This Town... That World

WATCH THAT MATCH! Forget all the years required for a tree to grow to maturity...

TIMES DO CHANGE Joe Creason tells the story of the two farmers who conferred in a Campton "Loafer's Glory" after returning home from marketing their tobacco.

One agreed that the new Mountain Parkway was great but he sorter objected to paying that toll. "Only thing I didn't like," said the other, "was them derned crooked Blue Grass roads."

REMINDER We are reminded that race-consciousness has become so keen that the time is at hand when, between scratches, you aren't to breathe maledictions upon the chiggers. It's chiggers.

No fishing yarns, no stories of personal frustration to delight partners in misery. For the last 12 days Dewey Lake, as far as I am concerned, might as well have been the Great Slave Lake.

While a man is working, he keeps looking at the clock to see what time it is. After he retires, he looks at the newspaper to be certain what day it is.

DISQUALIFIED HIMSELF I still am having dog troubles. My friend, who (which?) should have been mute instead of deaf, continues to pay this office visits at least twice a day, sometimes three or four. Which means that, if I'm to go to the courthouse or into any place of business and not be attended by the dog and his insistent scratching at the door, I must cart him home.

The other day, when he crawled (See Story No. 2, Page 6)

\$50 REWARD IS OFFERED

Committee of 500 Makes Search Warrant Offer; Handbills Distributed

The Committee of 500, organized here with the avowed purpose of working to eliminate bootlegging in Floyd county, has distributed handbills offering a reward of \$50 for each search warrant leading to the confiscation of intoxicants in the county.

The handbill gives these specific instructions: "Swear out a search warrant for a person whom you know is engaged in bootlegging and tell the issuing official that you are claiming the reward."

"Following notice to us that the search warrant has resulted in the confiscation of intoxicants, a member of the Committee of 500 will immediately contact you and pay the reward in cash."

PERKINS ASKS FISHTRAP JOB STEPUP MADE

Lack of Flood Control Damaging, Even Though No Flood, He Emphasizes

Congressman Carl D. Perkins has written Col. Harrington W. Cochran, district engineer, U. S. Army Corps of Engineers, Huntington, West Virginia, asking if it may not be feasible, from the standpoints of both economics and engineering, to complete the important Fishtrap Reservoir ahead of the scheduled completion date of late spring of 1968.

"Expediting this project," Perkins wrote, "is not simply a matter of dollar signs and decimal points—as far as I am concerned, each month that this dam is not finished and in operation poses a serious economic hardship for Pike county and the greater Big Sandy community. This is true, even though the area does not experience a flood between now and Fishtrap's completion date, because efforts to attract and expand industry in the area cannot be fully successful with the ever-present threat of flood damage."

The dam at Fishtrap, located about 2,000 feet below upper Pompey Branch, will be approximately 200 feet high, with its outlet a tunnel through the mountain. The Corps of Engineers proposes to start work on the outlet next summer. Construction of the embankment for the dam is slated for early 1966.

Before all this is done, however, road relocation must be coordinated with the acquisition of lands. Land acquisition is now about 50% complete, and road construction must be essentially complete before work is begun at the dam site, in order to preserve access to lands and properties in and adjacent to the reservoir. Colonel Cochran pointed out that U. S. 480 must be relocated and in service before construction of the dam commences, with mail and school bus routes also important considerations. He anticipates that most of the highway work will be completed this winter.

Negotiations with the C. & O. Railway Company regarding the relocation and disposition of its Levisa Fork line are in the final stages, and agreement is fully expected in time for dam construction to proceed without delay. In fact, said Col. Cochran, lack of an agreement with C. & O. has caused no delay in the schedule for completion of the project.

Also to be relocated are 11 existing schools which would be affected by the Fishtrap reservoir. The Corps of Engineers proposes to relocate all these schools, including the Ped's Creek high school, and consolidate them into one high school and two (See Story No. 5, Page 6)

RURAL HEALTH MEET SLATED

Gov. Combs To Speak At Luncheon; Profiles Of Progress Scheduled

The 11th annual Rural Health Conference, sponsored by the Kentucky Rural Health Council, will be held Thursday, October 24 at the Jenny Wiley State Park, it was announced this week. Roy Penix, area health educator, of Inez, will preside.

Dr. G. W. Schneider, of the University of Kentucky and chairman of the Kentucky Development committee, will speak on "A Program of Area Development for Kentucky," following greetings from Dr. George P. Archer, mayor of Prestonsburg and recently installed president of the Kentucky Medical Association. Gov. Bert Combs will address the conference at the noon luncheon.

A profile of health services, resources and needs in the Northeastern Kentucky region, will be presented by Dr. Charles C. Rutledge, Hazard, Dr. Lee Moore, Whitesburg, and Russell Moore, Pikeville. Health services in the area will be discussed by Dr. Russell Hall, Prestonsburg, and community water systems and sewerage disposal will be commented on by Ralph C. Pickard, Frankfort, Mrs. Lola Belle Blair, Morehead, and Eugene Lopez, Pikeville.

Before noon a panel, composed of Robert L. Johnson, University of Kentucky Medical Center, Mayor William Hambley, Pikeville, O. T. Dorton and Dr. Maurice M. Hall, both of Painsville, will discuss community approaches to health as part of a total development program.

William Padon, of the Kentucky Farm Bureau Federation and secretary of the sponsoring council, will preside at the afternoon session. Closing of the conference will be followed by a tour, led by Dr. Archer, of Prestonsburg's new water and sewer plants.

CHARGE PRATT WITH MURDER

Garrett Man Held In Death of Woman; Hearing Set Monday

Grover Pratt, Garrett mine mechanic, who is charged with the willful murder of 18-year-old Phyllis Vanhoushe Sears, of Melvin, will be given examining trial Monday morning.

Miss Sears died at 4:55 a.m. Saturday at the Williamson Appalachian Regional hospital of rifle bullet wounds suffered outside a Garrett restaurant last Thursday night.

Pratt, a man of about 45, was brought to jail here, the night of the shooting, by his brother, John Pratt. Examining trial was originally set for Wednesday but was postponed when Pratt's attorney could not be present.

The woman was shot five times as she sat in an auto, preparing to return to her home on Abner Fork, near Melvin.

Edith Collins, a cousin of the victim, said Miss Sears was shot while holding a baby in her arms. With the first shot she dropped the infant to the floor of the car, and this act may have saved his life, she said.

Pratt has made no statement concerning the slaying.

The Collins woman told Commonwealth's Attorney Hollie Conley, County Judge Henry Stumbo and Deputy Sheriff Sam Hale that the shooting came, almost without warning. She said Pratt was seen approaching the car with an object in his hand but that it was not known the object was a gun until he threw open the car door.

"Grover, don't do that!" her cousin screamed, she said. The shooting began, immediately thereafter.

