THREE BROTHERS IN ARMY—ONE KILLED ONE WOUNDED, THIRD IN PHILIPPINES

George Goodman **George Goodman** **Oscar Goodman**

Of the three sons of Mrs. Jennie Goodman, of Allen, who have seen service during the present war, one has been killed and another wounded.

Pfc. George Goodman, 23, who became an army volunteer April 8, 1941, was killed in action while on duty as a scout with an Infantry rifle company of the 38th division on Luzon April 14, this year.

His brother, Dave Goodman, 27, recently received a discharge after 26 months' service, 14 months overseas and after having been wounded in the American conquest of Munda.

"Third of the brothers, Pfc. Oscar Goodman, 25, is in the Philippines after 10 months' service overseas and two years altogether in the army.

Mrs. Hubbard Learns Brother Is Killed

Mrs. L. H. Hubbard of Wheelwright received word May 6 that her brother, Pfc. Willie B. Reed, had been killed in Germany April 16. He was a member of the 85th armored division of the 9th army which joined the Russians on the Elbe river.

Pfc. Reed entered the army Jan. 15, 1942 and trained at Ft. Knox and Camp Cook, Calif. He left for overseas Feb. 12, 1943. He was born in Wise county, Va., Nov. 29, 1914. Although he spent some time at Wheelwright, he made his home with his mother, Mrs. Alpha Corridor Reed, of Cooburn, Va.

Will Spend 22nd Birthday in Pacific

Three years ago, at the age of 19, he entered the army and for the last 18 months he has been in the Pacific theater of action.

Pvt. James W. Perry, son of Mr. and Mrs. Bill Perry, of West Prestonsburg, will observe—If he has time—Monday his 22nd birthday while with the U.S. army in the Pacific theater of action.

Hicks Cited for Service In Action Against Japs; 4 Brothers in Uniform

Chief Petty Officer Benjamin Franklin Hicks, one of the five sons of Mrs. Julia Hicks, of Hippo, who have been in army and navy service during the present war, has been twice cited—first sharing in the Presidential unit citation for service aboard the USS Atlanta which was sunk during action against the Japanese off Guadalcanal Nov. 13, 1942 and later receiving a commendation for his service on the Oakland, a sister ship of the Atlanta.

The commendation, issued by his commanding officer, Capt. W. K. Phillips, reads in part:

"The commanding officer takes pleasure in commending you for distinguishing yourself by meritorious service in connection with operations against the enemy during the period 13 November, 1943 to 30 July, 1944 while serving as a leading chief petty officer in the engineering department of the U.S.S. Oakland. Being one of the few men aboard with previous experience with the type of engineering installation installed, you have successfully imparted your knowledge to a large group of relatively inexperienced men. . . . You have supervised and participated in several arduous repair jobs, in successfully completing these repairs you have demonstrated outstanding ability and resourcefulness. Your consistent efficiency in your operations against the Japanese enemy was in keeping with the highest traditions of the United States naval service."

CMM Hicks recently concluded a leave spent with his wife at Hippo and with his mother at the west coast for service aboard a sister ship of the Atlanta and Oakland.

His brother, Lt. James K. Hicks, was seriously wounded in France.

Sgt. Frasure Served With Anti-Aircraft

A mechanic with an anti-aircraft battalion, Sgt. Martin H. Frasure, 21-year-old son of Mr. and Mrs. P. J. Frasure, of Langley, played a prominent role in protecting American troops, airplanes and gun positions from bomb attack by the Germans during the invasion of Germany. Sgt. Frasure has been in the army since April, 1943 and overseas for the last 18 months.

Ferguson Saw End Of Italian Fighting

Pfc. Manuel Ferguson (left), husband of Mrs. Alma Ferguson, of Martin, and a buddy are shown here while serving with an infantry unit during the Allied conquest of Italy.

Pfc. Price Is Rifleman In New Invasion

WITH THE 27TH INFANTRY DIVISION ON D-DAY (Delayed)—Pfc. Herman Price, of Prestonsburg, Ky., landed with the "Applique" regiment of the famed 27th Infantry division on the Nansel Shoto group, 365 miles from the Jap mainland.

