Proudly Dedicates
The 1974 Yearbook
To
Anna Sue Stumbo
Supervisor, Floyd County Schools

Mrs. Stumbo has served in the Floyd County Schools as elementary and secondary teacher and supervisor for 36 years. She has served for 16 years as Year-book coordinator of the FLOYD COUNTIAN, which she has watched grow from a small yearbook into the large yearbook it has become. Mrs. Stumbo was named as an Outstanding Educator of America in recognition of past achievements and service in the field of education and her biographical sketch appears in the 1973-74 edition of Outstanding Educatiors in America. She has also received two plaques for active participation in the Soil Conservation essay contests.

Mrs. Stumbo is a member of F.C.E.A., E.K.E.A., KEA, NEA, Kentucky Association of School Administrators, Kentucky Association of Educational Supervisors, International Reading Association, Kentucky Council of International Reading Association, Jenny Wiley Council IRA, corresponding secretary to Tau Chapter of Delta Kappa Gamma, and membership chairman for the Floyd County Education Association. To Mrs. Stumbo, active in many other groups other than her school activities, and devoted to Floyd County Schools, we dedicate this 1974 FLOYD COUNTIAN.

Remedial Reading Coordinators

Elsie Stephens

Title I of the Elementary and Secondary Act, the largest Federal aid to the education program, was passed in 1965 to provide financial assistance to local school districts in planning and operating special programs for educationally deprived children. It is a supplementary program, designed to upgrade the educational opportunities of children from disadvantaged backgrounds, and not a general aid program.

The Reading Coordinators work with thirty-three Special Reading Teachers serving 1,980 elementary children and 375 high school students

in 17 elementary and 5 high schools.

Public School Health

We, as school nurses, hope to obtain optimum health of a child as a prerequisite of modern education. Thus, we place ourselves in the school setting to assist children in acquiring health knowledge in developing attitudes conducive to healthful living and in meeting their needs resulting from disease, accidents, congenital defects or psychosocial maladjustments.

Neighborhood Youth Corps

NYC Program, funded by the Department of Labor and sponsored by the Floyd County Board of Education provides 200 deserving high school boys and girls with 7 hours of work training per week, at \$1.60 per hour. The earnings from this training is used to buy school supplies, pay doctor and dental bills, buy clothes and take care of personal appearance. They work as teacher, clerical, custodial, lunchroom, library and hospital aides. Satisfactory school attendance and good conduct and grades are stressed.

Mary Elizabeth Nunnery Speech Therapist

Mary Nunnery provides diagnostic screening to detect defective sounds. She has found the most common speech deficits to be omissions, substitutions and distortions. Currently she has 91 children with whom she is working to correct impediments.

This project is operated in Floyd County, under the Direction of Roland Jones and the Appalachian Adult Education Center, Morehead University. In cooperation with the Floyd County Library we have developed a program working with adult students by using the Bookmobile in the evenings at 12 centers throughout the county. Due to the existence of this program the number of ABE students has doubled.

We wish to thank the grade school cheerleading sponsors, Kathryn Youmans, and June Allen for giving so much of their time to help with all the work that goes into making good cheerleaders.

We wish to thank the people who do so much for all of us during the school year. All the extra little things that mean so much to both students and teachers: the test that Clee ran off, the paper she typed, the report she got out on time: the extra sandwiches the cooks made for us, the coffee that is always ready, the smiling faces when you go into the lunch room. These are but a few of the things we thank these wonderful people for.

WAYLAND ELEMENTARY

IN MEMORY

Mrs. Billie F. Johnson

Now The Day Is Over

Now the day is over, Night is drawing nigh,
Shadows of the evening, Steal across the sky.
Jesus, give the weary, Calm and sweet repose;
With Thy tend'rest blessings, May our eylids close.
Thro' the long night watches, May thine angels spread
Their white wings above me, Watching 'round my bed.
When the morning wakens, Then may I arise,
Pure and fresh and sinless, In Thy holy eyes.