She said she and her cousin were picked up at Melvin by Sonny Caudill that day, and that they drove to the mouth of Stone Coal at Garrett. En route, Caudill and Miss Sears together drank four or five beers.

Pratt and Miss Sears had been keeping company, she said, but the latter had broken off the relationship. Then, while in the restaurant at Garrett, she said her cousin again told Pratt that she wanted no more to do with him.

Then, she continued, she, Miss Sears and Caudill went to the car, ready to leave. Caudill went back inside for cigarettes, and while he was gone Pratt appeared and began firing. (See Story No. 3, Page 6)

UFG, UNION OKEH TERMS

Of 3-Year Contract; Joint Announcement Of Ballot Poll Made

A three-year labor contract was signed Monday by representatives of four locals of the Oil, Chemical and Atomic Workers International Union and of the United Fuel Gas Company and affiliated companies. The previous contract expired, September 30.

This joint announcement was made by James S. Phillips, president of the companies, and Samuel J. Lopez, international representative of the union.

"A ballot conducted among the members of four locals resulted in approval of terms agreed upon by union and company representatives. They began negotiations on August 5 and reached agreement on September 19.

"Terms in the new contract include: "A three-year contract extending to September 30, 1966.

"Wage increase of 3% on October 1, 1963; 3.5% on October 1, 1964, and 4.5% on October 1, 1965—a package averaging 29 cents per hour over a three-year period.

"Increase in shift differential effective October 1, 1965.

"Four weeks' vacation after 20 years of service, effective in 1966.

"Changes in contract language having to do with holidays, seniority, job posting and bidding, arbitration procedure and certain other changes in contract language."

About 1,725 production and maintenance employees make up the bargaining unit. The four locals are located at Clendenin, Kenova and Beckley, W. Va., and Gala, Va.

The companies, in addition to United Fuel, are Atlantic Seaboard Corporation, Columbia Gas of Kentucky, Inc., Kentucky Gas Transmission Corporation and Virginia Gas Distribution Corporation.

Things Happen on No. 6... Ten-Year-Old Goble Boy Scores Hole-In-One At Dewey Course

Ten-year-old James Dewey Goble, son of Mr. and Mrs. Dan Goble, of Prestonsburg, is perhaps the youngest golfer to score a hole-in-one on a regulation golf course.

He achieved the feat last Friday on the No. 6 green of the Jenny Wiley State Park course, where golfing history was written earlier this year as two local golfers, Joe Wheeler Burchett and Arthur Hughes, scored holes-in-one on consecutive shots. Incidentally, young Goble was playing with the same Mr. Burchett when he hit a 7-iron onto the green and the ball hopped, then trickled into the cup.

The sixth hole at Jenny Wiley is 122 yards in length.

The Prestonsburg boy, who is a pupil in the fifth grade here, is no novice who was just plain lucky. He scored a 37 Sunday on the par-34 course, winding up with a birdie on the 294-yard ninth hole with a 62-foot putt.

JOHNSON MAN LOSES APPEAL

\$8,000 Judgment Given Against Former Sheriff In Long-Standing Case

Failure of a former Johnson county sheriff to complete the sale of property and make due return of an execution issued from the Floyd circuit court against a defendant in a 23-year-old damage suit will cost the former official or his surety in excess of \$8,000 on a judgment which originally amounted to only \$2,000.

The Kentucky Court of Appeals last week affirmed in all details except the matter of interest the claim of Willard Hicks, of Langley, against Harry McKenzie, former Johnson sheriff, and his surety, the Employers Liability Assurance Corporation.

The original action was filed by Hicks against Hurst W. Pack and was the sequel to a motor vehicle collision at or near East Point. The \$2,000 Floyd court verdict was won by Hicks in 1940.

But it was not till 1953 that Hicks learned of Pack's whereabouts. It is claimed. At that time he noticed as he drove through Salsersville a business bearing Pack's name. Later, Pack filed a petition in bankruptcy, and court records here showed the execution was never received from Sheriff McKenzie, although he claimed he mailed it to the Circuit Clerk here. McKenzie's defense relied mainly on the claim that an order of the referee in bankruptcy stayed the sale of execution proceedings.

Immediately after McKenzie's term of office expired, the suit against him and his surety was filed in 1958, asking under KRS 426.350 not only the \$2,000 called for in the original execution but also 30% penalty with interest.

The Floyd circuit court entered judgment against McKenzie in the amount of \$5,401.05, plus \$1,620.33 penalty. This the higher court affirmed. But the appellate court opinion held that interest from March 1, 1954, return due date of (See Story No. 6, Page 6)

SINGING MEET SLATED

The Floyd County Singing Convention will hold a meeting Saturday evening, October 12 at 7:30 at the Community Methodist Church, it is announced. Guest singers from Ashland will be on the program. The public is invited to hear this outstanding group, it was said by Rev. LeRoy Sanders, pastor.

HI HAT MAN AWARDED REEL DEVICE PATENT

Richard Newman, Hi Hat mining equipment specialist, has been awarded a patent for a slip ring for a power cable reel that will contribute greatly to mine safety, it is claimed. It is his second patent on a mechanical device, the first being an improved lift for power motors.

Newman, who has worked on mining equipment since 1936 and who is a former Weeksburg garage owner, says the device will prevent an electrical current from making an arc, which is the cause of many mine explosions.

The letters patent notes: "Heretofore there have been devised numerous types of reels for electrical cables which are of such nature that the reels may be rotated and the electrical connection between the wire reeled thereon and a fixed electrical source maintained. However, in the prior slip ring construction the slip rings have normally been of such a nature that they cannot handle the desired load in many instances. In a slip ring construction it is necessary that the proper amount of contact surface be available at all times and at the same time the slip rings must be free to rotate with respect to each other. This is a problem which has heretofore not been properly solved."

BOARD MAKES JOB CHANGES

Teachers, Bus Drivers, Substitutes Employed; School Properties Sold

Personnel changes and employment were the chief matters of business transacted by the Floyd County Board of Education at its regular monthly meeting here Saturday evening. All of the members were present.

Three regular teachers were employed upon the recommendation of Superintendent Charles F. Clark. These were Darcus Music, Forks of Bull school; Ruth Worland, Brandy Keg school, and Delores Cohen, Garrett consolidated school. The Board accepted the resignation of Donald Cooley, Forks of Bull school. He is returning to college. Mrs. Lillian Conley was transferred from the Brandy Keg school to the Prestonsburg grade school. Leaves of absence were granted for the remainder of the school year to Anna Laura May and Goldie M. Lykins.

Emmett Hamilton was employed as school bus driver in the Betsy Layne area and the following substitute bus drivers were named: Hershell Conn, David Crisp, Ned Bush, Chuet Martin, Ernest DeCoursey, Palmer Martin, Herbert Casey and Luke Ratliff.