The smash at the Nansel Shoto group, a key point in the vital communication center of the enemy's direction of his forces in the western Pacific marks the first D-Day for Pfc. Price.

A rifleman, he entered the army in January, 1942 and has served 18 months on overseas duty. He is entitled to wear the prized Combat Infantryman's Badge, Asiatic-Pacific ribbon with one campaign star, and the War Department's newest award, an arrowhead, given troops making an assault landing.

His wife, Mrs. Anna L. Price, and five-month-old son whom he has never seen, reside at the Prestonsburg address.

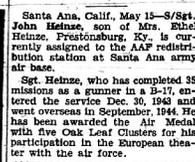

Warrens at Miami Beach After 13 Months Overseas

Miami Beach, Fla., May 15—T/S Fred Warren, 33, son of Mr. and Mrs. Jack Warren, Northern Ky., has returned from European service and is now being processed through the army ground and service forces redistribution station here, where his next assignment will be determined.

T/S Warren served 13 months as mail clerk in the European theatre of operations. Before entering the service, he was a farmer and became a member of the armed forces April 13, 1942.

Veteran of 35 Missions At Santa Ana, Calif.

Santa Ana, Calif., May 15—Sgt. John Helms, son of Mrs. Ethel Helms, of Prestonsburg, Ky., is currently assigned to the AAF redistribution station at Santa Ana army air base.

Sgt. Helms, who has completed 35 missions as a gunner in a B-17, entered the service Dec. 30, 1943 and went overseas in September, 1944. He has been awarded the Air Medal with five Oak Leaf Clusters for his participation in the European theater with the air force.

HARRIS BROTHERS IN SERVICE, ONE IN NAVY, OTHER IN ARMY

The fear widely expressed by civilians as well as service men over the world was that of Fred Harris, SOM. H3 c, 19-year-old son of Mr. and Mrs. John W. Harris, Jr., of Lancer, in a letter to his parents upon learning of the death of President Roosevelt: "His death could easily mean the losing of the peace as in the last war, for he would have carried a lot of weight in the peace conference."

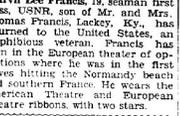

Connected with the defense detection branch of the navy, Harris, now

18, entered the service in October, 1942, the same year he was graduated from high school here. He is now stationed in San Pedro, California.

His brother, Cpl. Irvin Harris, 25, is with an aviation engineering battalion, entered the army in April, 1943 and has been in the Pacific area since January, 1944. He is now in the Philippines. Cpl. Harris wife, Mrs. Margaret Case Harris, and children reside at Lancer. Prior to his army service, he was a foreman for the Hoosier Engineering Company, Columbus, Ohio.

Returns to United States, An Amphibious Veteran

Arvil Lee Francis, 19, seaman first class, USNR, son of Mr. and Mrs. Thomas Francis, Lackey, Ky., has returned to the United States, an amphibious veteran. Francis has been in the European theater of operations where he was in the first waves hitting the Normandy beach and southern France. He wears the American Theatre and European Theatre ribbons, with two stars.

Feller Pitch Looks Like Golf Ball, Says Prestonsburg Receiver

Passing last week to look around the Great Lakes Naval Training Center where he has been in 'boot' training for the last several weeks, Apprentice Seaman Ray Collins, Prestonsburg, remembered most vividly the rather memorable occasion when he recently caught in warm-up practice one Bob (Rapid Robert) Feller, theetime mound star of the Cleveland Indians, now with a bigger outfit—Drele Sam's navy.

"It was something like catching a golf ball," the Prestonsburg man reported to his brother, Adrian Collins.

Incidentally, the Great Lakes team would be the pride and joy of any major league manager in the business these days. Walker Cooper, of the St. Louis Cardinals, and Denny Galehouse, of the St. Louis Browns, are the most recent arrivals, and they joined there four other "fellers"—well-known Bob Feller, Johnny Goessia and Pinky Higgins, former of Detroit, and Ken Keltner, former Cleveland infield star.

Apprentice Seaman Collins' wife, Mrs. Margaret Collins, and children, and his mother, Mrs. Fanny Collins, reside here.

