Kentucky Senators Hear Big Sandy Co-op Leaders Explain Power Program

Several officials of the Big Sandy Rural Electric Co-op, which serves 4,200 rural people in this area, journeyed to Washington last week to attend a dinner honoring Kentucky's congressmen.

They were George Jones of Thelma, Kentucky; Russell Goble of Tomsboro, Kentucky; Cran Kinke, of Fairview.

Both of Kentucky's senators, John Sherman Cooper and Thurston E. Morton, and four of the eight representatives were on hand to hear brief summaries of the rural electric co-op program in Kentucky. In brief responses, the congressmen reviewed their past support of the rural electrification program and assured the group of their future support.

In his brief response, Senator John Sherman Cooper assured the 18 co-op representatives present that "a good man will be chosen" to fill forthcoming vacancy on the board of directors of the Tennessee Valley Authority.

"I can bring you this news," declared Cooper. "I know that the character and background of the man being considered are proof that a good man will be chosen."

Regarding another matter rural electric co-op spokesmen were concerned about, Cooper said: "I hope that soon we will have before the Senate a self-financing plan for the T. V. A."

The representatives present were John M. Robison of the Third District; Brent Spence of the Fifth District; William N. Fletcher of the Second District; and Carl Perkins of the Seventh District.

COAL GAINING LOST GROUND

Totals at Mid-March Show Production Lag After Flood Reduced

Coal production in the field represented by the Big Sandy-Elkhorn Coal Operators Association, which slided to a low of over 20 percent less in the flood week ending Feb. 2 as compared to the corresponding period last year, has narrowed the production lag percentage until it is now slightly less than three percent behind.

Latest figures released for the week ending March 16 by the Association's office in Pineville show a decrease of 87,670 tons less than the corresponding week last year. During the flood week ending Feb. 2, there was a decline of 387,600 tons or more than 20 percent. The next week's percentage of decline was less, but the number of tons slided to 314,400 short of the corresponding week in 1956.

Only one mine in the group represented by the Association worked longer than three days in the week ending Feb. 2. Eighteen mines worked either one or two days, probably Monday and Tuesday preceding the flood. The average for the week was 1.93 days.

Four weeks after the flood, for the week ending March 2, tonnage had risen to a total of 2,383,410 or 212,410 short of the previous year's record still over eight percent lower. Days worked were more normal that week, having an average of 4.51. Few mines worked less than five days that week.

The latest report of the Association, for the week ending March 16, shows a shortage of only 87,670 tons under the period of last year and a percentage loss of only 2.87. Rail way cars, of 80 tons each, loaded the last reported week stood at 624.

Truck mine operations, perhaps the hardest hit by the flood, are now running far behind last year's figures. As of March 16 their tonnage was only about half the tonnage they had loaded in the same period last year.

Cooler Elkhorn Coal Company was shown as temporarily closed in the last report.

FIRE DRILLS

"THE STATE JOURNAL OF FRANCE" reported recently: "Nancy and Harry Lee Waterfield, Jr. missed the fun at their home this morning when Frankfort firemen arrived on a practice run. "Purpose of the visit was to show firemen could rescue L. Gov. Harry Lee Waterfield's two teen-age children from their third floor rooms in case of fire."

"Pete Perrell" drove the big red fire truck on its early morning visit to the Old Governor's Mansion on High Street, and the entire crew, working under the direction of Asst. Fire Chief William Tucker and Fire Capt. "Vern" Hill, ran ladders up to the third floor rooms on both sides of the house.

"Max Waterfield came out to talk with Fire Chief Bernard Garter and then to take Carter and Tucker on a fire inspection tour of the house as well."

To The Voters of Magisterial District No. 1

(And especially you forgotten people up the branches who have to wade out or go around the hill to reach the main highway)

These who have so long been neglected are the people who should be interested in electing as your Magistrate a man who was raised up a branch and who waded mud and water to go to school, even as you have done and as your children do.

I am that man. I know how rough such paths are. I have waded the branches and climbed treads to cut through fields on my way to school.

If elected your Magistrate, I will see all in my power to eliminate such conditions and to do something for those who have had little or nothing done for them in all the years that have passed.

I was born and raised on the head of Middle Creek, and all the older-timers know me. As to kinfolks, I suppose I am related to as many people as any man in the county. I have no job and have nothing else to do except to look after the needs of the people—ALL the people, not just a few. I can be found where I am supposed to be and you will not have to hunt for me.

I feel that I am qualified to run this office in a business-like way. I am not backed by any company or political ring. If elected, I can go into office free and unencumbered, not to be bossed by any one.

I will appreciate your support.

DENTAL CLINIC TOLD TO QUIT

Appellate Court Holds Free Clinic Does Good But That Work Illegal

The Cody Free Dental Clinic, of Knott county, conducted by W. C. Lewis, was ordered to terminate its operations Friday of last week although the court of Appeals did not find it was contributing a good and worthwhile service. The court said the clinic was not licensed and therefore could not operate.

The case, originally heard by Special Circuit Judge E. D. Steppan who ordered Lewis to cease his work, was taken to the appellate court on the grounds the clinic was performing an essential service for mountain people.

Lewis had suggested the Appeals court could "exercise its equitable powers" and forego statutes requiring a license from the Kentucky Board of Dentistry.

"Doubtless, under the circumstances of the present case, the good outweighs the bad," the court conceded.

The trainees get certificates instead of degrees. Free service is given to individuals as a means of providing practical training.

"The free clinic actually performed dental service—filling, cavities, extractions, and some plates—for 1,500 persons during its operation," Lewis' brief said. "And when it was closed, there were several thousand on the waiting list."

"But the appellant's laudable purposes and his charitable and helpful services do not justify bypassing the sanctions of the Kentucky Board of Dentistry."

"We must recognize the ancient maxim that 'equity follows the law' and that the appellant has colluded with the law."

Lewis, a man of 70, has a degree from Michigan State, Columbia University, and the University of Chicago.

Lewis said he and his trainees make no pretense that they are licensed dentists or instructors.

"A person in Knott county suffering from a toothache is relieved by having the tooth pulled or pain eased, even by a practical novice, properly equipped, although not licensed, and we doubt that an African aborigine who may be served in the future by those students would care whether their instructor had ever been licensed or not."

Large quantities of ground water are available in most parts of the Jackson Purchase region in western Kentucky, and a preliminary map released by the State Economic Development Department shows.

"The State Park's activity is increasing with each passing week. Mrs. Ben Kilgore, parks director said she added cabins and cottages are available in all the State Parks throughout the year."

Countywide Book Fair To Exhibit 800 Volumes; Six Towns Are Scheduled

Beginning April 15 at Prestonsburg and running for eight days, a countywide book fair will show at six towns and schools in Floyd county.