PRESTONSBURG HIGH SCHOOL

With Pride and Affection We Present PHS '74 "Blackcal Country"

Band instructor, Mr. Honeycutt, gives final instructions to Marching Band.

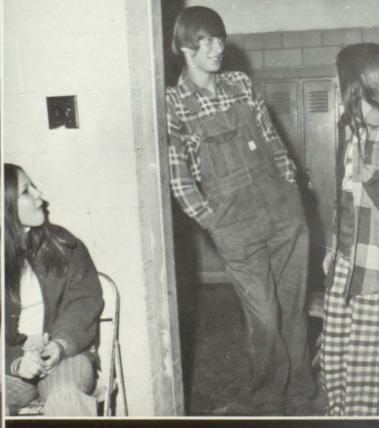

Could Erlene Allen possibly be trying to tiptoe away from school?

A quick review over the day's classwork is a good way to get ahead for seniors, Linda Webb and Steve Stevens, as they hurry to the next class.

Overalls have become an exciting new fashion with both boys and girls at PHS this year. Jerry Fannin models his casually as he laughs with Danita Risner and Cheryl Wills.

Vending machines, located in the study hall, play a very important part in our lives, as shown by Tim Sammons who gets his NOURISH-MENT! there every day.

Petite Brenda Porter seems to have let her thoughts drift away from her typing, while Cheryl Vaughn continues to work diligently.

Garth Vocational School, located outside Martin, Kentucky, offers a variety of fields to those boys who wish to attend, such as carpentry shop, electricity shop, machine shop, auto mechanics shop, and drafting. Many of the boys at PHS attend Garth daily from 9 a.m. until noon.

Our theme was displayed beautifully on the marquee after much work and planning by Linda Webb, assistant editor, and National Honor Society members, Debbie Fannin and Rose Sammons.

Students at PHS never worry about finding the proper book—our librarian, Ms. Linda Stephens, always stands by with the guidance and friendliness that shows her interest in our school.

Our guidance counselor, Edgar Craft, has won the trust and friendship of the students at PHS through his personal attention and witty character.

After another day of office work along with the gripes and complaints of many students, our secretary, Mrs. Colleen Cornett, still radiates a friendly smile.

Anytime a student at PHS needs a smiling face and a helping hand, all he has to do is consult Bobby Wells, our assistant principal, who awaits with friendliness and zeal.

Ronald Hager, principal, in his usual role of collecting picture money, catching up on office work, and answering all those telephone calls simultaneously, and still able to give a friendly smile and a helping hand to the students at PHS.

'74 . . . A Special Year

New faces; new dreams. Hello. Goodby. Fach new school year starts somewhat the same, but each senior class adds that personal touch thus marking that year "a particular time."

With summer over and students dragging slowly back to PHS, the total enrollment in our school was 855. We suffered heat flashes in August and dreamed of air conditioning! Then before we could turn around, we thought we might have to go home and hibernate while our new \$112,000 heating system was being installed. Actually, we didn't realize at the time, but we Blackcatters were actually the first in the nation to conserve energy! Perhaps President Nixon took a lesson from us!

Computers, records, pageants, homecoming, beauty queens, clubs, grades, tears, all built a great part of our life. Actually, it WAS a special sort of year!

Mr. Hager, principal, never has to worry about getting his many errands done. He has an eager staff of senior student office workers to help. FROM LEFT: Sandy Johnson, Edith Collins, Demetra Slone, Debbie VanHorn, Debbie Risner, Sharon Branham, Linda Webb, Barbara Ousley, and Sharon Goble.

A Visit to the Speech Class

No, this isn't the Adams Family! "Ah, come on, Paula, don't be camera shy!" President: Dennis Walker; "OUR FEARLESS LEADER": Doris Prater; Vice-President: D. Harrington; Secretary: Paula Goble; Reporter: Jimmy Wright; Treasurer: Debbie Fannin.

"No wonder they sat the bench!" Mike McCormick, Reporter; Jimmy Wright, President; Dennis Walker, Vice-president; David Harrington, Paul Shepherd, and Coach Bill Callihan, back, are surely sad-looking "Bench-Warmers."