Arthur Coburn, 28, husband of Annie Coburn, of Northern Ia, is receiving his initial naval indoctrination at the U.S. Naval Training Center, Great Lakes, Illinois.

THERE'S A Welcome WAITING

Thanks to the American Legion

It will be more than just a parade and a band. It will be a welcome that's more than a friendly handshake—a welcome that offers something concrete and tangible. For the American Legion realizes that the main desire of returning veterans is to get back to home and job—to school and college—to prepare for or pick up the careers they planned. And the Legion stands ready to help them settle into the life they want, and offer twenty-five years' experience in veteran service to help them.

In taking advantage of the opportunities set forth in the G.I. Bill of Rights, for example, many veterans may find problems and questions arising—problems and questions they might have difficulty in answering alone. In addition, there are many other government programs in existence, of which servicemen may not be aware. With time limits set on many of them, veterans may miss out on benefits to which they are entitled.

To meet these many needs of returning veterans, and to further supplement the veterans' services they inculcated in the original draft of what has since become the G.I. Bill of Rights, the American Legion has set up a nationwide Program of Service. Under this program, Legion Service Officers are available to all servicemen for assistance on such problems as insurance, hospital care, pensions, pensions for dependents, vocational training, employment, and any other problems which veterans may encounter in connection with their military service.

To carry out the services offered by this organization, there are over seven hundred full time paid post, county, district, department and state service officers throughout the nation. They devote all their time to serving veterans and the dependents of deceased veterans. In addition to this full time group of experts there are over 12,000 volunteer service officers—approximately one for every post of The American Legion. And there are thousands of other volunteer workers within the American Legion, ready and able to help carry out the program.

The Legion urges veterans to take advantage of its experience and facilities, not only for themselves, but for the sake of their families as well.

FOR GOD AND COUNTRY, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America and maintain law and order; to foster and incidentally to preserve the peace; to encourage our associations in the individual obligation to the nation; its education to the maintenance of its autonomy and its independence; to cooperate in both the classes and the ranks; to promote peace and good will on earth; to safeguard and promote justice, freedom and democracy; to cooperate and defend our principles; by our devotion to mutual help.

This is our preamble, the spirit and every essence of the American Legion.

THIS PUBLISHED BY FLOYD POST NO. 129, AMERICAN LEGION PRESTONSBURG, KENTUCKY

to pay deeply deserved honor to those who served us all and to offer deepest tribute to those who gave their lives in this Second World War in the defense of their country and democratic institutions in all parts of the world.

GARRETT

Class Night exercises for the Garrett high school Seniors and presentation of eighth grade diplomas took place Wednesday night, May 16, in the Garrett high school auditorium.

The valedictory address was delivered by Rebecca Joyce Ransick, and the salutatory by Carlos H. Higgins. These two seniors ranking first and second, respectively, in scholastic averages for four years. Fay Evelyn Perry gave the Class Will; Naomi Oakley, the Class Prayer.

Rebecca Joyce Ransick was unanimously selected by the high school faculty to receive the \$10 award given by the Lackey-Garrett Women's Club to the graduate deemed by the faculty as outstanding. Other awards were: relationship—Edna Earl Conley; improvement in athletics—Carlos H. Higgins; English—Rebecca Joyce Ransick and Carlos H. Higgins; science—Carlos H. Higgins; typing—Bessie Mae Conley; home economics—Betty Ann Martin; mathematics—Edith Martin.

High school graduates participating in the Class Night exercises were: Johnnie Campbell, Jr., Edward Caudill, Bessie Mae Conley, Edna Earl Conley, Annabelle Patton, Bonnie Hicks, Carlos H. Higgins, Bill Hildebrand, James Howard, Naomi Oakley, Gwendolyn Joy, J. W. Patrick, Maude Patrick, Fay Evelyn Perry, Norma Marie Pratt, Mary Elizabeth Preston, Rebecca Joyce Ransick, Betty Lou Rensick, Richard C. Woods. Two members of the class, Ethel Irene Moore and Muriel Moore, completed their work at the end of the first semester and are away at college.

