

FLOYD COUNTIAN

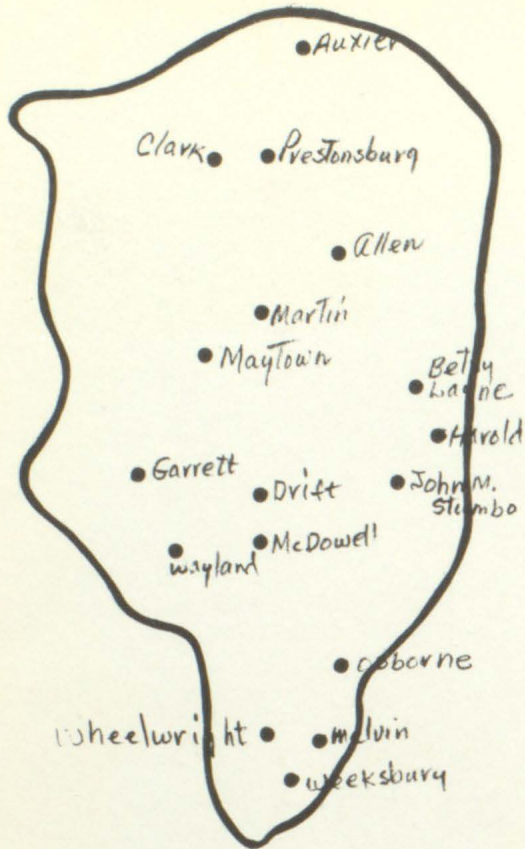

A decorative graphic on the left side of the page depicts a bridge structure. It features a series of parallel lines that converge towards a point at the top left, representing the bridge's cables. These lines extend downwards and then transition into a series of parallel horizontal lines that form a wide, slanted band across the middle of the page, serving as a background for the title.

JOHN M. STUMBO

The committee, which develops the Floyd Countian strives to dedicate each year's book to an individual who has made a significant contribution to public education in our county. This year's book is dedicated to Mr. John M. Stumbo who presently is serving as chairman of the Floyd County Board of Education.

Mr. Stumbo was first elected to the board in 1952 and has served since that time as a very conscientious board member. He served as chairman from 1958 to 1961. In 1963 he was re-elected as chairman for another term.

Floyd County has been very fortunate in having a Board of Education made up of citizens who are willing to serve without pay in the great cause of education of our sons and daughters. Mr. Stumbo has been a Board Member with great vision with much love for all of our youth. The dedication of this year book to Mr. Stumbo is the school system's way of saying, thanks John M. for your long service to the cause of public education in Floyd County. Your reward is small in dollars but knowing you personally we must say we know you feel rewarded in making such a great contribution in behalf of our youth.

SUPERINTENDENT'S MESSAGE

Greetings:

Our fondest hope has been for increased quality in the instructional program in all our schools. We realize that effectiveness in our teaching program is difficult to measure and hard to improve, but we are on the verge of making some great steps forward in this area. Under new federal legislation we expect shortly to add librarians and libraries in areas where they have never existed before. We expect to be able to spend more money and effort in improving our teaching of reading at all levels and thereby improve all instruction in all subject areas. We shall constantly struggle to make Floyd County schools a bright spot in all the state of Kentucky.

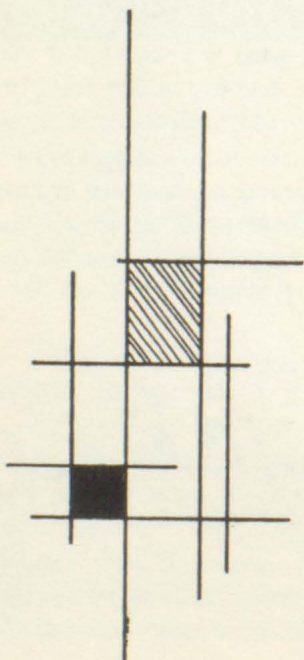

Sincerely,

Charles Clark

Death brings no sting to the ransomed soul,
Whose path has led toward that goal,
In that great land of Paradise,
Where sickness cannot overtake,
Where minds won't fear and hearts won't ache.
There'll be no valleys more to roam,
When a child of God is ushered home.

IN REMEMBRANCE -- GEORGIA ANN HALL AGE-9

You cannot say, you must not say
That she is dead, she is just away!

Think of her faring on, as dear
In the love of there as the love of here;
Think of her still as the same, I say;
She is not dead - she is just away!

IN MEMORIAM

A. B. "AB" HOBSON

Not, how did he die, but, how did he live?
Not, what did he gain, but, what did he give?
These are the merits to measure the worth,
Of a man as a man, regardless of birth.