Debbie Fannin effectively played "Mother" to children Debbie Davidson, Lena Stratton, Wayne Gearheart, Paula Goble, and Rhoda Harris, and taught them to "count their blessings" even though "Baby Lena" kept asking for her "Teddy Bear."

Barbara Ratliff, Bill Settle, and Lynn Weddle look quite relaxed after a fine job of announcing and presenting monologues. Erelene Allen is still in doubt about HER feelings.

Richard Price looks completely "out of it" as Joe Watson and Kim Alexander examine him for any broken bones. Earl Cline's cheeks were red for several days after having been slapped by Josephine Hackworth, and Missy Hicks just keeps thinking, "Ay ban big fool," in "Elmer Entertains."

Laugh, Cry, Pout! This is the way it is tuned "off and on" in Mrs. Prater's speech class, dramatically portrayed by Debbie Fannin, Missy Hicks, and Judy Collins.

Miss Cathy Lynn Whitaker, Prestonsburg high school senior, as 1972 Festival Queen participated in the coronation of the new queen.

PHS Choruses

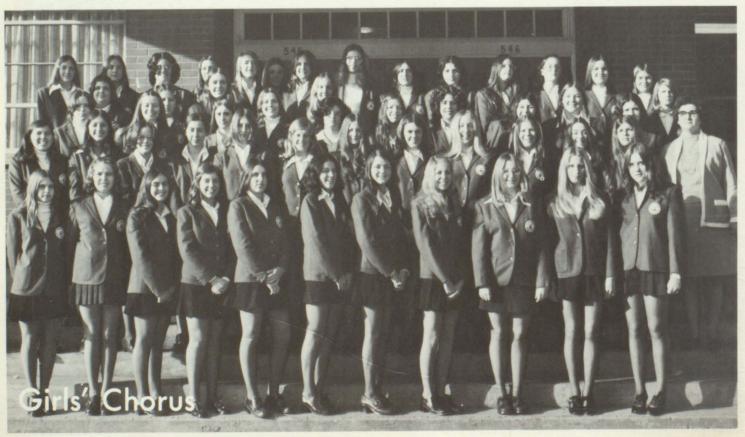

The PHS choruses sing many times throughout the school year in school, community, and church concerts. We give special concerts for the patients at the Highlands Regional Medical Center and Mountain Manor Rest Home at Thanksgiving and at Christmas. We tape a Christmas program at WDOC radio station which is presented during the Christmas season. We gave a demonstration concert at Wolfe County High School. This past year all these choruses received superior ratings at the Pikeville Music Festival.

Poor Billy Hook still can't tie his shoe . . .

While the yearbook photographer was taking our pictures, Mrs. Irene Stephens, who has been an instructor at our school for a number of years, was ill in the hospital, so we wish to recognize her on this page.

FHA members Drema Cornelison, Sharon Cleaver, Brenda Baldridge, Sandra Calhoun, and student teacher, Miss Reed, work on Christmas projects.

The majorettes chat while waiting for practice to start. How unusual to see the batons "still."

. . . and, so, until next year when the yearbook staff starts the frantic rush to complete the next yearbook, we, the yearbook staff, hope you have enjoyed this 1973-74 edition.

The Annual Staff
Of W.H.S., 1974,
Dedicates This Section
Of the 1974 Floyd
Countian to Miss
MARY SUE CAMPBELL

Miss Mary Campbell has been teaching at Wheelwright High School for many years. During this time she has taught countless students the art of typing, office practices, and the mysteries of Shorthand. But beyond these subjects, so much more is learned in her classes. Her classrooms are always open for discussions of any kind. These frank conversations mean so much to us, especially as Seniors, with so much to learn, and so little time.

The dedication of this section of the "Floyd Countian" is but our small attempt to say "Thank You" to Miss Campbell. But how can we really thank someone who has taught us, guided us, and stood by us, no matter what?

The time is quickly passing, and soon we, the Seniors of 1974 must say good-bye to our high school days. But we leave with special memories of Miss Mary Sue Campbell, our teacher, and most of all—our friend!