Eight hundred new books will be on exhibit with trained librarians on hand to answer questions. Every age-level and all interests are included. The schedule of the fair:

Prestonsburg, April 15, 16; Wheelwright, April 17, 18; Maytown, April 19; Martin, April 22; Wayland, April 23; Garrett, April 24.

Each school and town is preparing notices that there will be a night session at each place and that the public is invited.

School librarians, Clem Martin, of the County Superintendent's office, and Robert J. Wallace, Bookmobile librarian, will attend the fair at the several places to help with the exhibits and supply information to the public.

MYF Sub-District Meet Is Held At Maytown

The Floyd county Methodist Youth Fellowship sub-district held its monthly meeting in the Maytown Methodist church, March 18.

The president, Donald Ray Seal, opened the meeting. The Maytown MYF presented an interesting program of music and stories on the Damascus, Jerusalem to Jericho, Galvary, and Eternal Roads. The secretary was not present, so the publicity chairman, Kay Roberts, acted as secretary. The roll call was taken by the Prestonsburg Community MYF winning the banner with 16 present. The Prestonsburg First Church MYF ran them a close second with 18 present and the Wayland MYF was third with 17 present. The treasurer, Marianna Martin, reported \$40.99 in the treasury. The president reported that the Kentucky Youth publicity chairman is beginning a newspaper for this conference. The chairman will report news of this sub-district. The next sub-district meeting will be held in the First Church of Prestonsburg.

DODGE PowerGiants

Most Power of the Low-Priced 3!

Everybody agrees... the main reason for buying a truck is to haul a payload. That being the case, doesn't it make sense to get the truck that's powered and built to carry the most in its weight class? Of course it does! That's why so many truck owners are switching to Dodge.

Dodge gives you the most powerful V-8's of the low-priced three, ranging from 204-hp. pick-ups to 232-hp. tandems. And Dodge trucks are built especially tough to handle bigger loads. For instance, Dodge pick-ups can haul up to one-third more than other competitive makes.

Dodge makes hauling these bigger loads easier, too. Shorter turning radius lets you in a needle in and out of tough traffic spots in a jiffy. Power steering is available on most models, and the extra convenience of a push-button transmission* can be yours only with Dodge.

Think it over. After all, it's just plain good business to get the most for your money... and your dealer can prove the most truck for your money is Dodge.

*Available in all low-tonnage and Forward-Control models.

Actual Payload Capacity 1825 lbs.	Actual Payload Capacity 1400 lbs.	Actual Payload Capacity 1500 lbs.

Facts prove the Dodge D100 pickup beats both competitive low-priced models in payload. Model compared is a Dodge 6, 100 pick-up, 7½-foot body. In larger pick-ups the Dodge lead is even greater.

Holifield Gets Governor Award

Frankfort, March 26 (Sp.) — The first annual Governor's Medalion for "exceptionally meritorious, conspicuous and long-standing public service" has been presented.

It went to Asst. Atty. Gen. M. H. Holifield, 65, an assistant under seven attorneys general since 1928 and the oldest assistant attorney general still active in the nation.

Gov. A. B. Chandler presented the medalion to Holifield's secretary, Mrs. Lucy Rodman, as several hundred State employes watched the ceremony in front of the Capitol. Holifield was ill in a Lexington hospital at the time.

The Governor said the award will be made yearly on June 1, the Commonwealth's birthday anniversary.

Holifield is considered the foremost authority on the Kentucky Constitution. The citation of the award in an executive order signed by Chandler described Holifield, a Graves county native, as an "outstanding citizen and public servant, cherished legal, civic and lay religious scholar and mentor, grand dean of Kentucky jurisprudence and lawyers' lawyer, gracious gentleman and upholder of the Christian faith."

Chandler read a letter to Holifield which stated: "Many of your achievements have earned the undying gratitude of the people of Kentucky. Perhaps most notable was your successful handling of the legal struggle that freed Southern rail shippers from discriminatory freight rates."

"This outstanding example of your ability, which was exemplified most dramatically by your brilliant representation of the Commonwealth's interests before the Supreme Court of the United States and the Interstate Commerce Commission has saved Kentuckians millions of dollars."

HONEST EFFICIENT QUALIFIED

A Graduate of International Detective School of Washington, D. C. Class of 1947, No. 5886 (A son of Buck Gray and Lona Ousley Gray)

Experience counts. Elect a young man your Sheriff, who needs the office and who likes officer work and has had eight years of HONEST, FEARLESS and IMPARTIAL law enforcement in Floyd county. When nominated and elected I WILL BE YOUR SHERIFF and I will be out in the county with my deputies to see that you are served as you should be by me and my deputies. All legal papers placed in my hands will absolutely be served regardless who they are for. And all cases or crimes that I am called out on will be investigated and a full report made to the proper authorities. I find during my campaign over the county that this is the kind of sheriff you want, so I feel for sure you will elect me your Sheriff on the Democratic ticket. Again, I thank those of you who are helping me in my campaign for this office of yours.

Merit System For Engineers Held Important

Frankfort, March 25 (Sp.) — The proposal to put state highway engineers under a merit system has been called "one of the most forward steps the Department of Highways has taken since its inception."

The speaker was Highway Commissioner Robert Humphreys. He told the Kentucky Highway Conference at the University of Kentucky, Lexington, that he wanted the engineers to stay out of politics and do the engineering.

Dean D. V. Terrell of the university college said the merit system "should have a far reaching influence on young people thinking about coming into the highway department."

Gov. A. B. Chandler has said he will prepare an order to bring under the merit system all graduates or licensed engineering personnel of the road agency.

Humphreys expressed confidence the state's 100 million dollar road bond issue would be declared valid by the courts in a test suit and said the Commonwealth's vast road program would depend more upon engineering than financing.

Lt. Gov. Harry Lee Waterfield said "there's not going to be any trouble selling the bonds." He declared he was confident the state would get the highest available rating in the bond sale, because Kentucky has no general bonded indebtedness, though there is some revenue bond debt.

Pastor Says Services Brings New Inspiration; Revival Ends Sunday

"During this week, March 21, the First Methodist Church has enjoyed great inspirational moments, individuals have experienced new commitments to Christ and the church, and the great attendance indicates the attention of the community," the Rev. Harold W. Dorsey, pastor, of the church, said Tuesday.

The pastor added: "Dr. LaCour's bringing messages nightly from the Bible which are practical, these messages will continue to benefit the children and youth of this community down through the years."

"The music has been outstanding. The concert program of hymn and organ has been inspirational and worshipful."

The revival, known as the New Life Mission, will continue through Sunday of this week.