Superintendent Clark was authorized to advertise the Branham's Creek rural school building for sale. The Hunter school building was sold to G. D. Conn on his high bid of \$411.00 and the Hunter school grounds were sold to Ernest Boyd, who bid \$1,200. The bid of \$669 submitted by Romeyn Dyer for the Corn Fork school building and grounds was accepted by the Board.

A contract was awarded to the Prestonsburg Building Supply Co. to furnish maple flooring for the Prestonsburg and Maytown gymnasiums. The price was \$280 per thousand. Contract was given to the Central School Supply Co. for 300 folding chairs.

The Board accepted title to the old NYA pre-fab building on Lake Drive that had been serving as a vocational training shop. It was ordered that the building be dismantled and reerected on the old Prestonsburg gym site. Cost of the work will be partially assumed by the grade school P.T.A.

George Lee Shannon, Board architect, was instructed to design the proposed Wheelwright elementary school building for electric heat, with alternates for gas and coal heating. The proposed building will have 22 rooms. Emergency substitute teachers named, upon the recommendation of Clark, were Shelby Draughn, Katherine Moore, Virginia H. Benedict and Phyllis Stanley.

OFFICERS NAB MUD-CR. MAN

Whiskey Law Violation Is Alleged; Pleads Guilty, Fined, Jailed

Chester Newsome, who was arrested on Mud Creek Saturday by State Trooper Elmo Allen and charged with reckless driving and illegal transporting of intoxicants, pleaded guilty to both charges in quarterly court here Monday. He was fined \$10 and costs on the driving count and \$20, plus a 30-day jail term, on the liquor charge. A peace bond of \$500 also was asked.

It was said that the state trooper confiscated about six cases of beer from the vehicle Newsome was driving.

Others booked at the county jail during the week, charges lodged against each and names of the arresting officers follow:

Roberta Jane Shepherd, drunk driving, arrested by Policemen Booth and Salyers, of Prestonsburg; Edward Wright, Jr., no operator's license and operating a vehicle under the influence of alcohol, booked by State Trooper Larry Hutton; Curt Akers and Ed Whit, operating a vehicle while under the influence of alcohol, arrested by State Trooper D. H. Goble.

WOMAN SLAIN BY HUSBAND

Pikeville Businessman Believed Insane, Said; Is Under Observation

Mrs. Essie Cross Moore, 55, Pikeville nurse and former resident of this vicinity, was knifed to death at 8:45 p.m. Saturday at her home by her husband, B. E. (Buck) Moore, 65, well-known Pikeville businessman and a former Pike county magistrate.

The husband, believed insane, is under guard at the Methodist hospital, Pikeville. He is described as incoherent and unable to answer questions asked by officers. Moore apparently is under the delusion that he is travelling in an automobile, attendants said.

Body of Mrs. Moore was found by neighbors after her husband appeared on the porch of their home, his clothing blood-stained, and his demeanor that of a demented man, officials said. He was seen running through the house and onto the porch, shouting as if preaching, his arms waving wildly.

Soon thereafter, he was removed to the hospital. No charge has been lodged against him.

Body of Mrs. Moore was found on the living-room floor, in front of a couch. Her throat had been cut. The murder weapon, it was determined, was a pocket-knife.

The Moores were described as an ideal couple. Mr. Moore had driven to the Pikeville Appalachian Regional hospital where his wife worked (See Story No. 4, Page 6)

Ky. W. Va. Gas Company Wins 3rd Place in Safety Contest

Colonel Hugh Waggoner, superintendent, Missouri Highway Patrol, presenting Mr. Thomas Lemaster, of the Kentucky-West Virginia Gas Company of Pittsburgh, Pennsylvania, third place award for winning the gas industry division, large gas utility group, of the A.G.A.-N.S.C. National Fleet Safety Contest.

St. Louis, Mo., (Sp.)—Col. Hugh Waggoner, superintendent, Missouri Highway Patrol, recently presented awards to 18 pipeline and gas companies which won the National Safety Council-American Gas Association Fleet safety contest.

The awards were made at the 15th annual A.G.A. Accident Prevention Conference in the Chase-Carr Plaza Hotel. The awards are given to companies making substantial reductions in the number of accidents involving company motor vehicles.

The following were winners in various size categories: Very large gas companies: first, San Diego Gas & Electric Co., San Diego, California; second, Kansas-Nebraska Natural Gas Co., Inc., Phillipsburg, Kansas; third, Pioneer Natural Gas Co., Amarillo, Texas.

Next Monday Deadline To Apply for Ballots For Absentee Voting

Monday, October 17, is the deadline for the filing of application for absentee ballot to be voted at the November 5 election, it was pointed out this week by County Clerk C. Ollie Robinson. Application post-marked on that date, or earlier, is acceptable.

The County Clerk pointed out that applications for absentee ballots must be notarized and sent to the Clerk's office by mail. Those eligible to vote by absentee ballot are full-time students, including students of vocational, beauty, business, nursing and similar schools; members of the armed forces and federal employees and their spouses. State employees, however, are not eligible.

BOARD DENIES FAIR MIDWAY

P.T.A. Resolution Accepted by Members; Objections Are Noted

The Floyd County Board of Education accepted a resolution Saturday of the Prestonsburg Parent-Teacher Association that asked for a denial of the grade school playground to future midway operators. It was voted unanimously. The parent-teacher group had the resolution voted September 12 following the recent Floyd County Fair.

The resolution, in a recital of facts antecedent to the action, noted that the playground was occupied during the fair by the Gooding Amusement Company. It asserted that "occupation of these premises constituted a hazard to the safety and well-being of the school children, prevented the use of the playground by these children for recess and play periods, interfered with the general operation of the school in certain instances, created a condition that was not in the best interest of health and sanitation and deposited an unusual amount of trash and debris on the playground, which had to be cleaned up."

The group recommended that the midway for the fair be established elsewhere.

Superintendent Charles F. Clark, in commenting on the action of the Board of Education, said:

"This action must not be interpreted as a lack of interest in the fine work done by the fair or the fair board. The Board of Education could not ignore the P.T.A. in the matter. We do hope that the fair board finds another location for its activities and that the fair will be continued."

Leaders of the annual fair expressed the opinion that the action of the Board would not bar the exhibition next year, although there might be a difficulty in finding an acceptable place for the amusement company.

It was pointed out that the amusement company shares receipts with the fair board and this partially bears the cost of promoting and staging the exhibition.

ARA FUNDS GO FOR EXTENSION OF PARKWAY

12-Mile Project Seen As Aid on Extension All Way To Letcher

An authorization of \$2,300,000 by President Kennedy of extra federal aid to match an equal amount provided by the Kentucky Highway Department for the construction of a 12-mile section of the Mountain Parkway extension from Campton to Van Cleve will result in expediting construction of this project all the way to Whitesburg, Commissioner of Highways Henry Ward said this week.

