## Honorable Carl D. Perkins

The committee, which develops the Floyd Countian, strives to dedicate each year's book to an individual who has made a significant contribution to public education in our county. This year's book is dedicated to Honorable Carl D. Perkins.

Congressman Perkins is serving his tenth consecutive term in the United States House of Representatives from the Seventh Congressional District of Kentucky; ranking Democratic member of the House Education and Labor Committee; Chairman of the General Sub-committee on Education; dean of the Kentucky delegation to the U. S. Congress.

Mr. Perkins has been an ardent advocate of flood control and water resource development in Eastern Kentucky. Currently, as a result of his extensive efforts, four major reservoir projects are under construction: the Fishtrap Reservoir, the Grayson Reservoir, the Cave Run Reservoir and the Carrs Fork Reservoir.

Mr. Perkins was the sponsor of the Elementary and Secondary Education Act. As Chairman of the subcommittee considering this legislation, he expedited action on the legislation, holding hearings in an unprecedented extension of sessions in order to avoid delays in the consideration of the bill. As a consequence, the measure passed the House of Representatives on March 26 and the Senate on April 9. It was signed by the President on April 11, 1965 (Public Law 89-10). The bill received strengthening amendments in the Perkins' Subcommittee and only one minor amendment was made to the legislation on the Floor of the House and none in the Senate, a credit to the careful work performed by the Perkins' Subcommittee.

As Chairman of the ranking Education Subcommittee, Congressman Perkins sponsored and brought to a successful vote the Vocational Education Act of 1963, which has expanded the old and inaugurated a new Federal program for vocational education.

Congressman Perkins was the author and sponsor of the Youth Conservation Corps, a bill to revive the CCC bill of the thirties, as a means of providing employment and training for young men who are unemployed and out of school. The Corps would be employed in conservation work in State and National parks, public lands and forests. The major provisions of the Perkins' bill have been included in the President's antipoverty legislation package, signed by the President on August 20, 1964.

In 1961, the Congressman authored and sponsored the Adult Basic Education Act. For several sessions the Rules Committee of the House had blocked full membership consideration of this legislation, but Perkins was successful in getting the program adopted as an amendment to the President's antipoverty legislation.

As one of the original sponsors of the Library Services Bill, he was an active leader in guiding it through the Committee for eventual passage and played a leading role in the 1966 amendments which greatly expanded the program.

He has been an outspoken advocate of student aid programs including Federal scholarships, work study and student loans. He is the author of the vocational education student work study program from which the college work study program is modeled. The Congressman actively participated in writing the National Defense Education Act which has enabled secondary schools throughout the country to strengthen their science and foreign language programs.

Perkins was a co-sponsor of the Area Redevelopment Act, the Manpower Development and Training Act, the Public Works Acceleration Act, the Small Water Protection Act, the Water Pollution Control Act, and actively co-sponsored and participated in the formulation and enactment of the Appalachian Regional Development Act.

Continuing his interest in expanding educational opportunities particularly in disadvantaged parts of the Nation, Perkins currently sponsors the Elementary and Secondary School Construction Act and the Vocational Education Amendments of 1966.

Born in Hindman, Knott County, Kentucky, October 15, 1912, where he still resides. Law degrees, elementary, secondary and college education at local Kentucky schools. Served two terms as County Attorney, Knott County, Kentucky; member of the General Assembly of Kentucky in 1940; was a member of the Armed Forces in the European theatre in World War II; elected in 1948 to the 81st Congress and re-elected for nine succeeding terms; married Miss Verna Johnson, Mousie, Knott County, Kentucky; one son, Carl Christopher.

## Superintendent's Message

Since publication of the last Floyd Countian, our school system has qualified for over \$800,000.00 of federal funds under Title I of the legislation providing for federal aid to elementary and secondary schools. We have used most of these funds to add libraries, librarians, remedial reading teachers, physical education teachers, guidance counselors and other instructional personnel as well as instructional materials and supplies. We feel that public education on an elementary and secondary level is experiencing and will continue to experience a great surge forward in effectiveness because of these federal funds. We accept the challenge posed by the added funds and look to the future with greater hope.