Dr. LaCour has announced his sermon topics as follows: Tuesday, "Overcoming Anxiety and Loneliness"; Friday, "Will You Go To 'Heaven'"; Saturday, "You Can Save the World"; Sunday morning, "A Church Where Things Happen"; and evening, "Will You Open The Door?"

The public is invited to worship at 7:30 p.m., each evening.

(Continued from Page One)
 An unnamed man who was detected unloading liquor at Martin was chased Saturday afternoon by Deputy Sheriffs Chester Neeley and Ed Amburgy to Bull Branch, Knott county. He escaped arrest. Neeley, Amburgy, Al Patton, A. J. Reed and Joe Wheeler Lewis were in the Martin and Hunter raids, with Clyde Lester joining them at Martin.

Bill Smith, Jr., of Prestonsburg, was jailed Monday, in default of bond after he had been accused of stealing \$400 in cash, luggage, a movie camera, a watch and other jewelry from Mrs. Sam Fitzpatrick at the Turner hotel here.

Mrs. Fitzpatrick said some of the stolen property had been recovered, and she gave Fire Chief Vernon Blackburn and Chief of Police Epp Lafferty full credit of the work which led to the arrest.

Others jailed within the week, charged with major offenses: Orl Prater, Howard Perry, Robert Samons, Luther Kennedy and Bernice Newsome, all accused of drunk driving; Donald R. Prater, Corey Weddington, and Venis Hall, possessing moonshine whiskey; Charles E. Howard, a.w.o.; Bill Hubbard, of Bull Creek, breaking and entering; Clyde Hicks, Jr., robbery.

The fabulous new Ford is a brilliant example of the Mark of Honors styling and built-in plus-values that have made Ford the best-selling car in the nation.

FORD is the lowest priced of the low-price three!

Everywhere you look in the new Ford, you see plus-value features. And these advanced features that make Ford your best buy today . . . also make it your best buy for the years ahead.

There are many plus-values in the all-over "Luner Ford!" You don't ordinarily see many of the plus-value features that are built deep down into the all-new "Luner Ford." For example, such features as the new, sturdier, contoured frame and new suspension, front and rear.

There's a big plus-value in Ford power for '57! This year, you can pick a Ford engine to suit your power needs from a whole new family of mighty Ford V-8's. Or you may choose the new Mileage Maker Six.

Ford is worth more when you sell it! The year-ahead styling and rugged "Inner Ford" features that make Ford worth more now are the features that will make it worth more when you are finally ready to sell it or trade it in.

Ford is priced right! Comparison of manufacturers' suggested retail delivered prices proves that model for model, Ford is the lowest priced, full-size car.

Action Test a Ford . . . and see for yourself! The only way to get fully acquainted with a car is to get behind the wheel and drive it. And we will be happy to have you come in and Action Test a '57 Ford at any time.

Cadets Name Burchett Athlete Of The Month At Millersburg School

James Burchett, son of Mr. and Mrs. Rev. Burchett, of Prestonsburg, has been named by the cadets of Millersburg Military Institute, Millersburg, Ky., the school's Athlete of the Month.

The honor was accorded him for his outstanding ability on the rifle team. Leader of the second platoon, he is captain of the M. M. I. rifle team and has a total of 1,025 points in three matches. Young Burchett also is credited with spearheading the move for a rifle team at the school. "If," says a news report from the Millersburg school, "it had not been for Burchett's continuous encouragement, M. M. I. might not even have a rifle team. At first it was recognized only as a pastime for boys who had nothing better to do. Now it is one of the major sports, just as football, basketball and baseball."

Burchett attended Prestonsburg high school and Our Lady of the Mounting Academy before enrolling last year as a junior at M. M. I.

MISS MARTIN ON DEAN'S LIST

Berea, Ky. — Dr. Kenneth H. Thompson, Associate Dean of Berea College, this week announced that Ida May Martin, daughter of C. B. Martin, of Eastern, says a news report from the Millersburg school, "it had not been for Burchett's continuous encouragement, M. M. I. might not even have a rifle team. At first it was recognized only as a pastime for boys who had nothing better to do. Now it is one of the major sports, just as football, basketball and baseball."

Miss Martin is a senior at Berea College and a 1933 graduate of the Maytown high school at Langley, M. M. I.

MRS. HOWARD HONORED BY GIRL SCOUT GROUP

Mrs. Ray Howard, of Prestonsburg, was honored last week by the Sandy Valley Girl Scout Council for her services to scouting during the past seven years. Mrs. Robert V. May, of Prestonsburg, presented her with the Girl Scout Thanks badge at the semi-annual Council dinner held Tuesday evening, March 19, at the Green Meadows Country Club at Pikeville.

About 80 registered adult Scouts and friends of scouting attended the dinner at which Rev. Harold Dorsey, of Prestonsburg, was the principal speaker. Mrs. Howard has been a registered member of the Council from the Prestonsburg-David district since 1950 when she was a member of a troop committee. In 1952 and 1953 she served the Council as public relations chairman and from 1954 to 1956 she served as the Sandy Valley Council president. The Girl Scout Thanks badge is the highest award given by the Girl Scouts to volunteer adult members.

ELIGIBLE DISABLED WORKERS HAVE SHORT TIME TO APPLY

People who have become unable to work because of severe and long-lasting disabilities have a very short time to apply for social security benefits. The Bureau of Old-Age and Survivors Insurance, which administers the new provisions, may be not applying for their rights, the Social Security administration office, at Pikeville, says.

For many disabled people, failure to file an application with their social security district office before the end of June will mean the loss of all their social security disability protection, and for some it will also mean the loss of their rights to any old-age and survivors insurance benefits for themselves and their families in the future. If a disabled worker dies without having filed an application to protect his social security disability rights, the survivors benefits payable to his family under the social security law may be greatly reduced.

Control Annual Weeds In Strawberry Patches

Annual grasses and weeds in strawberry patches can be controlled by certain herbicides and careful attention to proved methods. James Heron, University Agricultural Experiment Station weed specialist, says that herbicide used as a spray (3 pounds wettable powder material per acre for actual area treated) is recommended for 1957. The first application can be made 10 to 14 days after setting first-year plants.

Do You Pay Taxes — Then Read...

How many of us know how heavy is the indebtedness of Floyd county? This is a matter that means much to every person who lives in Floyd county and pays taxes. Some day, our tax revenues may be as large as they now are, and there is a possibility that this debt burden will fall on farmers, small business men and others who are unable to assume the load.