President Kennedy last week approved the allocation of Area Redevelopment Administration funds for this project at the request of Kentucky. This is the first grant of extra federal money of this character in the nation.

Ward said that the Highway Department is moving to advertise the Campton to VanCleve project as quickly as possible. The project will include grade, drain and surfacing at an estimated cost of \$4,600,000. The Commissioner said that it is probable that the Department will advertise for two contracts so that the project can be broken into two sections to expedite the construction, with the objective of having the contract completed and open to traffic within two construction seasons.

The grant resulted from months long efforts by Governor Bert Combs and Commissioner Ward, which included several trips to Washington. They had the strong support in their efforts of Franklin D. Roosevelt, Jr., Under Secretary of Commerce, and Chairman of the President's Appalachian Regional Commission, and Representative Carl D. Perkins, Congressman for much of the Eastern Kentucky area.

"This is a significant victory for Kentucky and marks achievement of another first by the state in the Department of Highways program," Ward said. "The people of Kentucky are entitled to know that their foresight in approving the \$90,000,000 bond issue in 1960 made this development possible.

"Because Kentucky has \$57,000,000 of this bond issue still available, Kentucky was in a position to match any federal funds that could be obtained for highway work," Ward said. "No other state in the Appalachian area was in this position. The project approved by President Kennedy was selected because it will make a major contribution to the development of the entire area, but Kentucky could not have taken advantage of this extra money if the people had not approved the bond issue in 1960."

Under existing arrangements the various funds available from the Federal Government could not be spent on such a road because the traffic count is not high enough to justify it, so it took a policy decision by President Kennedy to make the grant possible.

"But now," Ward said, "the federal grant of \$2.3 million in effect means that the state may spend at least that much in rebuilding another section of this important artery leading to Whitesburg."

Construction of the 12-mile section will close an important gap—from Campton to VanCleve by way of Bethany and connecting with an already completed section from VanCleve to Jackson. At the Campton end the highway connects with the Mountain Parkway, already in use from near Winchester to Campton and due to be opened another 33 miles from Campton to Salsersville this year.

The new project will be a portion of a freeway extension to the toll road, an extension which in time will stretch all the way to Whitesburg. A second freeway leg of the Parkway will extend from Salsersville via Prestonsburg to Pikeville and beyond.

Ward said Kentucky has been plugging for this type of grant for years to spur the Eastern Kentucky economy.

"Although this project is described as a demonstration project, I feel it will break the ice for further such allocations," Ward said.

ILL AT MARTIN

Bernard Baldrige, of Martin, district junior conservation supervisor, has been seriously ill this week at the Beaver Valley hospital, Martin. His condition was later reported improved.

KFWC President Speaks At District Convention; Handicrafts Awards Made

"The great purpose of our organization is to make a difference in the lives of others," said Mrs. Adron Doran, president of the Kentucky Federation of Women's Clubs, speaking Saturday to 127 clubwomen at the annual Seventh district convention at the May Lodge, Jenny Wiley State Park.

"We work for nothing, but get much," continued Mrs. Doran. She stressed again her theme of last year, "Expanding Horizons Through Quality Service," with this year's emphasis on "Education As A Tool." She explained to her listeners that they must "know, grow, go and glow." She emphasized that clubwomen's responsibility is to family, community, and self, in that order.

Clubwomen from David, Drift, Jenkins, Lackey-Garrett, Wayland, Magoffin County, Maytown, Pikeville, Prestonsburg, Wheelwright and Whitesburg Women's Clubs, both senior and junior divisions, were present.

Mrs. Chester Smith, governor of the Seventh district, presided. The invocation was given by the Rev. W. D. Jagers, of Prestonsburg. Music was furnished by Mrs. Chalmers Frazier and the Patsy Teenagers from David during the morning session, and in the afternoon by Mrs. John D. Evans, vocalist, accompanied by Mrs. Lee Shannon at the piano.

During the afternoon session Mrs. B. H. Jarman, wife of the incoming president of Pikeville College, spoke on "Education in the Far East." Mrs. Jarman and her husband recently returned from South Korea, where since January, 1963, she had taught English and he had served as special adviser to the Minister of Education. Mrs. Jarman explained briefly the struggle South Korea has had economically since the Korean War and spoke at length of the scarcity of schools and the difficulty of South Korean children to receive an adequate education.

Near the close of the meeting awards were presented by Mrs. Regina Mayo, member of the State Arts and Crafts Guild, serving as judge, to various individual clubwomen whose handicrafts had been displayed during the sessions. She also presented first prize award to the Lackey-Garrett-Wayland Woman's Club for its poster depicting the projects of the 1962-1963 club year. Second place went to the Pikeville Woman's Club. David Woman's Club, the hostess club, took first place in attendance, and Whitesburg Woman's Club first place in distance traveled to the convention.

A number of state officers and chairmen were present and spoke briefly, explaining the various projects to be undertaken in the different departments during the club year.

New Seventh district officers elected for the coming year are: Miss Lena T. Porter (Pikeville Woman's Club), governor; Mrs. James Adams, (Prestonsburg Woman's Club), junior representative.

The invitation for next year's convention was extended by Drift Woman's Club.

VISITOR FROM ARIZONA

White-Clarke Nuptials Solemnized on Oct. 5th At Presbyterian Church

Mr. and Mrs. Rainley White are announcing the marriage of their daughter, Linda, to Mr. Ronald Clarke, son of Mr. and Mrs. Orville Clarke, of Pikeville, on Saturday, October 5, at 1 o'clock in the afternoon at the First Presbyterian Church on Third Avenue, the Rev. T. W. Chisholm, pastor of the church, performing the double-ring ceremony.

Preceding the ceremony, a program of nuptial music was rendered by Mrs. E. R. Burke. The bride, given in marriage by her father, wore a street-length suit of tan and brown soft wool, with matching hat of velvet, trimmed in mink, with short veil, her shoes and accessories of matching tones of tan and brown. Her shoulder corsage was of white orchids.

Her attendant, her sister, Mrs. Raymond Hall, wore an ensemble of green wool with harmonizing accessories. Her corsage was a purple orchid. Mr. Paul Blackburn served the groom as best man.

Following the ceremony, a reception was held in the church parlour. The bride's table, covered with an ecru lace cloth, was ornamented with the three-tiered wedding cake, topped with roses. Mints, nuts, and punch were served by her sister-in-law, Mrs. Bobby Ray White, at the punch bowl and her sister, Mrs. Raymond Hall, at the cake plate.

Mrs. Clarke, a graduate of Prestonsburg high school, is employed at the Kentucky Employment Service office here. Mr. Clarke is associated with the Internal Revenue Department. After a brief honeymoon in central and northern Kentucky they will return to their positions here. They will reside in Paintsville.