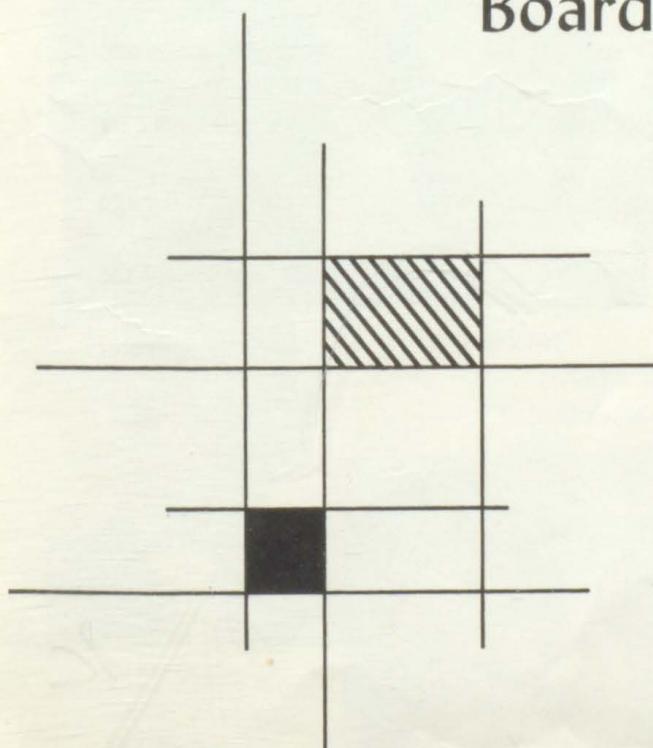

Sincerely,

*Charles Clark*

## Floyd County-Neighborhood Youth Corps

The Neighborhood Youth Corps Program, is made up of 300 high school students, from needy families.

The primary purpose of the program is to keep these children in school and to help prepare them for college, vocational school and to get a job. This program allows them to earn money to buy clothes, school supplies, lunches, care for personal appearance and to pay dental and doctor bills.

The enrollees work as teacher, lunch room, library, janitorial, and clerical aides and can earn as much as \$40.00 per month.

....So live, that when thy summons comes to join  
The innumerable caravan that moves  
To the pale realms of shade, where each shall take  
His chamber in the silent halls of death,  
Thou go not, like the quarry-slave at night,  
Scourged to his dungeon, but, sustained and soothed  
By an unfaltering trust, approach thy grave  
Like one who wraps the drapery of his couch  
About him, and lies down to pleasant dreams.

## In Memoriam

Emma Lou Clark

Death, be not proud, though some have called thee  
Mighty and dreadful, for thou art not so; . . .  
One short sleep past, we wake eternally,  
And death shall be no more; Death, thou shalt die.

SARAH LOU LAYNE

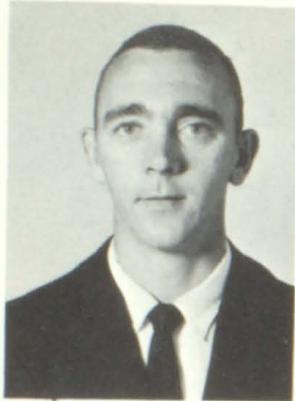

WHO, ENDING A VALIANT BUT HOPELESS BATTLE  
AGAINST NEPHRITIS, PASSED AWAY ON VALENTINE'S  
DAY, 1966

No, not cold beneath the grasses,  
Not close-walled beneath the tomb;  
Rather, in her Father's mansion,  
Living in another room.

Living, like the ones who loved her  
Happy child with cheeks a-bloom,  
Out of sight at desk or school-book  
Busy in another room.

Shall we doubt our Father's mercy?  
Shall we think of death as doom  
Or just a stepping o'er the threshold  
To a bigger brighter room?

Shall we blame our Father's wisdom?  
Shall we sit enswathed in gloom,  
When we know that she is happy  
Waiting in the other room?