Miss Mays is the first member of the council to be continuously registered, since she was a Brownie in 1947 till today when she serves as an associate adult member from the Wheelwright district. The meeting was opened by a flag ceremony by the Brownie Troop No. 25 of Pikeville and the invocation was delivered by the Rev. Philip Bembower of Pikeville. Other business items included: Report of Council progress was given, followed by a group of songs. Later in the evening the members of the troop received their Library Aide Bars for their good work in a visiting bookmobile which they operate once a week in each of two Pikeville hospitals.

I REMEMBER...

This is Teacher Appreciation Week. Which takes some of us "way back to the days when we did not appreciate teachers as much as we do now, some 40 years ago. We think of a one-room school and one or more low switches leaning up in the corner... of a certain knothole through which those "excused" to go outside sometimes peeked back in to see how the other "scholars" were getting along with their work... of the big boys who chewed tobacco and how one took dead aim and let fly through the knothole... of the anguished cry outside and the teacher coming on the dead gallop. And we think of the "absent" disenchanted in those days—days when you took a lunch-pail and a bottle of milk to school with you and then at noon, except in the worst weather, everybody went outside under the trees to bottles in the branch, poured and into them, let some water run in, then by vigorous shaking washed them clean... and made plate pencils, bad marks and whoopee... I don't go back to the Blue-Back Speller and Blue School era, but I go back pretty far, and the farther I go in the other direction the more I appreciate my old teachers. The more, too, I wonder why these young whippersnappers of today don't appreciate theirs.

Treatment when needed (usually at 4 to 6 week intervals throughout growing season) are recommended for the herbicide will kill annual plant pests, such as crabgrass, pigweed, and lambs-quarters. Areas to be treated should be weeded thoroughly before treatment. The herbicide is not effective on weeds more than a quarter inch to a half-inch high. Tests at University of Kentucky show a Crab Herbicide program in the growing season will reduce the growth of chickweed and henbit the following year.

UNCLE SAM'S TAKE

Last year Floyd countians paid out \$2,770,000 in income taxes to the federal government, and they are told. If a somewhat "fickle" memory does not fail us as usual, that is more money than George Washington spent on the entire country during his administration.

tract, only about 10 were outright rejections, it was said. The others did not receive aid without their applications, preferring to do this than to comply with certain regulations.

Headed by J. B. Green, Jr., area director, Red Cross workers from all parts of the country converged on Prestonsburg to carry on the work of helping the needs of the flood-stricken. States represented by these workers are California, Georgia, Texas, Montana, Ohio, Illinois, Florida, Oklahoma, Missouri, Iowa, Oregon, Louisiana, Kansas, New York, Connecticut and Pennsylvania. One worker was from British Columbia, Canada.

"We never before had such cooperation from all sources as we have received here," national Red Cross workers said before leaving last week.

So busy has Floyd Red Cross Chapter been with the disaster work that the annual drive for Red Cross funds is getting off to a delayed start, Miss Miss Red White, executive secretary, said. Actually, the real drive will not be launched till next Monday. Some special gifts have been received already but the canvases of individual homes and businesses will not start till next week.

"Those who work with the Red Cross are not thanks for themselves as individuals for the help that has been given, and I am among those workers," Miss White said here this week. "But I do hope that Floyd county will express its appreciation for what has been done by the Red Cross for so many in our county following this recent disaster."

An example of true appreciation, she said, was shown by a Martin woman who had been given a mattress after the flood. A few days later, she came here to contribute a dollar "so that somebody else can be helped when another disaster is learned, is an old-age assistance recipient."

Three multi-department heads from Kentucky colleges are among the four judges who will hear all the Pikeville entries and choose those to participate later in the state festivals. Dr. Page said they are: Rolf E. Hovey, Berea College, Judging vocal and choral events; James E. Van Fursum, Eastern Kentucky State College, Woodwind instruments; and Dr. J. E. Duncan, Morehead State College, brass instruments.

Ford Montgomery, of the University of Kentucky music faculty, will be judge of piano performances. Mr. Hovey again will conduct the All-Festival Chorus, as he has done several times in recent years, and Dr. Duncan, on his first trip to the Pikeville meet, will lead the All-Festival band. The two groups of select young musicians from the participating schools will close the festival with a combined concert at 7 p.m. (EST) Saturday, April 6, in the Pikeville College gymnasium.

Insects Fight Insects In Man's War on Pests

Fighting insects with insects not only saves millions for the nation's farmers but lessens worries about growing dangers from chemical poisons, Peter Paré reports in the April Reader's Digest in an article condensed from the Rural New Yorker titled, "Biological Control vs. Insect Pests."

For instance, 15 years ago Japanese beetles resisted spraying and trapping as they ravaged crops from New Hampshire to North Carolina and westward to Ohio. Then U.S. Department of Agriculture entomologist found a bacterial disease was killing hordes of beetles in New Jersey and that as the insects died, it left billions of spores to infect other grubs.

Now produced in the laboratory, these spores were planted in 150,000 colonies in 14 states. As a result the beetles no longer rate as a serious pest.

About 80 U.S. entomologists, working with foreign scientists, have developed such "living insecticides" to stop about 75 percent of the world's most noxious pests.

Such biological control may be as simple as placing goldfish in a pool to eat mosquito larvae or as complex as the program planned to eliminate the screwworm fly, which has wiped out whole herds of livestock in the Southeast. In this case, the male screwworm is sterilized by atomic radiation and, as the female mates but once, releases of the sterilized male in millions, whittles down the pest population.

Pests have proven value of biological control in fighting the codling moth in apple orchards, a pest which six years ago was killing seven times as much timber as fire, corn earworms and alfalfa caterpillars. Ter's on the oak borer, an unsightly pest on the oak, also hold promise.

Insects have built up such a resistance to chemical that today's housefly can tolerate a dose of DDT, 1,000 times as great as that of his ancestors of 10 years ago. This has led to use of poisons in such frightening amounts that three federal agencies are now preparing controls to protect consumers.

Thus, the establishment of some 90 foreign parasites and predators whittling away at our insect pests holds hope for less dangerous, more effective and less costly pest control.

IS BURNS THE FRIEND OF THE TAXPAYERS?

Could it be that Burns Martin purchased space in the newspaper to advertise the Tax League Cases for his OWN PERSONAL POLITICAL ADVANTAGEMENT and that SINCERELY he was not honestly interested in the affairs of the taxpayers?

The only time Burns Martin has had an opportunity to save the taxpayers money was when the question of an assistant Commonwealth Attorney, or County Detective, arose. He then recommended to aid brought pressure to bear on the Prchal Court to appoint an assistant to himself, when we had never had an assistant to the Commonwealth Attorney before or since.

And when the Commonwealth Attorney only works four months out of each year.
This cost the taxpayers \$12,000.00. This was a waste of the taxpayers' money, as you all will know, if Mr. Martin had been the friend of the taxpayer, he is trying to make us believe he is, he would have said, "We do not need a County Detective, so I recommend we just save that money."