ELECTRIC DOORS

Evangelist Winn T. Barr

Do you remember how you felt the first time you went through an electric door that opens without pushing? "Surprised" is the word for it! As you intend and expect and proceed to go through the door, it opens. What if you didn't start through? Would it open? No, it opens only as you expect to go through.

Now Jesus said, "I am the door." And that is the kind of door He is—He opens when you believe; He responds to faith. As you expect to go through, He opens. You have to start out. If you believe you can't get through, and if you don't proceed, you won't. You'll not be saved until you step out believing that He will save you. Launch out, count on Him. He remains closed to those who stand still. Plan now to attend the

No. 2 in Sermon Series Scheduled at Church

The second of a series of sermons on "Varieties of Religions" will be given Sunday at the First Presbyterian Church by the pastor, the Rev. T. W. Chisholm. It is entitled, "Religions of the Hereafter," and will deal with those religions based upon the old Jewish conception of the re-establishment of an earthly kingdom by Jesus Christ, and also those religions which try to pacify man with regards to his hardships in this world by promising him pie in the sky if he is good, or scare him into being good by the fears of torment either in this world or a place of correction or atonement for his sins.

These conceptions will be compared with the true scriptural conception of the kingdom of God as shown in the teachings of Jesus Christ.

High School Band Day Set At Eastern State; Morning Parade Slated

Richmond, Ky., Oct. 8 (Spl.) — Sixty high school bands and approximately 4,000 musicians will participate in the third annual high school band day Saturday at Eastern Kentucky State College.

This probably will be the largest single gathering of high school bands ever held in Kentucky.

Highlight of the day's activities will be a morning parade through downtown Richmond and a mammoth halftime show at the Eastern-Middle Tennessee football game Saturday afternoon.

The bands are expected to arrive on the Eastern campus at 9:30 a.m. The parade will begin at 10 o'clock, and a rehearsal at Hanger Stadium will follow.

The musicians, their directors and sponsors, will be guests of the college for a noon luncheon.

The halftime show will feature four selections played by the massed bands, under the direction of Nicholas J. Koenigstein, Eastern band director. Koenigstein's "Marching Maroons," precision 110-member marching band, will join the school-boy bands in both the parade and halftime show.

The football game pits two of the defending Ohio Valley Conference champions in an important conference game. Kickoff time at Hanger Stadium is 2 p.m.

The high school band day program is under the direction of John L. Viekers, executive assistant to President Robert R. Martin.

Floyd county high school bands and their directors expected to attend are: Betsy Layne, Mrs. Billie Osborne, Prestonsburg, Franklin Honeycutt.

Turkey giblets make a tempting sandwich spread. Here's a USDA suggestion for making six sandwiches. Combine the following: one cup finely-chopped giblets; one tablespoon each finely-chopped pimento, onion and green pepper; one-fourth cup finely-chopped celery; one-third cup finely-chopped sweet pickles; one-third cup mayonnaise or thick salad dressing; salt and pepper. If desired, put vegetables and giblets through food chopper. Then mix all ingredients.

Miss Patton Pledged To Alpha Delta Pi

A Floyd county coed, Brenda Lynn Patton, has pledged to a University of Kentucky sorority. After a week and a half of rush parties, the students listed their sorority preferences, and on pledge day 325 women were accepted into the 12 U.K. sororities.

Miss Patton, daughter of Mr. and Mrs. Chester Patton, of Allen, was pledged to Alpha Delta Pi sorority. A graduate of Prestonsburg high school, she is now a sophomore arts and sciences major at U.K.

NATIONAL FOREST PLANNED FOR AREA BY COMMISSION

The development of a new \$32 million national forest in Eastern Kentucky is among the recommendations to be submitted to President John F. Kennedy by the Appalachian Regional Commission, John Whisman said Thursday last week.

He also predicted legislation calling for a major federal investment to finance redevelopment of the economically depressed Appalachian area will be introduced into the 1964 Congress.

Whisman said that despite news stories from Washington that no new programs will be included in the 1965 federal budget, the "single exception will be the Appalachian-development program."

Whisman's comments on the work of the President's Appalachian Regional Development Commission were made at the opening session of a two-day meeting of the Kentucky Development Committee at Cumberland Falls State Park.

Whisman is executive secretary of the commission. It was established April 9 by President Kennedy to prepare a comprehensive development program for the nine-state Appalachian area, a region of chronic unemployment and immense social problems.

He told Kentucky development leaders the recommendations of the commission will principally involve highways, water and physical and human resources.

Among recommendations Whisman said are likely to be submitted to the President are:

1. The Army Corps of Engineers and other federal agencies to accelerate construction of authorized flood control and water resources development projects.
2. The establishment of a special water resources development program for the Appalachian region.
3. The building of a major trunk highway system throughout the Appalachians.
4. Special human resources programs aimed at solving the region's high unemployment rate.
5. Programs in marketing and research that are intended to expand mining and agricultural opportunities.
6. "Major effort" to develop the "Appalachian Mountains as the (recreational) playground for mid-America."

grade schools. This is a work scheduled for next summer.

The Fishtrap project was begun in early 1962 and is estimated to cost \$36 million.

John W. Flannagan Reservoir on the Pound River will be in full operation for flood control purposes during the coming flood season. This dam, though not completed, held the flood crest at Pikeville last March two feet below the peak it would have reached, had the dam not been there. "In fact," said Colonel Cochran, "the overall damage prevented throughout the basin (the Big Sandy) by this uncompleted project, in that one flood alone, was greater than the overall cost of the project."

The North Fork of Pound Reservoir is under construction and its completion slated for December, 1965. The Haysi Reservoir on Russell Fork is being reactivated from its previous deferred status to permit detail project planning, and will eventually join the string of Big Sandy flood control reservoirs of which Dewey Reservoir in this county is the oldest.

Flood control for the Big Sandy is not so far away, but Congressman Perkins—and thousands of those who live in the valley—would like to see it moved real near.

One of the rifle bullets passed through the woman's chin and neck, partially covering the spinal cord and paralyzing her. She was first taken to the McDowell hospital and later was transferred to Williamson. She was shot in the chin, neck, arm and leg.

Authorities said they were told Pratt had been drinking heavily. He and his wife, parents of several children, are divorced, and Pratt has been occupying bachelor quarters in the second story of the building in front of which the shooting took place.

The victim was a daughter of Gladys Collins Spradlin, of Melvin. Surviving, in addition to her mother, are two brothers, Danny Ray and Herman Collins, and her grandparents, Mr. and Mrs. Henry Collins, all of Melvin.

Funeral rites were conducted at 10 a.m. Tuesday from the home of Henry Collins, ministers of the Regular Baptist Church officiating. Burial was made in the Tackett cemetery at Melvin under direction of the Merion Funeral Chapel.