IN MEMORIAM

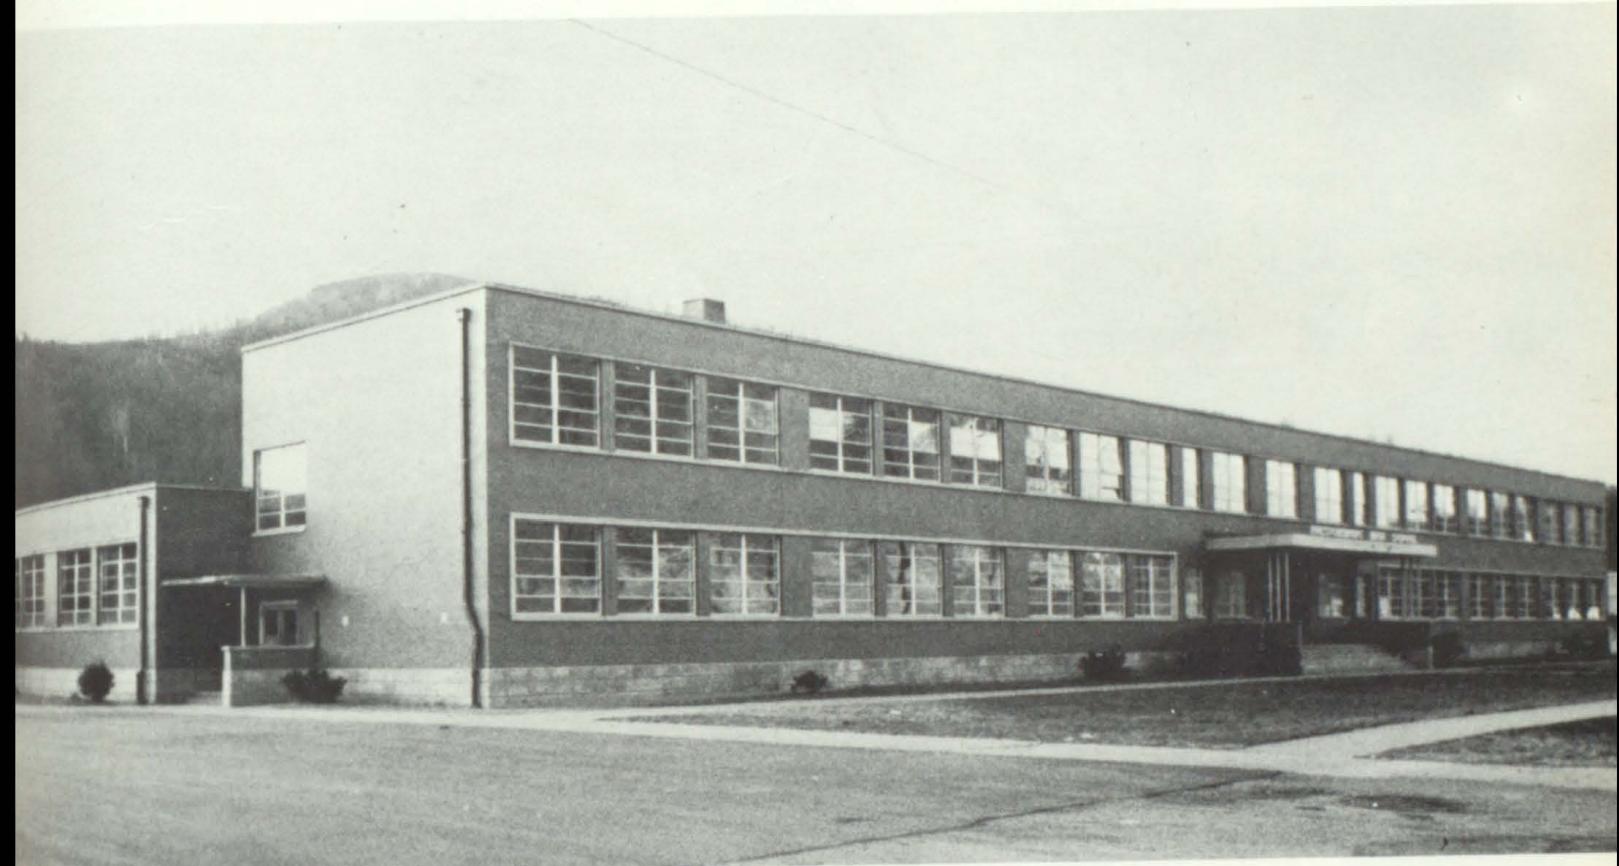

WILLIAM MITCHELL

There is a reaper whose name is death,  
And with his sickle keen,  
He reaps the bearded grain at a breath  
And the flowers that grow between.  
O, Not in cruelty, not in wrath,  
The reaper came that day;  
Twas an angel visited the green earth,  
And took that flower away.

## In Memoriam

### Irene B. Martin

Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of  
the bar,  
When I put out to sea.