Following a custom established last year, the Lackey-Garrett Women's Club again awarded \$10 to members of the Garrett high school graduating classes chosen by the faculty of each school. The award at Garrett went to Rebecca Joyce Ransick, the valedictorian; and that at Wayland, to Betty Jane Clawthorpe.

Time Out for War on farm Telephone expansion

The number of Southern Bell-operated farm telephones in Dixie was increased by more than four times from 1935 to 1942 when war interrupted our rural telephone expansion program.

Since 1942, vast amounts of communication equipment have been and are still being manufactured for shipment to our fighting men, and we cannot resume our farm telephone expansion until after manpower and material again become available.

In the meantime, we are furthering our efforts to provide increased and improved post-war farm telephone service through our research work and experience gained in new methods of construction, transmission and new developments in the art of communication.

Southern Bell's post-war rural development program is part of the Bell System's one hundred million dollar program to extend and improve farm telephone service of the future. And every reasonable and practicable step is being taken to advance this program as rapidly as possible.

Decorated Veteran Writes Relatives Asking That They Support Allen

Staff Sgt. John Salisbury, formerly of Hunter, on Left Bank Creek, is a veteran with the troop transport command's airborne paratroopers, a veteran of the battles for France and Germany who has been decorated with the coveted Air Medal with one Oak Leaf Cluster for bravery in action under enemy fire on D-Day. He also has received the Presidential Distinguished Unit Citation.

Staff Sgt. John Salisbury, whose record in behalf of his country is unquestioned, has no political axes to grind, no "rows to hoe" in the petty politics of Floyd county. He naturally, after all his experiences overseas, and all the sacrifices he has made for the "American Way of Life" for the folks back home, has his own ideas and hopes for local government back home in Floyd county.

He thinks, as most other folks in Floyd county think, that a young man who is not only a man of unimpeachable character and ability but who also has served his country's most perilous missions during this war and is alive today only through the grace of God, should be the support of his own homefolks.

Read and please consider S. Sgt. Salisbury's plea for support to a relative at Hunter where he was in service in Europe:

"I suppose the election campaigns are really going strong now. Keep me advised on the political situation. There are one discharge veterans running for office I hope you and everyone else will vote for. His name is Jarvis Allen and he will probably need plenty support backing those political rings if they are like they used to be." (Pd. pol. ad.)

DFC Holder Due Home After 129 Missions In South Pacific

FIFTH AIR FORCE, SOMEWHERE IN THE PHILIPPINES—Technical Sergeant James D. Fitzpatrick, of Mr. and Mrs. William B. Fitzpatrick, of Garrett, Ky., has returned to the States after having served 20 months as an aerial engineer with a troop carrier unit of Major General Curtis C. Whitcomb's Fifth Air Force in the Southwest Pacific.

Before joining the army July 1, 1941, Sgt. Fitzpatrick had graduated from Garrett high school and owned and operated his gasoline service station. He received training as an airplane mechanic at the AAF technical training school, San Antonio, Texas, and the Douglas Aircraft Factory school in Long Beach, California. He was assigned to the troop carrier command Feb. 4, 1943 and flew to overseas July in August, 1943. Sgt. Fitzpatrick during his overseas service has completed a total flying time of 945 hours, of which 386 hours was combat time. In recognition of his meritorious service during 129 operational missions in combat area he was awarded the Distinguished Flying Cross and the Air Medal with two Oak Leaf Clusters.

His flying duties often entailed hazardous missions over Japanese-held territory in a C-46 Commando transport to newly captured and frequently cruel air strikes. He had the unenviable experience of being strafed and dive-bombed soon after the arrival at one of these forward bases. Fortunately both plane and crew escaped unscathed.

Sgt. Fitzpatrick's unit is one of a considerable number of troop carriers under the command of Brigadier General Paul H. Frenitis which have performed outstanding service in the prosecution of the war in the Southwest Pacific. By furnishing efficient aerial transport for millions of pounds of vital freight, the troop carrier command has contributed immeasurably to support of General MacArthur's swift leap-frog operations from southern New Guinea to northern Luzon.