HEAVYWEIGHT

I must frisk myself oftener. I've lost a clipping somebody handed me on the street, the other day. I believe it, too, was from Joe Creason's column. As I recall it, it had to do with the doctor who was an ardent fisherman and was called away from the lake to deliver a baby. This chore done, it came time to weigh the baby, and he had no scales but those he used to weigh his catch. And the baby weighed 33 pounds and 10 ounces.

AS ADVERTISED

Sometimes the ad writers trip over themselves as they extol the merits and desirability of their wares. There was the catalog which might have reached this desk, the other day, had not the waste basket at the postoffice been handier. It had a red-hot price on used typewriters and a rather eloquent description of their worth. But this line stiffened my sales resistance: "They won't last long."

JARMAN INAUGURATION FOUNDER'S DAY PLAN

Founder's Day (today, October 10) at Pikeville College will be an epoch-making occasion in the history of the 74-year-old institution, with the first presidential inauguration in its history, the dedication of a new student center, and the conferring of a doctorate upon a prominent Korean minister.

Although Dr. B. H. Jarman is the ninth president of the college, he will be the first to be officially inaugurated into the office. Coming to Pikeville College from George Washington University, Dr. Jarman assumed the presidency of the college in February of this year. He will deliver the inaugural address in Faith Chapel at 2:30 today (Thursday).

The new Marvin Student Center, occupied and put into service at the beginning of the present school term, will be formally dedicated at 1:30 on the same day. Containing the college bookstore, the college grill, a recreation center, offices for student organizations and a meeting hall for religious groups, the new four-level

building is named for Mr. William H. Marvin of St. Paul, Minnesota whose financial assistance made the new structure possible.

The Rev. Daniel T. Kim, of Taegu, Korea, will be presented an honorary doctorate of divinity by the college during the inaugural ceremonies. During the period of Japanese dominance of Korea, Dr. Kim was selected from thousands of applicants to attend Doshisha University in Japan, from which he graduated. He attended the graduate school of divinity at Oberlin College.

Children's Aid Group Operates 100 Centers; Low Prices Are Offered

Save the Children Federation, a non-profit and non-sectarian organization, has operated more than one hundred Clothing Centers in or near rural areas of the Southern Mountains for the past 39 years, and in Prestonsburg a SCF Clothing Center is located next door to the Prestonsburg General hospital on First avenue.

Mrs. Martha Miller, the local SCF manager, said that the selected used clothing, sold at low rummage sale prices, is intended for use by families with low incomes. Mrs. Miller also urges local organizations, school and civic officials, or anyone who might wish to assist someone else with their clothing needs, to visit the local Save the Children Federation Clothing Center.

Labor Has Its Enemies, Too!

THE KENTUCKY LABOR NEWS, of Louisville, owned and published by the Kentucky AFL-CIO, in its issue of September 28, 1963, has this to say about Louie Nunn, Republican candidate for Governor:

We have watched Louie Nunn perform, listened to his speeches, searched his record, and find him a sorry candidate!

It was only last year that we observed Louie Nunn sitting against labor as an attorney for the SORENSON COMPANY of Glasgow, Kentucky! We were engaged in an organizing campaign there, and Mr. Nunn helped the company secure the delays and postponements in the NLRB election that defeated the union.

THIS, HOWEVER, IS NOT OUR ONLY BEEF...

Our major complaint IS that Louis Nunn served in this case as co-counsel with JAMES UREY SMITH, JUNIOR, WHO HAS THE DUBIOUS HONOR OF BEING THE ONLY INDIVIDUAL IN KENTUCKY EXPOSED BY THE SENATE RACKETS COMMITTEE AS A "CLIENT" OF THE NOTORIOUS NATHAN W. SHEFFERMAN!

The odor of James U. Smith, Jr. and Nathan Shefferman has been a familiar one in Kentucky labor relations. It speaks ill of Louie Nunn that he sold his legal talent to work with James U. Smith against working men and women seeking job security, decent wages and fair working conditions in Louie's home city of Glasgow!

THIS IS IN DIRECT CONTRADICTION TO LOUIE'S ANSWER TO LABOR'S QUESTIONNAIRE! HE TOLD US—AFTER A SEVEN-MONTH DELAY IN ANSWERING—"I believe in the rights of free collective bargaining and the right to organize."

IF LOUIE NUNN BELIEVES IN COLLECTIVE BARGAINING, WHY WAS HE OBSTRUCTING IT—for a fee—IN GLASGOW LAST YEAR???

PLAY BELFRY FRIDAY

The Prestonsburg Black Cats play at home Friday night for the first time in a month when they meet Al Vipperman's Belfry Pirates at 8 o'clock.

In the last three away-games the Cats have suffered consecutive losses to Jenkins, Pikeville and Louisa. Individually, tackle Chuck May, halfback Gary Goble, David Miller and Chalmer Howard have all looked good in particular games, but the team has failed to get a good combined effort from every player.

Gary Goble, a diminutive junior halfback, raced 81 yards for the Black Cats' lone touchdown in the Louisa game, and this was the longest run by a Black Cat back in the past five seasons. He personally gained 161 yards on the ground.

Belfry is sporting a 3-3 mark and spilled M. C. Napier, 38-0, last Saturday.

Following the Belfry game, Prestonsburg will play host to Whitesburg next Friday.

Leonard Meeks, who has won the Eastern Kentucky regional golf meet for the past two seasons and also the Paintsville Country Club Invitational tournament, is a starting halfback on the football team. The 17-year-old junior scored two touchdowns last week against Morgan County as the Tigers rolled to their fifth consecutive win, to remain the only undefeated football team in the Eastern Kentucky area.

Hazard's senior speedster, Butch Green, has played in three games against Ashland in the past three seasons, and the Tom Cats will be especially glad to see him graduate. In 1961 as a sophomore, Green scored four touchdowns as Hazard won, 40-0. Last year as a junior, in a 20-20 tie, Green scored twice, and this season in leading Hazard to a 26-25 victory, he sped 42 yards for one touchdown and gained over 100 yards.

The eyes of Eastern Kentucky football will center in Jenkins Saturday night, when the Hazard Bull Dogs come in for an important regional and conference battle. Jenkins was the last team in the league to hand Hazard a loss, and that was in 1957; however, the Bull Dogs are expected to win again. But Jenkins will probably win the conference and regional title, since Hazard suffered three paper losses.

Wheelwright high will be at home to M. C. Napier at 8 p.m. Friday in its first home game in three weeks. Gary Goble was named the Player-of-the-Week in Francis Stores' weekly award. With several new rule changes in basketball set for this season, the game is expected to last from 30 to 45 minutes longer than 50 coaches and officials attended the 15th region rules clinic in Pikeville, Monday night. Three Floyd county schools will open their basketball seasons, the last week in October.

Little League Gridders Start New Season Here; Boosters Club Sponsors

Little League football, sponsored by the Prestonsburg Boosters Club of more than 200 members, opened the 1963 season, October 1. W. O. Goebel, Jr. has been elected Little League commissioner.