The job of Circuit Judge is a big job. Let's play safe. We do know Judge Hill, will do what he thinks right. "If it breaks a horse's string," and that he has no bones. A TAXPAYER (Pol. adv.)

National Aide-de-Camp**

Kansas City, Mo.—G. D. Robi-
nette, of Lancaster, Ky., has been ap-
pointed national aide-de-camp, re-
sulting class, to Commander-in-
Chief of the Veterans of Foreign
Wars, Cooper T. Holt, Chattanooga,
Tennessee.

In making the announcement
Commander Holt cited Robinette for
his outstanding work in the field of
membership and said: "I deem it a
real pleasure to have him serve on
my personal staff."

An American Legion honor orga-
nization has presented Gov. A. B.
Chandler with a diamond-studded
pin. The presentation was made by
Louisville Vulture 496 of 40 & 8. The
governor, a member of the organiza-
tion has been an American Leg-
ionnaire for 38 years.

In 1882 in the little town of Mur-
ray, a wireless telephone was suc-
cessfully demonstrated by Nathan
B. Stubblefield before an audience
of 1,000 persons.

Clothing Distribution Ends, Rev. Church Says; Green Extends Thanks

The remainder of the clothing donated for distribution to flood victims here from other sections and turned over to the Rev. Howard C. Church is now out, it is said. Only a residue of inferior quality remains.

Nine tons were given out by Church, head of the Goodwill Mountain Mission, at his home on Abbott road. The Mission, now in its eleventh year, attempts to relieve indigent school children and provide them with clothing, particularly shoes.

The Goodwill Mountain Mission, recently received a note of recognition from Rev. Harold Doney, disaster chairman, and J. B. Green, Jr., area director of the American Red Cross for its distribution of the Red Cross clothing.

"We have been hearing of the fine use you have made of these items and we know that you have been rewarded by knowing that you assisted so many needy families in Floyd county," the relief heads wrote.

Granville Caudill, 69, Of Prestonsburg, Dies in Virginia Hospital

Granville Caudill, 69, of Prestonsburg, died Monday of last week at the Community hospital, Norton, Va., at 8:58 p.m., of a heart attack. He was a retired miner.

Mr. Caudill was a son of the late Alex Caudill and Mary Cook Caudill. Two surviving sons are Ed and Elmer Caudill, both of Price, and a daughter, Mrs. Maggie Hall, of Virgie, Pike county. Two surviving brothers are George Caudill, of Ligon and Mack Caudill, of Topmost.

Funeral rites were conducted Thursday of last week at the Prestonsburg Freewill Baptist church, the Rev. Robert Martin officiating. Burial was made in the Buckingham cemetery under the direction of Turner-Ryan Funeral Home.

PAINTSVILLE, WEST LIBERTY WINS AWARD

Front row, left to right—Mrs. O. T. Dorton, Mrs. R. M. Wilhite, Jr., and Rufus P. Thomas, Industrial development representative of Kentucky Power Company; Second row—W. E. Garland, Mrs. Harry Campbell, Mrs. Herman Wheeler, Mrs. W. A. Johnson, Mrs. W. E. Garland; Back row—Harry Campbell; R. M. Wilhite, Jr., Mayor R. B. Preston, of Paintsville, Herman Wheeler, W. A. Johnson and O. T. Dorton.

Front row, from left—Mrs. Helen Price Stacy, associate editor of the Licking Valley Courier, Mrs. Marvin Ruth; Mrs. Boyd Blair, president of the West Liberty Garden Club, Mrs. May Rose, president of the Morgan County Women's Club, Miss Gay Easterling, secretary of the West Liberty Imbler of Morgan county; Police Judge John Hilton, of West Liberty; Mayor Alvin Evans, of West Liberty; and chairman of the West Liberty Improvement Association; and Rufus P. Thomas, Industrial development representative of Kentucky Power Company.

The towns of West Liberty and Paintsville have won first place awards in their respective classification for achievement in the Better Eastern Kentucky contest for 1956 sponsored by Eastern Kentucky banks and the Kentucky Power Company.

In presenting the \$100 checks to Mayor Alvin Evans, of West Liberty, and Mrs. R. M. Wilhite, Jr., chairman of the community development committee in Paint-

sville, Rufus P. Thomas congratulated the representatives on winning in competition with 12 other communities in Eastern Kentucky. Mr. Thomas said, "These communities won because they had submitted reports of their achievements and it showed the results of people working together for the common good." While this was in recognition of the first year's achievement in the Better Eastern Kentucky con-

test, it also sets off 1956 as a year when 12 achievement entries were submitted to the Kentucky State Chamber of Commerce's Community Development Program. In the past only three entries came from Eastern Kentucky communities. "Our region can well be proud of its forward-thinking towns," and for the coming year of 1957, we can look for renewed interest in this same direction," Mr. Thomas said.

LACKEY

A two-week revival meeting is scheduled to begin Sunday, March 31, at the Lackey Freewill Baptist Church. The Rev. Lloyd C. Pike, of Maxking, Ky., will do the preaching. Services will begin at 7:00 each evening. Everybody is welcome. Come and bring someone with you. Mr. and Mrs. Jack Wicker and children, Jackie and Karen Lynne, spent the week-end at Mt. Sterling visiting Mr. and Mrs. P. D. Lafferty and other friends.

The first Kentucky State Fair was held at Churchill Downs, Louisville, in 1802.

BOARD ADOPTS NEW LAW

Frankfort, March 28—The Kentucky Workmen's Compensation Board has adopted a new regulation regarding depositors. Jennings Kearby, executive secretary of the board, said beginning April 13 deposits to be used in claims before the board must be filed with the board within 10 days after a case has been ordered submitted for decision.

Homemakers Slate Meet At Paintsville, April 24; Three Speakers Scheduled

Big Sandy Homemakers will hold its annual District Federation meeting in Paintsville, April 24. The morning session will be held at the Mayno Methodist church and the afternoon meet at the Country Club.

"A luncheon will be served, reservation must be made by April 12, and you can do this by notifying Dixie Trapp, home demonstration agent and giving her your money," it was said at the local Extension office.

Speakers of the day will be Miss Viola Hansen, chairman of Home Economics Extension Program; Mrs. Virgil Grayson, president of Kentucky Homemakers; and Dr. James W. Gladden, of the University of Kentucky. Group singing and entertainment will also be a part of the program.

"Floyd county is in the Big Sandy District and when homemakers are organized they will take part in Big Sandy Homemakers activities. This is a grand opportunity to learn more about homemakers as well as make new friends and enjoy good fellowship," Miss Trapp says.