Sgt. Fitzpatrick's unit in particular actively participated in all operations in the New Guinea campaign, and at the Admiralty Islands, Biak, Morotai, and Noemfoor. More recently, it took part in the liberation of the Philippines.

FOR REPRESENTATIVE MANIS CONLEY

We are authorized to announce MANIS CONLEY a legal Democrat, as a candidate for the Democratic nomination for Representative of the 96th Legislative district.

Wheelwright Woman Is Member of W.O.P.

W.O.P. Shirley Newsome Eiken, daughter of Mrs. Lura Newsome and the late Fred Newsome, of Wheelwright, Ky., was elected to the Women's Army Corps in October, last year. She was stationed at Rosecrans Field, St. Joseph, Missouri.

Battle-Wise Veteran Of European Air War Is Pilot Instructor

One of "the boys who has been there and back again" and now showing other army air pilots in training all the "know-how" of battle-wise veterans is Sgt. L. Martin, now stationed at the army air field, Dyersburg, Tenn., as instructor pilot.

Sgt. Martin was furloughed a few months before war's end. Lt. Martin piloted several missions from England over France and Germany to earn his rank.

"That bomb run when we were all leveled out for the Germans could say no one of my crew ever suffered a wound," Lt. Martin told THE TIMES several weeks ago while here on furlough.

Before entering the service, Lt. Martin graduated from Martin high school in England, and now he is an instructor at Dyersburg army air field, Florida, the Eighth Air Force in England, and now he is an instructor at Dyersburg army air field.

McDowell Graduate In Air Force Postoffice

AN 8TH AIR FORCE BOMBER STATION, England—Sgt. Robert V. Parsons, son of Mr. and Mrs. John W. Parsons, McDowell, Ky., and husband of Mrs. Theresa Parsons Brush, Colorado, is serving here with the engine 46th Bombardment Group of the Eighth Air Force.

Former Floyd Man Takes Rest, Returns to Bomber

AN AIR SERVICE COMMAND STATION, England—Sgt. Bert W. Hall, husband of Mrs. Lura Mayo Hall of Pikeville, Ky., recently earned a "recess" from aerial warfare at an air service command post camp, an English seaside resort hotel where America's airmen who provided aerial cover for the advancing allied armies in Germany may relax between missions. After seven days he went back to his combat station, ready to play his part once again in the air battle supporting the Allied march across Germany.

Appeal to the Voters Of Floyd County

I am a 100 percent supporter of JARVIS ALLEN, the boy who offered his life in the fight against the German barbarians, that we church people may worship God and not be molested by the enemy.

At this very time my baby boy is in the South Pacific with the Marine Corps and I have one boy in the air corps.

Our boys and sisters and all good people—let's go to the polls on August 4, 1946, RAIN OR SHINE, and show how much we think of Our Boys and Husbands and Sweethearts by VOTING FOR JARVIS ALLEN FOR COUNTY COURT CLERK.

Wounded P'burg Soldier Recovering in England

THE 318TH STATION HOSPITAL, England—Struck in the left leg by ammunition to a BAR gunner Pvt. Edd E. Scutcheff, 19, Prestonsburg, Ky., is now recovering at this U.S. army station hospital in England.

Hulled in the action toward Bastogne, Belgium, by a solidly entrenched German position at the foot of a hill, on the outskirts of the town, Pvt. Scutcheff and his runner were called upon to blast the position with their BAR.

"I had some back for more ammunition and was just returning when a stray fragment from an enemy mortar hit me in the leg," Pvt. Scutcheff said.

Treated by medical aid men, he was carried to the aid station by litter bearers and removed to a field hospital in France for an operation. He has been awarded the Purple Heart.

A welder at the Kentucky & West Virginia Glass Company, Pvt. Scutcheff entered the army in March, 1944. His father, Sidney Scutcheff, lives near Prestonsburg, while his brothers Eugene and Stacy, are in the army.

The Girl Scout troop celebrated its first anniversary with a party at the school building Tuesday evening at which mothers of the Scouts were present. The leaders had made for the occasion a beautiful cake decorated with one candle and the Scout emblem.