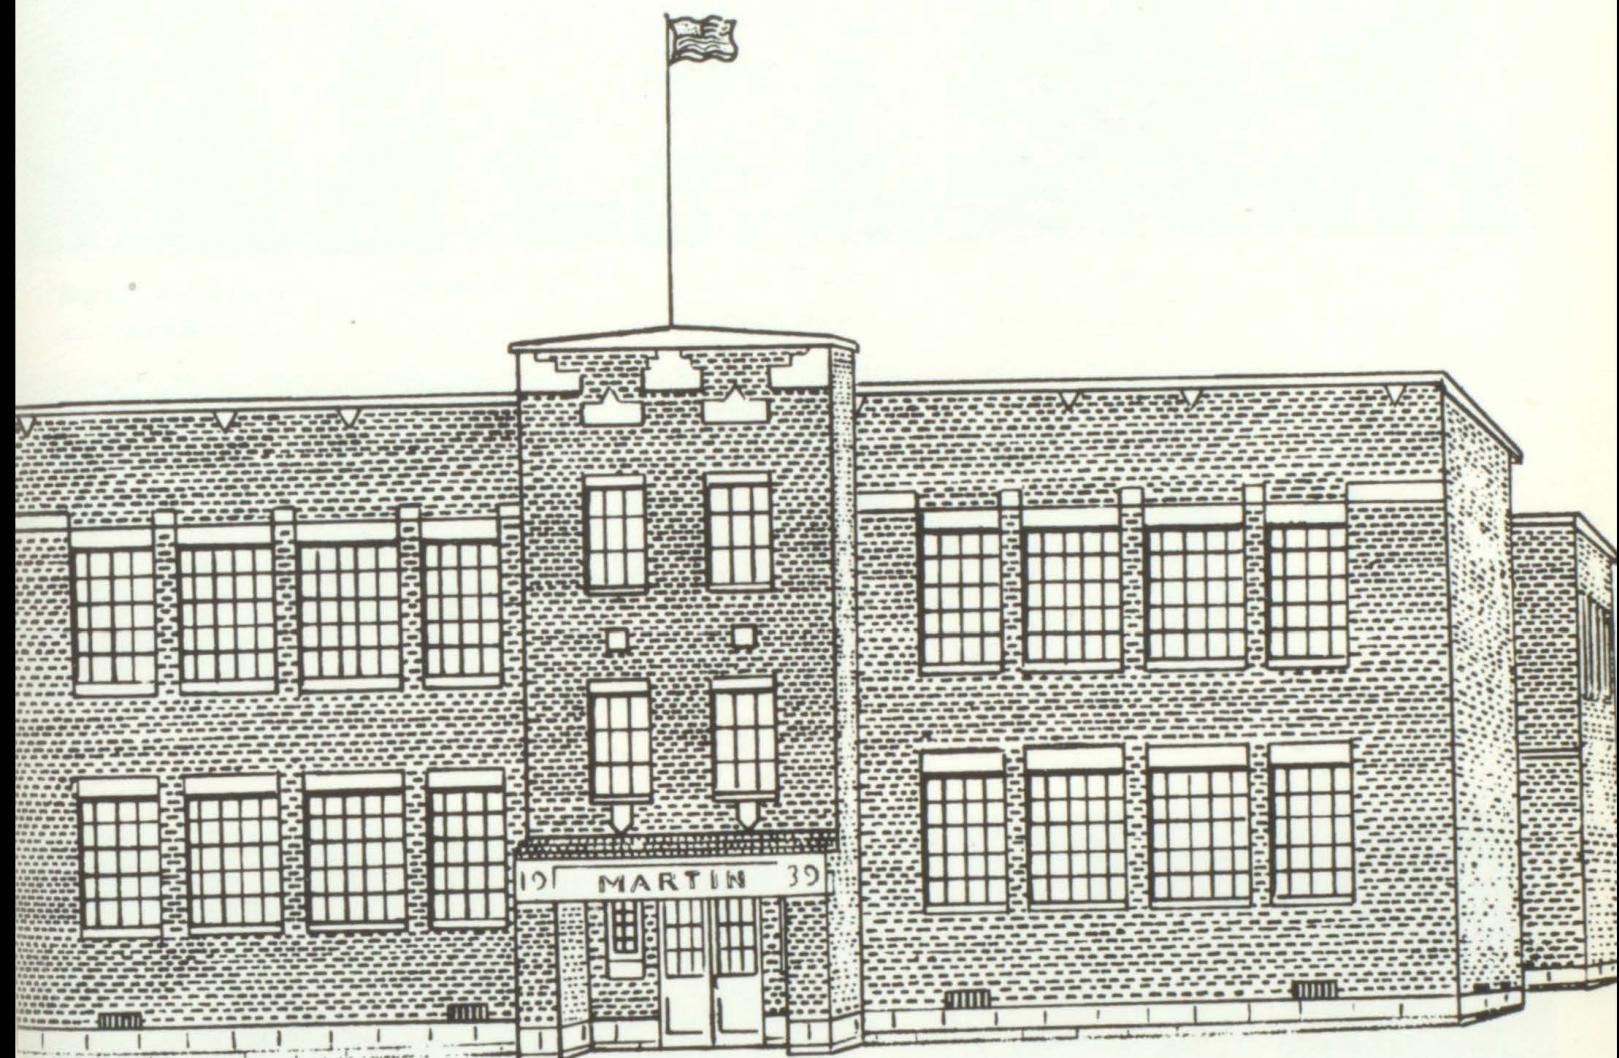

But such a tide as moving seems  
asleep,  
Too full for sound and foam,  
When that which drew from out the  
boundless deep  
Turns again home.