BULL CREEK

Miss Jean Marshall visited in West Virginia last week.

Harold R. and Pearl Gene Ousley, of Michigan, visited their mother here recently.

Mr. and Mrs. Marvin Marshall were in Louisiana last week.

Mr. and Mrs. Alvin Taylor and son, of Prestonsburg, visited Mrs. Ralph Marshall recently.

FOOD COSTS

Food costs in the nine states of the northeast region of the United States are higher than in any region, due to less home-food production and because more meals are eaten away from home.

Funeral Rites Conducted For Columbus Miller, 58, Brother of Floyd Woman

Funeral services were conducted Sunday, March 16, at 11 a.m., at the home of Blake Mullins at Dorson, Pike county, for Columbus Miller, 58, who died the preceding Thursday at Tyro, O. He was a brother of Mrs. Colbert Greer, of Wheelwright.

Mr. Mullins was a son of the late Mr. and Mrs. Wilbur Mullins. He was a retired sawmill operator. He resided in Pike county most of his life but at the time of his death had been living in Ohio two months.

Surviving sons and daughters are Orestus Mullins, of Tyro, Blake Mullins, of Dorson, Mrs. Jewell Sharp, Fort Clinton, O., Mrs. Fay Barnsbury, Sandusky, O., Mrs. Alka Barnsbury, Boston, Mass., and Mrs. Patty Barnsbury, New Washington, O. Two brothers and sisters surviving are Melvin and Nelson Mullins, both of Dorson, and Mrs. Cauby Greer, in Ohio. Twelve grandchildren survive.

Officiating at the last rites were Rev. Boyd Smallwood and others. Burial was made in the Phillips cemetery under the direction of Baker Funeral Home.

WAIT!

Be sure you know who you are voting for in this coming election. Make it the election that will mean most to you and your county.

I have served the public for 20 years, and it means a lot to know how to treat people. I don't think I have one enemy in this county anywhere. I am the son of the late Rev. George Patrick, of Garrett, Ky., and was born at Prestonsburg and lived there for 10 years. I was raised on Beaver Creek. I am not bringing my record in this matter, although I did spend two years overseas serving my country.

Your help and support will be highly appreciated.

Let's Use Good Judgment

In an effort to press some point furthering my candidacy for Representative from our District for the next two years, I will say there are many things which I could say I do not stand for—but I think it best to drop a thought or two about what I DO stand for.

ENDORSES ROBERTS

I take this method of asking my friends to support Dewey Roberts for county judge, as I am in the hospital and don't have a chance to see you. I have known him most of my life and I know him to be an honest and sober man. I believe he is well qualified for this office. He made a good magistrate in our district. He was always ready and willing to help the people. When he was magistrate he would always have an officer at church to keep the peace and protect the public. He built many roads in our district while he was magistrate. When you help him you are helping me also. I will certainly appreciate anything you may do to help him.

DRIFT

WOMAN'S CLUB NEWS

The Drift Woman's Club met March 18 at the home of Mrs. B. A. Reed.

The education department presented Lloyd Stumbo, principal of the Drift school, who held an informal discussion on educational needs.

It was announced that a "get acquainted" party will be held March 25 at the Turner-Elkborn office building. Each member may invite guests.

Members and guests present were Mesdames F. I. Jones, Ben Martin, Lloyd Stumbo, C. J. Cahill, William Hoffman, W. L. Reed, G. W. Showers, B. A. Reed, E. F. Reed, Joe C. Moore, Howard Sticker, Glenn Ward, Bobby Hall, H. D. Hewlett, Harold Parks, I. M. Ward and Misses Ruby Akers and Myrtle Rakes.

About 8,500 students of agriculture are expected to graduate in June from land-grant colleges and universities, and about 15,000 job openings are awaiting individuals related to agriculture, says the USDA.

Peanuts, which are on the plentiful food list, are rich in protein and B vitamins, and are a good source of energy.

Kentucky Democrats' largest annual fund-raising affair, the Jefferson-Jackson Day dinner, will be held April 27 at Lexington.

LAST RITES FOR STAPLETON

Funeral rites were conducted at home Thursday of last week for Bill Stapleton, Edell merchant, who died at Our Lady of the Way hospital, Martin, the preceding Sunday. The services were conducted by Rev. Paul Dorsey and burial was made in the family cemetery at Offutt, Johnson county, under the direction of Hall Bros. Funeral Home.

FPC. SAMMONS LANDS

Luzon, P. I.—Marine Pfc. Royce A. Sammons, son of Mr. and Mrs. Robert Sammons of Martin, Ky., landed on the Philippine island of Luzon March 25 with the 3rd Marine Division in the largest ship-to-shore operation held in the Far East since World War II. The week-long exercise started when the assault landing force hit the beach in small landing craft. Other units hoped over simulated beach defenses in helicopters to capture key inland positions.

ENDORSES ROBERTS

I take this method of asking my friends to support Dewey Roberts for county judge, as I am in the hospital and don't have a chance to see you. I have known him most of my life and I know him to be an honest and sober man. I believe he is well qualified for this office. He made a good magistrate in our district. He was always ready and willing to help the people. When he was magistrate he would always have an officer at church to keep the peace and protect the public. New Magazine Debut Planned

Frankfort, March 21.—A new monthly magazine, "The Commonwealth," will be published by the State Legislative Research Commission. It was announced by Lt. Gov. Harry Lee Waterfield, chairman.

The first issue is tentatively set for June 1 and will have an initial circulation of 5,000 copies, Waterfield said.

Ed Easterly, press secretary for Gov. A. B. Chandler and Waterfield, and former chief of the Kentucky bureau of the Associated Press, will edit the 24-page monthly.

"This publication will give a factual account of the various activities of our state government, for the benefit of legislators, state, county and local officials and the general public," Waterfield said. It will be distributed free.

Waterfield said he believes "the publication will be the first and only one of its kind in the United States."

TO PROVE TO YOU WHAT THE EXPERTS ALREADY KNOW ABOUT AMERICA'S NUMBER 1 ROAD CAR!

Drive the Champ!

First the automotive writers said, "Keep your eye on Pontiac . . . this one's a sleeper!" Then the California Highway Patrol chose Pontiac after three days of grueling competitive tests of six of America's top performers. Next, in the top stock car event of the year, NASCAR's 160-mile Daytona Grand National, Pontiac outperformed everything on the beach including super-charged and fuel injection cars!

