Berrymann Coal Company.

A. J. Caywood, who was in charge of the dogs, told The Times that rain during Monday obliterated the scent of Ratliff's slayer. A spot on the hillside where the ground was trodden hard by the unknown assassin's feet and where twigs had been broken to clear his vision of his intended victim was found, but the trail could not be followed, he said.

A fusillade of shots was fired from the mountainside at Ratliff and several co-workers were en route to the mines. Minor trouble was reported at the mines a few days ago.

Attorney J. C. Burnett, of Hindman, was a business visitor here Thursday.

Mrs. B. F. Combs left Tuesday for Cincinnati, where she will visit with her son, Fletcher Combs, for a few days.

Route Through Upper Prestonsburg To Be Changed, Officials Say

Re-routing of a part of the unpaved sector of the highway at the upper end of Prestonsburg and paving of this strip of road is being a federal project which may be undertaken within a short time, it was said this week following a visit of Highway Commissioner Turner, of Jackson, here a few days ago.

In letters to County Attorney Forrest D. Short and Mayor A. C. Carter last week, Director Engineer E. P. Moynaver indicated that this work will be done as a federal project, if necessary right-of-way is procured. The project will be completed at a cost of \$20,000, it is estimated. Willie Mr. Turner was here last week routing of the highway so that it will follow the street at the rear of J. N. Harris' property and turn back onto the present route at the home of Row Hiden, class town. This new spot was approved. This route would eliminate one hazardous corner-like curve, and would entail the purchase of right-of-way over only one lot, it is said.

HOME DESTROYED

Home of W. S. Akers at Harold, with all its contents, was destroyed by fire last week.

In Pike county, for which a \$31,059 work relief allotment has been made for these five weeks, there are 2,782 families on relief, 1,080 of these on direct relief. OFFICIAL ORGAN FOR FLOYD COUNTY, KENTUCKY

\$1.50 Per Year Payable In Advance

Entered as second class matter June 18, 1927, at the postoffice at Prestonsburg, Ky., under the Act of March 3, 1879

WHOSE FAULT IS THIS?

The relief, in attempting to furnish labor for the unemployed and needy, makes what occurs to The Times as a rather ludicrous mistake in taking men miles from their own communities to work rather than taking the work to within a reasonable distance of them.

In one community of this county—on Salt Lick Creek, to be exact—men have been placed at work at Garrett. Some of these men walked or rode horses or mules from near the Knott county line over a road that has been a veritable river of mud to Garrett, a distance of approximately six miles, before the job presented itself. Twelve miles of travel a day, six or eight hours of work.

They were glad to get this work, of course; but it strikes us as the height of something-or-other to have men struggle through mud six miles to reach a job when there was work readily needed just outside their own homes.

This is not to criticize the relief administration. It may be the fault of county officials who should have made a more determined effort to procure projects for such up-the-creek roads. Wherever the fault lies, it should be corrected if possible.

ACID IN KIDNEYS BRINGS OLD AGE STATES AUTHORITY

Sharp Back Pains, Nightly Rising and Swelling Of Lower Limbs Are Danger Signals.

Science Now Brings The World Indo-Vin, A New Medicine That Has Durable Action Upon Afflicted Kidneys; Costs But a Trifle.

A notable discovery has been made that is bringing happiness to men and women who are suffering many com-

mon afflictions due to deranged kidneys and similar disorders. Not a cure-all, but a new medicinal formula that works with the sufferers' food, called Indo-Vin, now being introduced to the public daily here in Prestonsburg at Hughes' Drug Store.

It was unknown in this city a few weeks ago, but today the people of Prestonsburg are using hundreds of bottles and it has become literally famous in this vicinity, in fact, it is helping people who had never been really helped before by ANY medicine.

HOW IT ACTS Indo-Vin is taken shortly after meals and mixes with the food in one's stomach, thus aiding Nature by its diuretic action upon stagnant wastes, flushing out quantities of impurities that may have become dammed up inside, causing backache, sharp pains and getting up at night. The kidneys are filters which remove impurities from your blood, but when these impurities clog the kidneys there is a dull, achy feeling across the back and stiffness in the back and lower limbs or rheumatic affliction. Cleansing out these impurities permits the kidneys to do their work properly and gives complete relief from bladder irritation and weakness, night-

rising, spots before the eyes, swelling of ankles and rheumatism.

Medical authorities agree that such ailments make us old before our time, but there is a way to obtain blessed relief, because Indo-Vin urges Nature to drive out the simple poisons that cause the terrific aches and pains, giving quick relief. Likewise, it relieves aches and misery due to rheumatism and neuritic affliction and also has a great cleansing action upon the stomach, liver and bowels, thus improving the whole system in general.

There is no mere tablet or pill, and it does not contain alcohol, or a single habit-forming drug, but it is a scientific remedy prepared from 22 medicinal ingredients—contains more ingredients than perhaps any three ordinary medicines put together, and is the talk of millions all over America. While it is being introduced in Prestonsburg every suffering person can take it at the small cost of only a few cents a day. So if afflicted kidneys or similar disorders are ruining your life, it would certainly be a mistake not to try it.

Indo-Vin is now being introduced to the public daily here in Prestonsburg at HUGHES' DRUG STORE.

STATE MAN ARRESTED IN EXTORTION PLOT

Pikeville, Ky., April 26—Charles Carpenter, 27, of Denver, Johnson county, was arrested today on a charge of extortion, in connection with a letter received by Miss Rhoda Spradlin, Denver merchant, demanding \$1,000 on threat of death.

The letter was received by Miss Spradlin last October 26. It had been postmarked at Paintsville, October 25, and

demanding delivery of the money at a certain tree on Jenny Creek, near Denver, at 8 p. m., October 30.

Miss Spradlin communicated with officers, who waited at the spot designated, but found no clues to the identity of the letter writer. The letter was turned over to the Federal Bureau of Investigation, and an agent of that department has placed the charge against Carpenter, a merchant and farmer, entered a plea of not guilty before the United States Commissioner, and was held under \$5,000 bond pending his examining trial which was set for May 21.