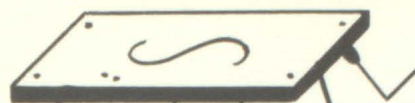

Not, what was his station, but, had he a heart
And how did he play his God given part?
Was he ever ready with a word of good cheer,
To bring a smile, to banish a tear?

Not, what was his church, nor what was his creed,
But, had he befriended those really in need?
Not, what did the sketch in the newspaper say,
But, how many were sorry when he passed away?

MRS. PET SALISBURY WORKS WITH 1ST GRADERS.

Our "Pet" began teaching in 1914 and has served the school system faithfully for 47 years. She is retired now, but occasionally her services are needed as a substitute teacher. Having taught at Hunter, Salisbury, Spurlock, Arkansas, Sizemore, McDowell and Drift, she has influenced the lives of thousands of Floyd County's boys and girls. (An interesting teaching experience was the year she had 80 students in one room!)

To you "Pet" the students and staff of the Drift Grade School respectfully acknowledge your service and say "well done"

MESSAGE

"Miss Fanny" retired after devoting over 40 years to the children of Prestonburg Graded School.

She gave abundantly of herself to a task she loved, her major concern was for the children.

We the faculty and students wish her every good thing for the future.

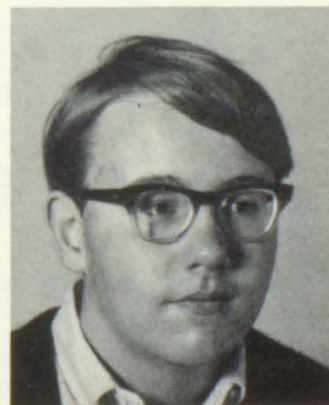

CO-ED-Y

Introduced bill and engineered its passage Through the senate, Honorable mention for her speeches.

Governor

Outstanding performance in the house.

FOREWORD

Being aware of our rich heritage of a fine school plant at Maytown, the 1965-1966 Annual Staff have attempted to delve into the past in theming our annual section "History". We have tried to present a Historiette of the school from its origin of a one-room building in Tobacco Hollow to the institution that we now have and feel is unparalleled in educational opportunities with any other institution of high school level in the country.

Since History is neither more nor less than biography on a large scale, we have attempted to present a biography of Maytown High School. We were limited in our knowledge of the past, but our section does include a brief biography of the past along with a concise pictorial history of the 1965-1966 school year.

As you visit the ARCHIVES of Maytown High, via THE FLOYD COUNTIAN, viewing our pages of memorabilia, resume, historiette, record of progress, memoirs, biography, striking memories, days of yore and other events that are synonymous with history, may your enjoyment equal ours. May our section serve as a memoir to help preserve your memories of the eventual voyage of which M. H. S. 1965-1966 was a stopping port and will be history in so short a time. May it be a voice forever sounding across the centuries.

Indians, wooden plank buildings, dug earthen wells, hoof and horseback transportation, strife, struggle, and toil were all recollected by the Senior citizens who discussed the HISTORY of Maytown Schools. There were, also, the obvious and justifiable feelings of pride and self-satisfaction for a job well done. In the beginning the community of Maytown conceived the idea, Education--Maytown, the town made the school and owned the school.

When the town was first established there were no schools in this area. One of the earliest means of getting an education in this vicinity was discussed by a prominent citizen who told of his Great Grandfather paying \$2.00 for a formal education that consisted of two-hours instruction. A traveling Indian, who had "pitched tent" where the highway marker now reads EASTERN, provided two hours of instruction in vital educational tasks such as adding $5 + 5$, and printing the ABC's.

The first formal schooling at Maytown had a very humble beginning. A small group of citizens, of which Dr. J. H. Allen, the late Townsel Combs, and the late W. A. Stewart, (other names not remembered), were visiting. By chance, the subject of a school entered the discussion. The idea of a school plant was conceived and the citizens present initiated the idea and with the help of other interested and dedicated citizens propelled the project until it became a reality.

The first school was located on private land owned by George May, Sr. and was later moved to "Tobacco Hollow" on the A. J. May, Sr. Estate. Meetings were held every Saturday to raise money to provide revenue for the school. Ladies of the town held bake sales weekly, sold hand-made items, and planned the largest Barbecue ever staged in this vicinity. The town assumed the responsibility for payment of teachers' salaries which averaged \$25.00 monthly.

Older citizens recollections about the first school here include the following: There was no water system or plumbing. The building was heated with coal. There was no lunchroom. Teachers and students brought meals from home and usually ate outside the building. Teachers provided food for the needy children. Motor transportation was unheard of. Students walked, rode horseback and in later years rode the train to and from school. Students who came from a distance found lodgings in homes here. School buses did not operate until 1937. Usually work was the only form of recreation. However, games like marbles, baseball and hopscotch were favorites. Later basketball was participated in but was not a favorite. The only subjects taught were the required ones. The length of the school term was 5 months.