NOW IT'S YOUR TURN—Slip into that roomy driver's seat. Gently nudge the accelerator and feel Pontiac's barrel-chested 347 cu. in. Strato-Streak V-8 go into action. Put its instant response and Precision-Touch Control to a traffic test. Choose your own rough stretch and feel it disappear under Pontiac's Level-Line Ride. Then head for the open road and give that deep-breathing power plant a chance to show its mettle in the fresh open air. Man—you've got a champ on your hands for sure! And to make it even more fun—there's a chance to win a free Pontiac! Just follow the instructions at the right—you may be a winning driver!

HERE'S ALL YOU DO!

- 1 Go to your nearest authorized Pontiac dealer during April and test drive the 1957 Pontiac.
- 2 Fill out the official entry blank and deposit it with your dealer. That's all there is to it!

SUBJECT TO LOCAL, STATE AND FEDERAL REGULATIONS.

FLOYD STUDENTS AT CANEY IN "JULIUS CAESAR" ROLES

Piopa, Ky., March 28 (Sp.) — A cast of student-actors in Caney Junior College presented Shakespeare's Julius Caesar last night to an audience of fellow-students, faculty members and people of the community, in the Ouchling Hall auditorium here.

The play was directed by Michael Cowdry, Caney College instructor, who has a rich experience as supporting actor in Broadway and other stage productions.

Floyd countians in the cast included Earl Lawson, John Calvin Martin, and James Turner, of Ouchling; Mrs. Jona Dorsey, of Wayland; Walker Dingus, of Hill; Blaine Kiser, of Martin; Irvin Hall, of Bevinville; Kenneth Bader, of Bryar; Arla Isaac and Larry Gibson of Wheelwright.

Vernon Hunt and Ronald Hurt, of Bulan; James R. Caudill of Hill; Ray Biggerstaff, of Whitesburg; Barbara Mason, of Whitesburg; Billy Tripplett, of Moulter; and Darrell Smith, of Hindman, were other members of the cast.

Julius Caesar was played by Earl Lawson. He was both vigorous and realistic in his presentation of imperial will, and in his death at the Roman Forum, on the "Ides of March" 2000 years ago.

"The lean and hungry" Cassius was given a stirring portrayal by John Calvin Martin, who accurately revealed the evil genius guiding the conspirators through murder to their own doom.

Larry Gibson delivered the funeral oration of Mark Antony, defending the dead Caesar, and turning the tide of public opinion against the "honorable men" who murdered him.

Vernon Hunt played the leading role of Brutus, nearest friend and most brutal slayer. His scene with Mrs. Dorsey, who played Portia, wife of Brutus, was one of the most effective of the play.

Darrell Smith as the "Beware the Ides of March" soothsayer, Ray Biggerstaff as the Boy, and Arlin Isaac of Cimma the Poet, all contributed bit parts of amusing excellence.

This Shakespeare play is in Caney Junior College's tradition of presenting student performances of outstanding drama, operettas and mountain plays. Mrs. Lloyd and

Jigging Takes 'Em

Billy Meade, of Lexington, was not present—he had gone back for more—when this photo of the five bass he caught at Dewey Lake last Wednesday was snapped. Next day, Meade and his brother, Donald Lee Meade, of Prestonsburg, landed three more to go with these. Largest of his catch weighed in at 7 1/4 pounds, and the largest here shown weighed six pounds. Ford Nunnally, of the Division of Parks, is pictured holding Meade's first day's string. These and other sizeable catches at Dewey during the last two weeks were taken jugging.

MORE STATE HUNTERS VICTIMS OF ACCIDENTS

Frankfort, March 25 (Sp.) — Kentucky's hunters were more careless during 1956 than in 1955, according to a mortality sheet prepared by the Department of Fish and Wildlife Resources.

The report shows 15 persons lost their lives during the past hunting season as compared with 12 the previous year. Late returns may increase the total, officials said.

The report showed a decrease in the number of fishing deaths, from 16 in 1955 to four in 1956.

Guns did not account for all hunting fatalities in the State. Ten of the 15 persons died from gunshot wounds, one from burns, two drowned, and two died after suffering heart attacks. Six hunters were killed by their own guns and four were killed by hunting companions.

Governor A. B. Chandler has announced plans for a merit system covering professional engineers in the State Highway Department.

WALLACE REVERTS PRO BID

Grady Wallace, national South Carolina basketball scoring ace from Mare Creek, will pass up a \$100,000 contract to play for the National Basketball Association to play for an AAU team, possibly the Peoria Cats or the Phillips Oilers.

Wallace also rejected a bid to play with the College All-Americans in the World Series of Basketball against the Harlem Globetrotters so that he could retain his amateur status.

LAKE FEATURED

Fishing thrills on Lake Cumberland are described in the March issue of Outdoor Life magazine.

The article, "Wugby Wug Bass", relates the experiences of amateur Ervin A. Bauer and guide Andy McIntyre while fly-fishing and casting in the Monticello area.

In his story, Bauer says: "Cumberland is the most beautiful of America's best fishing holes for the next few years. Its fishing cycle is on the upgrade as is in similar impoundments elsewhere." In regard to the foregoing statement, we doubt if Mr. Bauer could have possibly included Dewey Lake.

WILLIAMSON PRIZES

COACHES' ASSOCIATION

Russell Williamson, president of the Kentucky High School Athletic Association, in speaking to Floyd county coaches at their annual banquet last Saturday night, praised the harmony that prevailed among coaches in Floyd county and the work of the entire group in promoting goodwill and understanding in the various county high schools.

HUGHES STARS FOR U. OF K.

One of the bright spots in the University of Kentucky's annual Spring Blue-White football game was the performance of Prestonsburg's Lowell Hughes, who led the Blues to a 25-20 victory.

The former Blackcat ace whipped three touchdown passes completing five of six passes for 114 yards. His payoffs pitches were for 41, 23, and 11 yards each.

Pvt. Parker Participates in Marine Maneuvers

Luzon, P. I. — Marine Pvt. Donald R. Parker, son of Mr. and Mrs. Owen Parker of Wheelwright, is attached to the First Marine Aircraft Wing taking part in the first major U. S. Military maneuvers to be held in the Philippines since World War II.

Combined air, sea and land units of the Japan-based 1st Wing, the 3rd Marine Division from Okinawa, and the Pacific Fleet are staging the large-scale landing exercise on the east coast of the Philippines' Luzon Island during Mar 17-April 8.

Total forces involved includes 400 aircraft, 90 ships and an estimated 60,000 Navy and Marine Corps personnel.

Two Floyd Students in All-A Bracket

Two Floyd students achieved the perfect all-A standing during the past semester, deans of the various U. K. Colleges announced recently.

Maintaining a perfect 4-point standing are: Shirley Stumbo Vanderpool, of McDowell, and Alice Martin, of Garret.

ALL STATE TIME

The annual Kentucky high school all-state basketball team will be announced Sunday in the Courier Journal. No doubt the 15th region will have at least two players on the team.