Twilight and evening bell  
And after that the dark!  
And may there be no sadness of  
farewell,  
When I embark;

For tho' from out our bourne of  
Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to  
face  
When I have crost the bar.

Tennyson

# In Memoriam

**Fred Bishop Jr.**

"Death is only an old door  
Set in a garden wall:  
On gently hinges it gives, at dusk  
When the thrushes call.

Along the lintel are green leaves,  
Beyond, the light lies still.  
Very willing and weary feet  
Go over the sill.

There is nothing to trouble any heart;  
Nothing to hurt at all.  
Death is only a quiet door  
In a garden wall."

HEAR! HEAR! I don't care about our and this year. THE GRADES SPEAK OUT even my ancestors are from England.

ing, Maytown High School has approval of the Wildcat team. Our show such a fine attitude at work and sports it would be down.

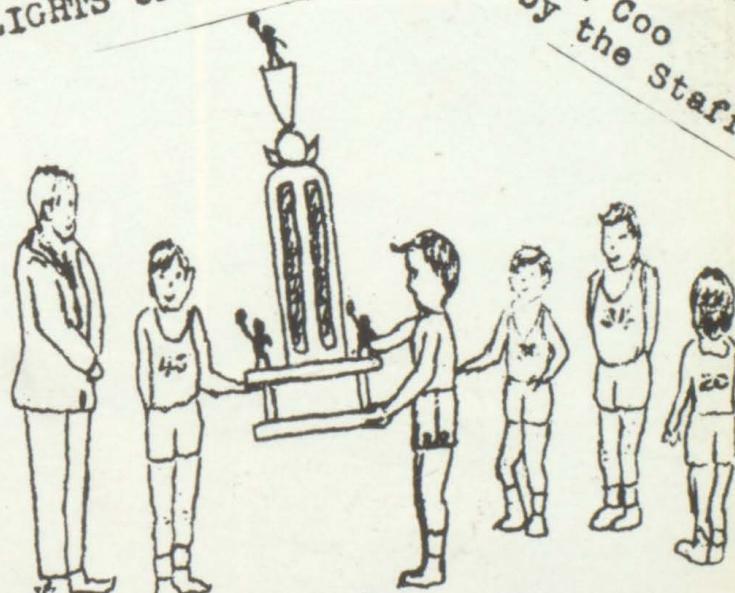

School Spirit at M.H.S.

School spirit is at an all-time high at Maytown High School right now and I, for one, am really proud of our school, our teachers, our ball team, and most important of all our attitude!

## Presenting Maytown Seniors

## Prologue

### OUR CURTAIN IS GOING UP!

After four years of being undersutdies to last year's graduating class, we've come right up to the footlights ourselves. Turn around. Look back. Remember the years we spent waiting in the wings?

Remember.....

long, lazy lunch hours in the 7th and 8th grades.... playing tag on the school grounds..."Bet ya thought you'd get me didn't ya?... handy pocket-sized Mrs. Ratcliff...the shindigs!... hey, what ever happened to those themes we wrote for Mrs. Miller?... the epidemic of the word 'suffer' .... the first homecoming dance... those tedious tests ("Stop, everybody, Stop")... stepping into the fantasy of the Jr. Prom... all band members who did not ride home on the band bus... A.E.W. parade.... the jars of pickled worms in Mr. May's Biology.... "Shower of Stars".... riding the cars in the motor cade... the pep rally and bon-fire... Mr. Heinisch, we love you.... Friday's "All to the right and a dosey-do".... Mr. "Peabody" and Mrs. "Sherman"..... the constant pounding of jungle drums better known as Miss Allen's typing class... Mr. Stewart saying, "Now, I've told you kids once".... "Blast it, Lad"... the whistle for Mrs. Stumbo... the parades and sore feet.... going to the L.I.T. -- Whoopee... singing in chorus: a 1 and a 2.... tearing your hair out at the Wildcat games.... the day we received our Senior rings... "Hey, Buddy, ya wana' buy an ad.?.... Remember?

We've reached the footlights now. So, with our Senior Prom and graduation bringing down the curtain, we pack up-and move on to another show, in another place, for another opening.

## Pepsi-Cola cold beats any cola cold!

Drink Pepsi cold—the colder the better. Pepsi-Cola's taste was created for the cold. That special Pepsi taste comes alive in the cold. Drenching, quenching taste that never gives out before your thirst gives in. Pepsi pours it on!

Taste that  
beats the  
others cold...  
Pepsi  
pours it on!