Two interesting phases of the graduation exercises were held at the school building the past week prior to the final exercises on Friday at Prestonsburg. The first of these was Senior Night, held Tuesday evening when parents and friends witnessed a fine display of originality and ability from the members of the Senior class. The second event was Achievement Night on Thursday for which Prestonsburg High School Eastern State Teachers College was the speaker. The glee club and band, directed by Miss Charles Noble, contributed greatly to the enjoyment of both occasions.

HE PICKS THE TUNES YOU LIKE TO HEAR

RAY SHANNON—genial Program Co-ordinator—chooses and arranges the music that goes on the air for radio station WHAS. Ray was born in West Virginia, our neighbor state. He is well known in the Blue Grass Section of Kentucky, because a few years back he forsook radio for a short time to pursue his hobby—photography—professionally. And most of his assignments brought him to Kentucky photographing thoroughbreds.

It is soon returned to radio, his first love. And now you find him every day at WHAS at his desk writing these songs, arranging a new tune, or picking out a familiar piece you would love to hear. When he isn't doing that he probably is in the control room listening, timing, watching for the finest flow in a musical performance, correcting and perfecting it. Sometimes he goes right into the studio to adjust the position of the piano, put up a sound screen, or move the microphone perhaps only a thousandth of an inch, or help a vocalist get just the proper tone . . . to get the best possible effect. So Ray spends his time making your WHAS-listening-time more enjoyable.

Ray's radio career started at the very beginning of broadcasting almost a quarter-century ago, when he got his first job with radio station WTAM, in Cleveland, producing and directing the station's music. For more than seven years he arranged all the special music for the WTAM Staff Orchestra and vocalists. He was Program Director at KMBC in Kansas City when WHAS persuaded him to come here more than a year ago to become Program Co-ordinator. He has just come back from Washington where he met with other members of the Program Directors Executive Committee. This is the second year Ray has been asked by the National Association of Broadcasters to serve on this committee.

How many occupations in this picture?

THERE are no tricks—no hidden faces. Just see how many ordinary, everyday occupations you can find. Count 'em before you check the answer in the tiny type below.*

Whatever the number, it's a pretty safe bet that all these occupations—and many more—are represented among the folks who own your local electric light and power company. Housewives and farmers lead the stockholder lists of most such companies. But there are plenty of nurses and doctors, teachers and mechanics, secretaries and salesmen, too. There are several million of these direct owners—and you may be among them.

Certainly you are included among the indirect owners, if you have a savings account or life insurance policy. When you make a deposit or pay a premium, the money isn't just stuffed in a strong-box and left there. It's put to work earning a profit for you—a profit called "interest." Banks and insurance companies invest your money carefully. They put a large proportion of it into electric light and power securities—because these companies have proved their basic soundness over the years by dependable service and good business management.

So the electric industry is probably the most widely owned industry in America. Almost every American has a stake in it. And what helps the industry helps you. *The artist—who ought to know—says there are 45.

TO THE VOTERS OF THE 31st JUDICIAL DISTRICT

When I recently announced my candidacy for the Democratic nomination for Circuit Judge I did so with full realization of the importance of the office and of the duties that will be mine if elected.

To be Judge of this district, and to do the people of the district full justice in both criminal and civil cases, is a task which requires experience as well as ability to do the job well. My experience in the circuit courts of this district as Commonwealth's Attorney is now extending into its sixth year. My desire to be Judge worthy of the name and of the good people of this district is deep and sincere.

That you may know what to expect of me as Judge, and so that you may have this to compare with my actual record as Judge, I make these promises without thought of hedging or changing my policy from day to day.

1. To act as the servant of all the people, with no ties of whatever sort to prevent the full administration of justice.
2. To conduct our circuit courts to the advantage of a chosen few.
3. To take into the courtroom a knowledge of human nature enabling me to sympathize with the unfortunate. The people have had an opportunity to observe my patience and fairness in all respects while serving as Commonwealth's Attorney.
4. To give the returned war veteran leniency insofar as the public interest will permit.
5. Any man now in the service of his country who has been charged with an offense short of murder will return with a clean slate. His case has already been dismissed by me as Commonwealth's Attorney. His debt to society, I maintain, has been paid to the fullest.
6. For the support the people of Floyd and Knott counties have given me in the past and for the hundreds of assurances of support in this campaign, I am most grateful. I want to assure the people that their trust will not be violated or forgotten.