Purpose of the league is to provide a fall recreation program for pupils from the sixth through the eighth grade and to promote the high school team here. Approximately 30 boys who participated in the Little League program in past years are now playing freshman or varsity football for the Prestonsburg high school team.

Coaches and players follow: Eagles—Head coach, John Grant Anderson; "Such" Burchett, assistant, quarterback, Mike Famin; backs, Eugene Marsillett, Mike Vance, Terry Derosselt; center, Doug Derosselt; guards, Johnny Craft, Gary Ousley; tackles, Henry Clifton, Frank Hammonds; ends, William Hunter, Charles Shepherd; defensive players, Larry Jones, Bill Hodge, Mike Hodge and Greg Stumbo.

Colts—Coaches Henry Harris, Jr. and Larry Garrett; quarterback, Philip Haywood; backs, Steve Leslie, Dennis Perry, Morgan Joseph, Kenneth Wells, Herbie Salisbury, III; ends, Butch Bradley, Tommy Blackburn, Keith Leslie, Allen Zemo; guards, Ballard Plummer, Bill Hall, Larry Stone; tackles, Larry Lyons, Tommy Blackburn, Tommy Leslie; defensive players, Larry Collins and David Harris.

Browns—Coaches, Edil Branham and Wheeler Branham; players, Jerry Kinzer, Bobby Edwards, Don Holbrook, Harold Hammons, Paul Chaffins, Charles Edgille Wright, Jerry Hall, Bennie M. Branham, Gary Wright, Thomas Derosselt, Will Marsillett, Ronnie Martin, Kimber McGuire, John R. Dotson and M. Hatfield.

Cardinals—Coaches, Paul Hughes and Harry Burke; quarterback, Freddy James; backs, Mark Miller, Mike Castle, Greg Boggs, Tommy Bradley, Gary Holbrook, Dickie Jarvis; ends, Darrill Leslie, Larry Shortridge; guards, Steve Patton, Kevin Shannon, John Derosselt, John Paul Leslie, Jimmy Price; tackles, Gary May, Floyd Music, Philip Horn and Glenn Hopson.

Each team is backed and supported by some of the "outest" girls in the grade school. Parents and football fans who would like free Tuesday night entertainment, come out and watch the Little League perform. Two games are played a night and the games are over by 8:10 p.m. each Tuesday.

CATS LOSE TO LOUISA HI HAZARD DOWNS ASHLAND,

Hazard and Jenkins will settle several high school football issues when their teams clash in Jenkins, Saturday night.

The host Cavaliers are already virtually assured of the Eastern Kentucky Mountain Conference crown and Class AA, Region 4, District 2 title, even if they lose to the defending champions.

Jenkins now sports a perfect 5-0 league mark after downing Whitesburg, 20-14, in annexing the Letcher county championship. Hazard's three paper losses eliminated the Bulldogs from any loop or playoff contention.

Hazard added considerable prestige to area football in edging previously undefeated Ashland high, 26-25, last Friday.

The visiting Bull Dogs rolled to a 26-13 lead in the first three periods, then held off a determined fourth-quarter Tom Cat rally to ice the cherished victory.

Halfback Dave Alban ran four yards to score in the early minutes of the fourth quarter, but the run for the extra point failed and Hazard maintained a 26-19 advantage.

Then, with less than three minutes left, Ashland recovered a Hazard fumble at the Bull Dog 28 and marched for the score, with Vic McGuire going the final seven yards. The attempted run for the tying extra point failed and Hazard stayed on top 26-25.

Hazard's t.d.'s came on a 58-yard pass from Kenny Tate to Jimmy Walker, a 49-yard run by senior speedster Butch Green, a four-yard run by halfback Jack Robinson and a 60-yard pass from Tate to end Freddie Hoge. Ashland's scoring in the first period was on an 18-yard trek by Nick Johnson and a one-yard plunge by McGuire.

In other games in the area over the past week-end, Fleming-Neon whipped Pikeville, 20-6, to move up to fourth spot in the Class A third region, second district standings, with a 3-1 record.

Walter Brugh's Paintsville Tigers took undisputed possession of first place in its district by drubbing Morgan County, 39-0, for its third win in regional play and fifth successive of the season. Quarterback Bobby Porter hurled two touchdown passes—one, a 20-yarder to James Tackett; the other for 18 yards to halfback Leonard Meeks. James Smith tallied twice on runs of one and 14 yards; Meeks on a 42-yard jaunt and Porter on a 62-yard punt return.

Elkhorn City won a non-league game over Leslie County, 55-2, for

a 5-1 season to date; Wheelwright bowed to London by a 43-0 count. Louisa tripped Prestonsburg, 14-6. Belfry rolled over M. C. Napier, 38-0—all on Saturday night.

FRIDAY'S SCHEDULE

PROCLAMATION

To All To Whom These Presents Shall Come:

WHEREAS, equality of opportunity has long been one of our most cherished ideals; and

WHEREAS, equality of opportunity for employment should not be denied any qualified person because of a handicap; and

WHEREAS, the handicapped of our state have amply demonstrated their productive capacity when employed in positions suited to their special skills and talents; and

WHEREAS, there are in Kentucky today those who are handicapped but are otherwise qualified for useful work who have not yet achieved equality of opportunity for employment;

WHEREAS, Congress, by a joint resolution approved August 11, 1945, (59 Stat. 530), has designated the first week in October of each year as National Employ the Handicapped Week and has requested the President to issue a suitable proclamation each year;

NOW, THEREFORE, I, BERT T. COMBS, Governor of the Commonwealth of Kentucky, do call upon the people of our state to observe the week beginning October 6, 1963, as

EMPLOY THE HANDICAPPED WEEK

in Kentucky, and to cooperate with Kentucky Commission on Employ the Handicapped in furthering equality of opportunity for employment of the handicapped.

I urge mayors and other public officials, as well as leaders in industry, the press, education and religious groups, labor, civic, veterans, agricultural, women's scientific, professional and fraternal organizations, and all other interested organizations, including the handicapped themselves, to participate actively in this observance.

Done at the Capitol in the City of Frankfort this 30th day of September in the year of our Lord Nineteen Hundred Sixty-Three, and of the Commonwealth of Kentucky the one hundred seventy-second.

And in your list, be sure to include Area Codes along with out-of-town numbers. Just ask for a Blue Book at our business office.

THIS LITTLE PIG WENT TO MARKET BY TELEPHONE! Virginia hog marketers are trying out Tel-O-Auction, a brand-new way of buying and selling livestock. Growers bring their hogs to a market which is the center of a conference type telephone network. At the other end of the line are the buyers. An auctioneer describes the hogs, the buyer bids by giving his number, and his purchases are shipped to him sight unseen. Tel-O-Auction is a buyer's dream, saving the time and money involved in traveling to market.