Duke Mayfield has been named superintendent of Kentucky Dan Village State Park, Gilbertville, effective April 1. It was announced by Mrs. Ben Kilgus, director of Kentucky's park system.

AUTO DECATHLON PROVES—

CHEVY'S THE CHAMPION OF THE ROAD!

Drive the car that proved its superior steering, braking, cornering, road-holding and passing ability in the world's first Auto Decathlon, a ten-way test of the driving qualities you want.

Chevy proved it's the champ in the world's first Auto Decathlon, certified by the NATA. It showed how beautifully it handles, how quickly it recovers from emergency situations—like quick turns and stops—which can cause a car to lose its even-keel stance on the road.

Chevy waltzed through some of the roughest challenges ever laid down to measure how a car behaves when the going is tough. And it beat all other cars in its field and all the higher priced cars tested, too!

That's Chevrolet's sure and solid going for you. Come in and drive the winner!

MAYTOWN

MRS. WILEY, HOSTESS
The Maytown W. S. C. S. held its regular monthly meeting at the home of Mrs. H. M. Wiley last Tuesday evening. Mrs. Charles Patton was co-hostess and Mrs. Arnold Casady, program leader.

This month's program was on the "Church and Mental Health." Others taking part were Mesdames Elizabeth Allen, Edward Robinson, Charles Patton, Henry L. May and Mrs. Wiley.

The president, Mrs. Howard Ramey, called the business meeting to order by calling for the secretary's report which was read and approved. The treasurer's report was given by Mrs. Henry L. May, and other committees made their reports.

Mrs. Thomas Patrick read a letter of thanks from the African Mission for the ten dollars this Society sent for payment on a tractor.

Mrs. Henry L. May and Mrs. Arnold Casady were appointed to take inventory of the kitchen equipment in the church and let the members know what supplies are needed for a kitchen shower.

Mrs. Wiley was appointed to get an estimate of the cost of repairing the church basement floor and other minor repairs. It is hoped that the cost of this will be paid for by the flood relief which is available to churches which were damaged by the flood.

The church will serve the safety dinner for Kentucky West Virginia Gas Company at the luncheon on April 12. The committee appointed for the last dinner was asked to make the necessary arrangements.

Thanks was extended to Mrs. Ramey, who bought, made and hung drapes in the church kitchen.

It was suggested the Society give Mrs. Becky May a fruit show.

Mesdames Eugene Hopkins, Arnold Maggard, Becky, put their anniversary money in the bank, and Mesdames Arnold Maggard, Jones Tallent and Raymond Hopson their birthday contributions.

Members were reminded that the Treasure Chests are due at the April meeting. Mrs. Patrick dismissed the meeting with prayer.

The hostesses served refreshments to the following: Mesdames Elizabeth Allen, Arnold Casady, Tharmal Click, Rebecca Hayes, Raymond Hopson, John Ison, Arnold Maggard, Henry L. May, Baisden Osborne, Thomas Patrick, Charles Patton, George Patton, Howard Ramey, Edward Robinson, Jones Tallent, Rebecca Harmon, L. E. Roberts, and Misses Linda Sue Maggard, Kathy Patton, Kaym Burchett, Linda and Becky Roberts, and guests Mrs. Wiley Jones, Mrs. James Thomas and Mrs. William Everett.

MRS. TALLENT, HOSTESS
Mrs. Jones Tallent, president, held its regular monthly meeting, Thursday evening at the home of Mrs. Jones Tallent. Mrs. Elizabeth Baker was guest-speaker.

She reported the members entertained with her talk on the trip she made to Hawaii last summer. She also told of the plans for a Book Fair to be held April 19.

Following the program, Mrs. Theodore Gibson, president, called the business meeting to order by calling for the Nominating committee's report. They nominated Mrs. Jones Tallent, president; Mrs. L. E. Roberts, vice-president and Mrs. Miles Gibson, secretary-treasurer.

Mrs. Jones Tallent presented to the out-going president.

The major part of the business meeting was taken up with plans for the Spring Fashion Show which will be given April 20 in the luncheon room. Mrs. Gibson appointed committees for all jobs.

The theme of this year's show will be "Our Fair Lady". It is hoped to have an added attraction to this year's event.

At the close of the meeting, Mrs. Tallent served refreshments to the following: Mesdames Roland Burchett, L. E. Roberts, George Patton, Theodore Gibson, Miles Gibson, Ed Stevenson, James Allen, Edward Robinson, Paul Borders, John Ison, David Reed and Frank Stewart.

A Book Fair will be held in the Maytown school luncheon room, Friday, April 19. The primary purpose of the Fair is to exhibit to all teachers, principals, librarians, students and to the public a fine collection of books. But, because there are no book stores in this locality, individuals may place an order at the Fair for any of the 800 books which will be on display. Any business, club or individual may make a money contribution to buy books for the school library. Books thus bought will each have a gift-plate showing the name of the donor.

The public is cordially invited to attend the Fair from 7 to 9 in the evening. Clem Martin, of the Floyd County Board of Education, and two librarians will be on duty at all times to give any assistance needed.

M. V. F. MEET HERE
The Methodist Fellowship held its subscription meeting here Monday night at the church with the Maytown young people in charge of the program, assisted by Mrs. Thomas Patrick. Those on the program were Janet Harmon, Dan Rowland, Linda and Doris Maggard, Foville and Pam Combs, Bonita Mall, Charlene Patton. There were 102 members present, representing churches from Prestonburg, Allen, Martin, Community Church of Wayland and Betty Layne.

Congratulations to Bethel Gayheart and Alroy Click who were united in marriage at the Maytown Methodist Church, Saturday evening, March 23.

Mrs. Ivan Bouch is visiting her mother and sister in Pennsylvania.

Mr. and Mrs. Shelley Terry are the parents of a daughter born March 16 at the Beaver Valley hospital. The babe has been named Harriett Elaine.

Local Man Enlists In Army, Announced

Floyd Arnold Mann, a graduate lawyer, and a former clerk in the office of Representative Carl D. Perkins, enlisted in the U. S. Army recently. Mr. Mann, 29, of the local U. S. Army recruiting station, announced last week.

The enlistee has attended upper Canada College at Toronto, Canada, holds a Bachelor of Arts degree from the University of Kentucky and attended George Washington University in Washington, D. C., where he earned a degree in law this past year.

Mann, who is the son of Mrs. Tom Allen Cope of Prestonburg, was enlisted under the Army program which permits qualified volunteers to enlist in the Army Reserve for a period of six years, two of which must be active duty. He will report for active duty July 9 due to the fact that individuals enlisting under this program can be deferred for a period of 120 days after acceptance.
