# FLOYD COUNTIAN

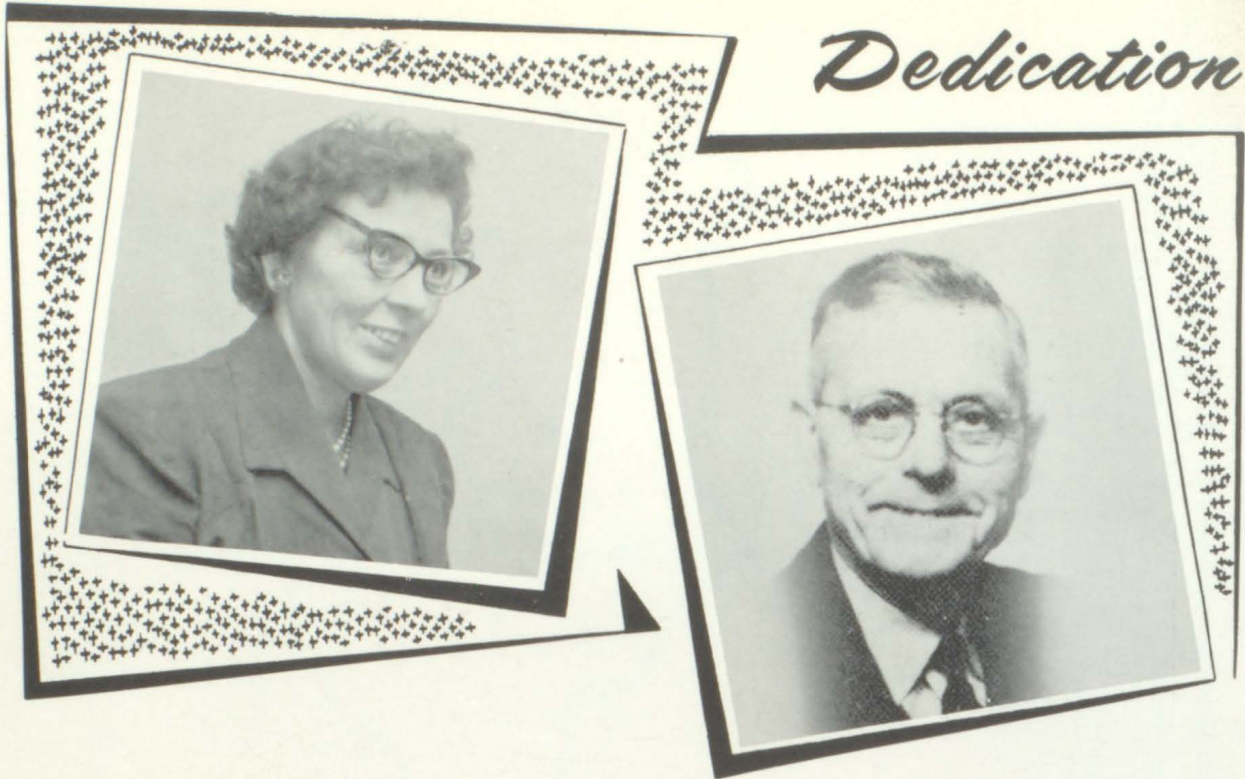

FLOYD COUNTY SCHOOLS

KENTUCKY

1961

## *Dedication*

Because

of their service to the schools of Floyd County as members of the  
Floyd County Board of Education:

Because

of their interest in futhering in the schools of Floyd County:

Because

of the many hours spent in studying and weighing the many educational  
problems of Floyd County:

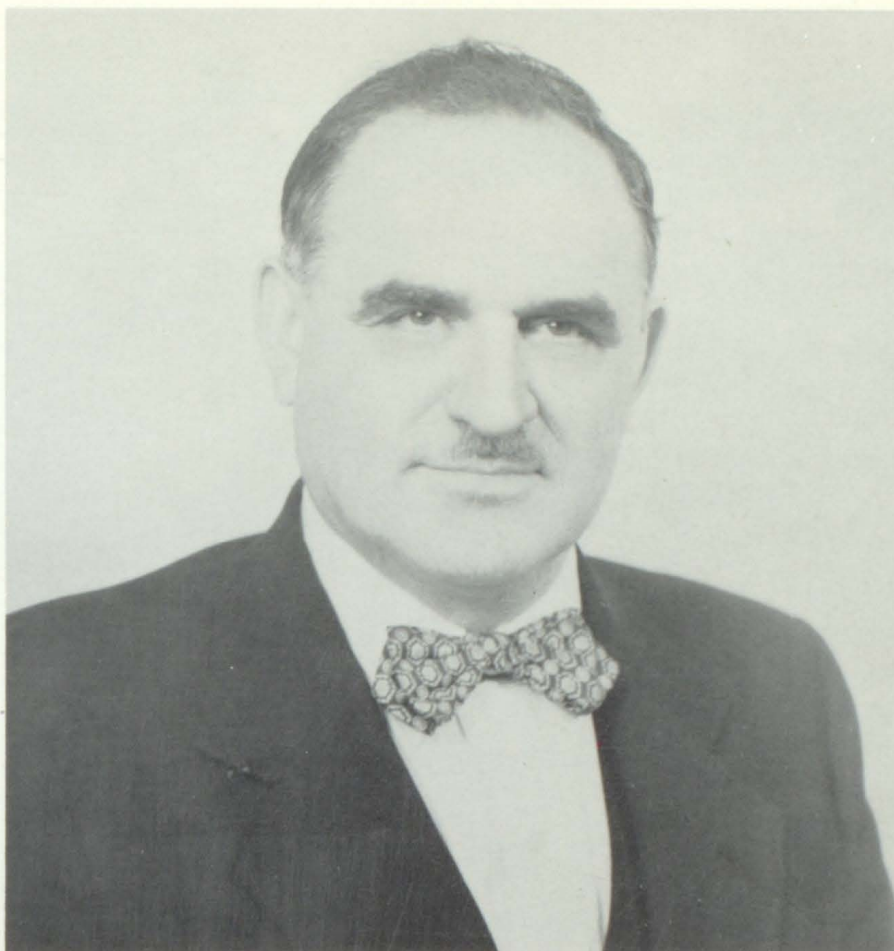

Because

of their calm judgment:

We dedicate this the Twenty-first Volume of the FLOYD COUNTIAN to:

Mrs. Ethel Osborne and Mr. J. E. Campbell.

## *In Memoriam*

Dr. Osborne gave of his time and talents from January 1934 until December 1958, when he was succeeded by his able wife Ethel, toward the uplift of education in his native county. This twenty-four years as board member is one of the longest in Floyd County. As testimony of his sincerity, dedication, ability and hard work he was returned to office by his fellow citizens for twelve of these years without opposition.

It can rightfully be said that "Doc's" family was his first love, practicing medicine was his second, and working in educational matters a close third. His keen wit and deep sense of humor aided many a patient, and it is aptly said that both aided him in serving as a sort of "balance wheel" while working with his fellow members on school matters.

Dr. Osborne taught school and worked in the coal mines to help pay his way through Medical School. During the more than thirty years of his practice, he was known in the medical profession as the one Doctor who had never sent a bill to a patient.

"Doc" believed so strongly in education that he insisted when counseling with parents that education was not a cost but an investment.

In memory all who knew "Doc" will without question agree that he was a loving and devoted husband and father, an ethical, professional, and sacrificial practitioner of his chosen profession, a staunch believer that the most education one can get is not enough, and one who by his very acts and deeds proved to all who knew him that he had a deep and abiding faith in all humanity.

Dr. Osborne was admired, loved, trusted and respected by all who knew him,--because he first gave these to all he knew,--and in full measure.

## *Superintendent's Message*

As this Yearbook marks the completion of another school year, this year 1960-61 marks the beginning of a new era in education in Kentucky. The 1960 General Assembly, in its acts benefiting education, has moved our State within a very short period of time from its position at the bottom of the list to thirty-eighth position among the fifty states.

The far sightedness of the Governor and the General Assembly presents a great challenge to each of us. If we, as school people accept the challenge with the same degree of fearlessness as the state officials have shown and make the same dedicated effort that they have made, then Floyd County, as well as all Kentucky, is destined to move forward to its rightful position. Let us all dedicate our future to accepting this and all other challenges in our effort to make Floyd County the brightest spot in Eastern Kentucky.

Charles Clark, Supt.

## BEAUTIFUL

Beautiful faces are they that wear  
The light of a pleasant spirit there;  
Beautiful hands are they that do  
Deeds that are noble, good and true;  
Beautiful feet are they that go  
Swiftly to lighten another's woe.