DEPRESSED AREA FILM SCANS EAST KENTUCKY

CBS News Service is currently filming a documentary for the "Twentieth Century" program series, to be released early in 1964, the purpose of which is to portray the national significance of a depressed area. CBS is using Eastern Kentucky as a focus.

Earle Luby, of the "Twentieth Century" staff, spent several days in Berea last spring, working out of the offices of The Council of the Southern Mountains and attending the Eastern Kentucky Regional meeting at Hindman. The Council gave CBS News full co-operation because of its wish to bring to the nation a true picture of conditions which must be overcome within the region, with the understanding and help of the rest of the nation. In addition to consulting with Mr. Luby, P. F. Ayer, executive secretary of the Council, spent some time in New York working with CBS News staff members and reviewing Mr. Luby's report to the network.

Willard Van Dyke, one of the foremost documentarians in the United States, is directing the program and has as his unit manager Paul Asselin. Both spent a week in Berea and in the mountain region early in September and later were joined by a camera crew. The unit filmed conversations with Mr. Ayer, and with authors Jesse Stuart and Harry M. Caudill, author of the recent book, "Night Comes to the Cumberlands." The Council had the co-op-

Play began Tuesday, October 1. The Eagles were led by Quarterback Mike Faunin, who scored the first t.d. of the season on a three-yard sneak. Then came a good 60-yard run by Eugene Marsillett and the final t.d. of the game on a 4-yard drive by Terry Derossett. The Eagles won over the Browns, 18-0.

The second game of the evening was a fine defensive struggle between the Cardinals and Colts, neither team giving ground during the entire game. It ended in a 0-0 tie.

October 8, the Cardinals and Browns tangled in the first game of the evening. Both teams played through three quarters without a score. Going into the final three minutes, the Cardinals took over on their own 40-yard line, and on a beautiful catch by fullback Mike Castle and a fine pass from Fred James, broke the game open. Castle caught the ball on the dead run and went 60 yards to pay dirt. On the point after James connected again on a pass to the end zone to Shannon to ice the game, 7-0. Outstanding linemen of the game were Thomas Derossett of the Browns and John Paul Leslie of the Cardinals.

The second game of the night was another fine defensive battle between the highly rated Eagles and the Colts. Both teams played on even terms and the game ended in a scoreless tie.

Little League officials: John Ellis, Earl Castle, Lloyd Edwards, E. B. May, Jr. and Hubbard Francis.

WARNING

BE ALERT--BE ON THE LOOKOUT

Just before the November 5th election the Combs-Breathitt administration will scatter SOME gravel on the rural or country roads.

Just before the May primary, they scattered some on the rural roads, and the gravels being something new to the chickens they gobbled them up, wasn't enough to hurt them but they might by accident scatter the gravels in some spots thick enough just before the November election that your chickens might get enough to hurt them.

Put your neighbors on notice to be on the lookout for the yellow gravel trucks so they may be able to pen their chickens until the gravel has been spread but if no more than before the May primary they will be safe to turn them out.

You folks remember how this crowd abused one of the greatest Governors Kentucky ever had, called him a clown, a crook, a cheater, a Chessie cat. Don't be deceived by a yellow truckload of gravel at the last minute.

Also don't be deceived by a job promise now. They are promising everybody and their brother a job.

Vote for the ABC Team.

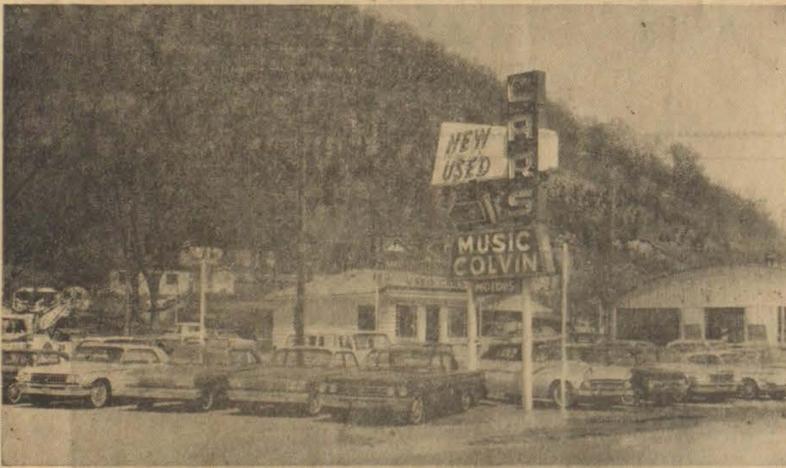

A BIG CLEANING.

A Pictorial Review of East Kentucky

(No. 252 in a Series)

Reverend Fair Allen

It was the dedicated local ministers of Eastern Kentucky who contributed greatly to the religious development of the region during the post-Civil War period. Many of them are remembered with respect and love by the people they served.

Shown here is the Rev. Fair Allen, Regular Baptist minister of Floyd county half a century ago. With him in this photograph taken about 1898 are his wife, Mary Ann Prater Allen and their son, Zeb Allen, who now resides in Ohio.

The First National Bank salutes the old ministers and recognizes the great work they accomplished.

MASTER COMMISSIONER'S SALE

FLOYD CIRCUIT COURT
CR 4179
The Bank Josephine,
A Corporation, Plaintiff,
Vs.: NOTICE OF SALE
Harry Tackett and
Aileen Tackett, Defendant.

By virtue of a judgment and order of sale of the Floyd Circuit Court rendered and entered at the October term, 1963, in the above styled cause I shall proceed to offer for sale at the Courthouse door in Prestonsburg, Kentucky, to the highest and best bidder, at public auction, on the 12 day of October, 1963, at 10 o'clock, a.m., same being the first day of the regular term of the Floyd County Court, upon a credit of six (6) months, the following described property, to-wit:

Lying and being in Floyd county, Kentucky, on the waters of Doty Creek, a tributary of Left Beaver Creek, and described as follows:

Beginning at a marked rock about fifty feet from the county road; then running down the road about thirty feet; then a straight line down the hill to a beech tree at the branch; thence down the hollow to a marked rock at the mouth of the drain; thence running with the drain to the head of the hollow to a marked hickory; thence from the head of the hollow to an oak on top of the hill adjoining the line of Elkhorn Coal Corporation; thence around the ridge to the line of Eli Stumbo; thence down the drain with the line of Eli Stumbo to the main branch; thence up the main branch with Tom Patton's line to a marked rock; thence up the hill to a marked beech; thence up the road at the mouth of the drain; thence up the drain to a little elm; thence around the hill to the beginning.

For the purchase price the purchaser must execute bond with approved surety or sureties, bearing legal interest from the day of sale until paid and having the force and effect of a judgment with a lien retained upon said property as a further security. Bidders will be prepared to comply promptly with these terms.

Given under my hand, this 21 day of September, 1963,

J. B. CLARKE
Master Commissioner