Maytown was one of the few schools which had a high school, and was the second high school in Floyd County. Mrs. Alice Lloyd of Caney Creek Community Center provided teachers for the Maytown School. Mrs. Palmer came from Caney to be the first principal of high school. Prof. Boughton was first principal of new brick school. In later years Mr. V. O. Turner became principal and served in this capacity longer than any other person. Graduates of yesteryear will fondly remember faculty of the past--Prof. Boughton, H. N. Cooley, Mrs. Amy Begley, Mrs. Elizabeth Baker, Mr. and Mrs. V. O. Turner, and Lucretia Wicker.

After a high school building, the vocational building, and gymnasium had been obtained the town rallied to the cause again and under the ambitious leadership of Arnold Maggard, Pres. and Mrs. Viola Stewart, V. Pres. of an organization known as "The Club", the lunchroom project was started. All the people in the Community were enthused over the lunchroom being built. The townspeople helped build the lunchroom and bought all equipment.

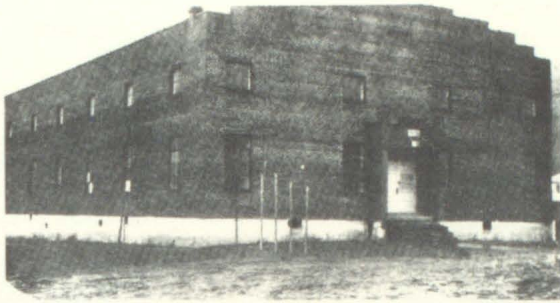

Many changes are wrought by time. The appearances are altered, the essentials remain the same. Maytown of yesteryear differs from that of today only in externals. The courageous community, ambitious citizens, joy, friendliness and the spirit are the same. Our adherence to standards of scholastic excellence have not changed.

STAFF NOTE: Our sincere appreciation to our founders for their forethought. A special token of appreciation to prominent citizens like Mrs. Viola Stewart, V. O. Turner and George W. Allen for relating historical facts, regarding school, to Annual Staff.

DEDICATION

43 Years of Dedicated Service in the Teaching Profession
35 Years--Maytown Consolidated School

It is with the deepest affection and highest respect that we dedicate the Maytown Chronicle of the FLOYD COUNTIAN to Mrs. Lucretia Wicker. Students have found in her a warm, sympathetic friend, a wise counsellor and inspiring teacher. With steadfastness of purpose, she performs her educational tasks. Her rich personality, her capacity for friendship, her loyalty to duty, her wholesome outlook on life, her multiple talents and virtues--these qualities make her a symbol of cultured womanhood and of all that is best in the teaching profession.

Maytown Annual Staff

Unassuming and diligent Lucretia has maintained perennial youthfulness in her dedicated day by day teaching. She has labored long and hard, and our best wishes go with her always. --EDWIN V. STEWART

The Maytown School and community owe Mrs. Lucretia Wicker a debt of gratitude for her many years of dedicated service to the children. --V. O. TURNER

FORMER STUDENTS REMINISCE . . .

"It was a happy time, but we always had to get our work done."

"We always had parties for special times. She always made a fuss over our birthdays--gave us one to grow on."

"Remember when she was a cheerleader for the teacher ballgame?"

"She always played with us at recess."

MAYTOWN SENIOR CLASS HISTORY

One bright, sunny morning in September, 1954, 51 red-eyed boys and girls were gathered in the First Grade room of Maytown Consolidated School. Mrs. Tingue and Mrs. Begley welcomed this group. As we look back on it now, it was really a soft year, since we were allowed to lay on rugs for about fifteen minutes every afternoon.

We then began our climb through grade school. In ways, we were luckier than our predecessors, for we were given the opportunity to take Spanish. We struggled until we were finally the rulers of grade school. Our eighth grade was like a story with a surprise ending. The surprise was that we were all promoted to high school. Mrs. Crisp and Mr. Blevins were our teachers, and our entire class will always remember the way they taught. We all liked them.

As Freshmen, we entered high school a little anxious, but a little afraid of what lay ahead. We all found we had to study harder than before. Jackie Slone was elected varsity cheerleader that year.

The Sophomore year, with Mrs. Ratcliff and Mr. May as co-sponsors, featured Paul Patton and Claudie Webb in the role of star "basketeers". This year will be etched on our memories as a history-making time. When our children study future history books, we will remember anew the day when Mr. Stewart turned on the intercom and we heard the shocking news, "John F. Kennedy, our thirty-fifth President, has been assassinated in Dallas, Texas."