Music is the harmonious voice of creation; an echo of the invisible world; one note of the divine concord which the entire universe is destined one day to sound - Mazzini

Let all thy joys be as the  
month of May,  
And all thy days be as a  
marriage day;  
Let sorrow, sickness and a  
troubled mind  
Be a stranger to thee, Let  
them never find  
Thy heart at home!

### FUTURE VOLUNTEER

James "Sonny" Phillips 6-1-185 pound halfback was the Trojan offensive standout this fall. He lead the team in points scored, yards gained and passes caught for touchdowns. He is also outstanding on defense.

"Sonny" is an outstanding blocker, a very hard runner and a very good boy to work with. He was co-captain and displayed fine qualities of leadership. Phillips signed a four-year scholarship with the University of Tenn. He is President of the Sr. Class, a Key Clubber and on All-State Squad.

Major "Red" Hall-6-3-195 Sr. is a coaches epitamy of aggressiveness, desire, and leadership in a football player.

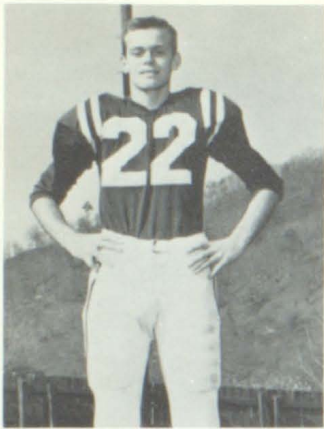

"Red" has signed a football grant-in-aid with the University of Ky. This scholarship includes books, board and tuition for a four year period.

The Trojan Captain was one of the most sought after gridgers in the state. Other honors besides being Captain were; All-State and All-Conference. Major received one of the highest number of votes for the Ky. High School Coaches All-Star game to be played in Lexington in August.

BRUCE BELCHER - 6'6" - A Senior, one of the outstanding big men in the State. District, All-Regional, All-Ash- and Invitational. Our leading scorer with an average of 13 points per game and also a rebounder with an average of 10 rebounds per game. His hook shot is well for a player his size. Practically impossible to stop once he gets behind the basket. This is Bruce's 1st yr. on the Varsity and 2nd as a starter. An excellent student. We expect Bruce to continue his success in basketball as a college player.

MAJOR HALL - 6'3" - Senior - This is Red's 3rd year on Varsity and 2nd as regular. A great leader and competitor, Red is having a great season. Is averaging 13 points per game mostly on jump and hook shots. His offensive play is improving every game. A rebounder, we can always count on him for getting the ball for us. Best defensive player on squad and always draws tough assignments. Red's greatest asset is his willingness to work. Also outstanding in the football and baseball teams. He makes coaching a pleasure.

FORREST LEE NEWSOME - 6'2" - A Senior - This year a great career here for Forrest. Excellent shot as indicated by his scoring record. He scored 17 points in a game as a sophomore, 15 as a junior, and 16 as a senior. Also a jumper. All-District, All-Regional, All-State and Invitational. Is a man on fast break, good passer, ball-handler, also does a fine job of quarter backing out offense and defense. Leading free throw shooter on team for 3 consecutive years. This is Forrest's 4th year on Varsity and 3rd as a starter. Also outstanding in basketball. Honor student. Expect Forrest to also continue his fine play in college.

Is also one of the mainstays in the basketball team.

PERRY TAYLOR - 6'3" - Senior - This is Perry's 2nd year on the team and he is the most improved player on the team. Fine jumper. No delights in getting the ball in his hands. ## Belcher Pours In 41 Points

WHEELWRIGHT, Ky. — All-state candidate Bruce Belcher scored 41 points and pulled down 26 rebounds here Friday night to lead the Wheelwright Trojans to an overwhelming 100-37 victory over invading Pikeville.

Belcher, who shot well over 50 per cent from the floor while connecting on 18 field goals and five for eight from the charity lane, scored four more points than the combined total of the Pikeville team. This brilliant performance was made even brighter by his four starting teammates, each of whom scored in double figures in driving the Trojans to their 17th triumph in 19 games.

Perry Taylor pumped in 20, Jim Rose 15, Forrest Newsome 12, and Major Hall 10 to round out the powerful Wheelwright scoring attack.