Sincerely,
JOHN ALLEN
(Pol. adv.)

Cpl. William C. Blackburn, son of Mr. and Mrs. Wade Blackburn, of Prestonsburg, has been commended for the part his mechanized cavalry squadron played in meeting the German New Year's eve attack, and his brother, Jack L. Blackburn, flying from an escort carrier in the Pacific, has been promoted from the rating of ensign to that of lieutenant junior grade.

Mayo, Fortress Gunner, Promoted to Sergeant

AN 8TH AIR FORCE BOMBER STATION, England—Promotion of Royce W. Mayo, West Prestonsburg, Ky., from corporal to sergeant has been announced at this Eighth air force B-17 Flying Fortress base. A member of the 90th bombardment group, commanded by Col. Jack E. Shuck, of Casper, Wyoming, the sergeant is the armor and gunner on a Flying Fortress.

Set. Mayo is a member of the Fortress group which was cited by the President for leading the first bombing attacks on targets in Berlin in March, 1944, and was cited previously for its sustained bombing assault on railroad marshalling yards at Munster, Germany, in October, 1943.

Your dollars are needed in War Bonds to make the 7th War Loan a big success!

Clifford E. Smith, Frankfort, representing the power company, declared that the "preponderance of the evidence" on which the commission issued its permits showed the company best equipped to furnish service at lower rates than the co-ops could.

The Kentucky & West Virginia Company, Smith asserted, had been in business in Eastern Kentucky for 50 years and 44 of the extensions granted it by the commission were for two mile lines, and the average length seven miles. Total mileage of the 151 extensions authorized is 1,135. Smith asserted this and the number of short extensions proved the company was continuing a gradual expansion that would adequately serve the territory.

Morris, who termed the case vital to all farm communities and the most important ever argued at Frankfort, said the question had never been decided in any court, state or federal.

He asserted that Kentucky's General Assembly by its REA act granted farmers the right to organize and furnish electrical energy for their needs. The co-ops, it is declared, had been granted the permits in 1941, but were unable to proceed because of war conditions.

But he declared, they had signed up 1,020 customers who had paid \$5 each and that by this these farmers had acquired vested rights which neither the commission nor anybody else could take from them.

Smith contended that if that argument were followed to its logical conclusion, only five farmers could organize a rural electric cooperative and "pre-empt the entire state area not already being served and thus prevent any other concern from, enlarging its scope of business."

The case was regarded as certain to go to Kentucky's Court of Appeals, regardless of Judge Arden's ruling, and there were indications it would find its way to the United States Supreme Court.

JOE P. TACKETT Commonwealth's Attorney

Like Father — 1918 — Like Son FOUR SONS OF WORLD WAR I VETERAN IN UNIFORM DURING PRESENT WAR

EDDIE EUGENE HERSCHMAN

Four sons of Joe P. Tackett, World War I veteran, and Mrs. Tackett, 20, who also saw signal corps service. Pvt. Tackett was a patient in army hospitals at Ft. Monmouth, N. J., and at Danville, Ky. He was recently given a medical discharge and is now here with his wife and baby.

Pvt. Eddie Eugene (Teeny) Tackett, 19, is in the advanced infantry training replacement center at Camp Livingston, Ia., after six months in the army. He was graduated from high school here last year. His brothers are also graduates of the local high school and all four were prominent in athletics.

Third of the brothers to enlist in December, 1942 was Pvt. Herschman Tackett, 20, who also saw signal corps service. Pvt. Tackett was a patient in army hospitals at Ft. Monmouth, N. J., and at Danville, Ky. He was recently given a medical discharge and is now here with his wife and baby.

Cpl. Bernard Tackett, 24, is with General Clark's army in Italy, serving with the signal corps. A veteran of the Anzio landing and the remainder of the Italian campaign, he enlisted in December, 1942. His wife, the former Thelma Jean Africa, of Prestonsburg, resides in Louisville.