With Mrs. Stewart "Sherman" and Mr. Martin "Peabody" (as we have come to fondly call them) as co-sponsors, we climaxed our Junior year with multi-honors. Kenneth Gayheart became a basketball manager, Lynn Halbert, a new cheerleader, and Debbie Sammons represented our school in the Music Festival Queen Contest, while Rosetta Cooley and Lynn Halbert served as attendants. Paul Patton and Deborah Frasure chalked up magazine salesmanship trophies that year. The Junior-Senior Prom was themed "Oriental Gardens", and we will always remember the fun we had decorating for it.

With the same sponsors, we started our Senior year with fifty-seven in number. As always, we were active in sports with Paul Patton and Claudie Webb starting on the first five, while Jackie Slone, new captain and Lynn Halbert served on the cheering squad. Jackie represented our school in the Big Sandy Bowl and won the title of "Queen". She was selected Homecoming Queen also with three Seniors, Lynn Halbert, Lema Owens, and Debbie Sammons, serving as attendants.

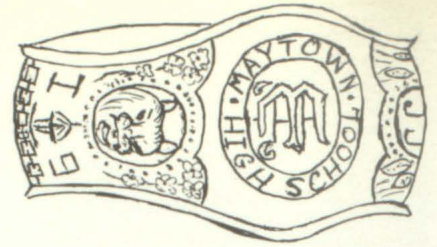

With Mrs. Stewart and Mr. Martin guiding us in our projects and achievements, chaperoning our trip to Washington and New York, and helping us plan our last ceremonial activities, we are now writing the final chapters to our history. Now as we look toward the future, let us utilize our class motto and say, "We have seen today and we are not afraid of tomorrow."

Avid Wildcat
Booster--Sid Bailey leads group in yell!

Bulletin Board Displays along with following "Wildcatisms" have been found in conspicuous places before important games--Courtesy of the BOOSTER CLUB.

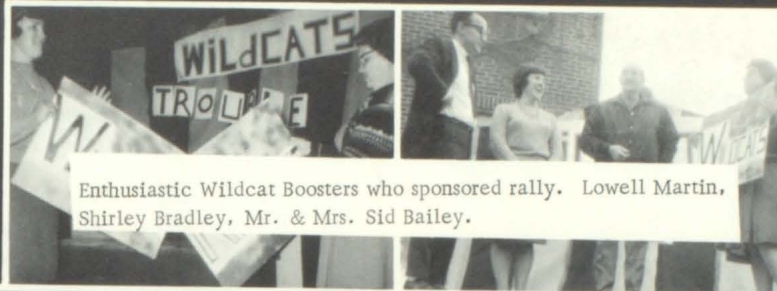

"Confucius says, 'He who beats Martin in tournament, is smart Wildcat.'
"OIL really SPRINGS when the Wildcats start to ring."
"Help Keep Our City Clean! (After the 'Cats tear up the Morgan County Team)
"Help Stamp-Out the Campbell-ites!"
"We've got five boys on our team and they don't just stand around the HALLS."
"Maytown playing Martin is like Red Skelton's silent spot, the Wildcats will be the only ones acting while Martin watches."
New Record--"Help" by the Dare Devils.
"Prestonsburg thinks they can relay play, but its just talk, like Cassius Clay."

County Health Nurse

To you, Jane Wallace, we the teachers and pupils of the Weeksbury Elementary School, wish to extend our gratitude. We looked forward to your coming and hated to see you leave. Through your great concern for us we were able to stay in school. You have been a very faithful and helpful friend. After all who's afraid to take a SHOT? Thanks Again, Jane.

APPRECIATION

The Faculty of The Allen Elementary School extends their deepest appreciation to the following people who volunteered their service in helping to establish our school library beginning September 1964 and continuing to build.

Mrs. Olga A. Preston and Mrs. Goldie Short have supervised the job from the beginning. Mrs. Preston has worked at least twenty five school days cataloguing and repairing books. She is still devoting much of her spare time to finish this library.

May we mention others that helped: Dorothy Harris, Carylton Warrix, Mary Donta, Fae Shepherd, Gertrude Clay, Marie Childers, Valerie Hall, Macel Davis, Shelby Willis, Mary Ann Hall, Dotty Porter, David Preston, Brenda Payton, Deanna Campbell, Irene Campbell and others whose names were not available.

We'll Guarantee Your Electric Heating Installation

Now! We Will Fully Guarantee Any Electric Heating
System We Install!

That means we will contract and take responsibility for
your complete heating job - including any storm doors,
windows or insulation needed.

And, we will, actually guarantee the annual operating
cost of your electric heat! It's true - you can now have
electric heat in your home - whether old or new - and be
assured that your annual heating cost will not exceed our
estimated figure under terms stated in your guarantee
certificate.

Come in or call today for details on this brand new
guarantee opportunity.