While my volunteer campaign committee insisted upon reproducing the above clipping from a former issue of The Times, I am frank to say that the war record of me and my sons alone does not qualify me for the office I seek. It does show, however, that we are, to say the least, worthy and patriotic citizens. I'll not have these boys here this time to carry on in their campaign for me, nor even to vote for me, but in their absence they and I are confident that the fathers, brothers, wives and relatives of their comrades in arms will give me one of the greatest votes of confidence ever received by an humble candidate. Vote of confidence, did I say? Yes—confidence that my 29 years as a lawyer, four years as County Attorney for Floyd county, four years in the State Senate, coupled with a conscientious will to make for you a Commonwealth's Attorney worthy of the fullest measure, is the sole and

safest standard by which to judge the competency of men who seek public office.

I have not sworn an oath in 28 years, have not taken intoxicating liquor in 21 years and with God's blessing and divine aid I pledge you long to carry on in the campaign of this important office during the next six years. I shall work with our citizens and whoever he may be, to the end that all our citizens, men and women, get fair and equal recognition on juries, in the courtroom as well as in their homes. In human history women have never risen to a higher plane of noble and heroic service than they have during the present war. I tip my hat to their valor and the heroic valor of our boys in this war and shall everlastingly serve them in my humble way.

Yours for a better world in which to live. (Pol. adv.) JOE P. TACKETT

Pfc. Huffman Loses Leg in Germany

Special to The Times Atlanta, Ga.—Pfc. Dewey Huffman, of Garrettsville, who was wounded during the battle for the Siegfried Line, Germany, has been awarded the Purple Heart medal here at Lawson General Hospital where he is a patient.

The medal was presented to the soldier by Lt. Col. Arthur H. Miller, hospital executive officer, at a special ceremony honoring veterans who broke the German counter-offensive after the "Battle of the Bulge."

Huffman was advancing toward a river barrier of the Siegfried Line and was about to cross with elements of the 7th division when he was struck in the right leg by fragments of an 88-mm. German artillery shell. He was taken to a front line hospital and his leg was amputated. He was wounded last Feb. 9.

The 21-year-old soldier, whose wife, Florence, resides in Garrettsville, left Garrettsville to enter the army April 1, 1943. At Lawson General Hospital, he will receive further treatment, be fitted with an artificial leg and undergo reconstructive exercises so he will be in excellent physical shape when he leaves the hospital to return to work or duty.

Porter Helps Stem Nazi Counter-Attack

WITH THE 102ND INFANTRY DIVISION WESTERN FRONT—Quick co-ordination between infantry and artillery by members of the 4th battalion, 40th infantry, outside Katzmog, Germany, repulsed a counter-attack of over a hundred German infantry and five Mark IV tanks. When the action broke off, the entire company of infantry was either killed or taken prisoner and one tank had been knocked out.

Technical Sgt. Vincent Sonzogni, Philadelphia, Pa., paused from his frantic digging for a quick look at the enemy lines. When he saw a line of infantry and tanks moving toward the company he went into action.

He contacted the forward observer of the 300th Field Artillery, and passed the information to S/Sgt. Edgar G. Boston, Tallahassee, Okla., mortar section leader. He then busied himself directing operations of his own platoon.

In addition to the effective mortar and artillery fire the steady stream of BAR fire hoed out by Pfc. Arthur Scherer, Victoria, Texas, Walter Swiney, Pigeon, Ky., and Vernon Porter, Allen, Ky., kept the Germans pinned down.

After one tank had been knocked out by a well-placed bazooka shot by Pfc. Carl J. Hennis, Williamsburg, Ohio, the remaining Jerry armor beat a hasty retreat.

Mrs. Scott Succumbs Following Operation

Mrs. Robert Scott, 50 years old, colored, of Wheelwright, died Sunday at the State Memorial Hospital, Lackey, a day after amputation of her leg was made in an effort to relieve diabetes and other condition. She is survived by her husband and two daughters.

The body of the Arnold Funeral Home here and will be taken to Wheelwright for burial.