Every senior at W. H. S. is very special and important. These seniors have been selected as the most outstanding. The "Superlatives" were chosen by the senior class because of talents, scholastics, and personal traits, exhibited during high school life.

Here's our favorite Senior Couple "Mr. & Miss Senior" Linda & Stevie.

The "pride and joy" of W. H. S. are the wittiest, Bill & Judy.

Giving those old 'lines' again are none other than W. H. S.'s "Biggest Flirts", Dennis & Benita.

Smiling happily, stroll Keith & Deloise, chosen "Most Popular."

A cheery smile is a natural feature of our "Best Personalities", Greg & Fan.

Dean & Diane are our choice for "Best Dressed".

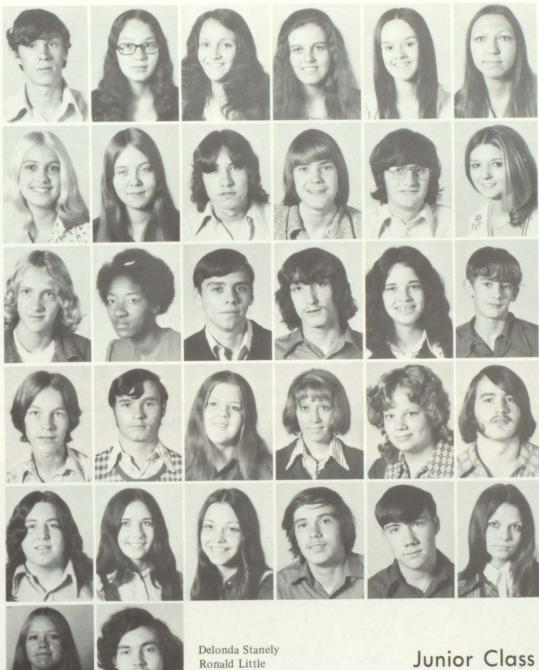

Into the world of success step Debbie & Tommy, but never fear they have been chosen "Most likely to succeed."

Music is but one achievement of our "Most Talented", Susie & Larry.

J.H. Allen Central High School Eastern, Kentucky

Central Observes First Birthday

The Floyd Countian

J.H. ALLEN CENTRAL HIGH SCHOOL,

Eastern Kentucky—Making the Scene

Foreword

With Allen Central still taking those important early steps in its history, we are trying to create a lasting impression of the J. H. Allen Central High School, Eastern, Kentucky.

Too often, during the enthusiasm, the glory, and the excitement that naturally come with new schools, many "memories of the beginning" are forgotten. Students in the years to come never know nor can they possibly imagine the excitement of the beginning.

Classes, learning, fun, ballgames, eating "A. C. Cafeteria Style", mornings in the corridor before the "beep", the Rebels, and the nice people of Central-students, faculty and administration; proms, homecomings, etc., all compose the "Scene" we cherish as Central 1973-1974.

Therefore, Central Yearbook Staff has chosen "Making The Scene" as the theme for the J. H. Allen Central High School Section of the Floyd Countian.

To our Classmates-"Make The Central Scene" today and enjoy it. Keep your 1974 yearbook. Tomorrow, you will treasure the scenes of today.

To our parents and Educational Directors-Thanks for helping us create the "Central Scene." Enjoy our Yearbook!

To Future Generations-Make the "Scene" at Central-You'll be grateful you did.

Florida Visit Set For Senior Class, Trip Next Spring

Trip Next Spring
The 1973-1974 senior class of Allen Contral has voted Florida to be the destination of their class trip in the spring of next year.

The first senior meeting was held in mid September to determine the number of seniors planning to make the trip. Seventy of the 120 seniors attending Allen Central were present at the meeting. Several places were mentioned, but the Florida trip was decided by a wide majority of votes. The trip features such fascinating places as Disneyland, Marineland, St. Augustine, and an evernight stay in Nashville, Tennessee. Now the task of raising money has been set upon the seniors. At the moment, the main sources of income are car washes and bake sales. Chances on appliances and stuffed animals are lening soid. Senior concession stands will be opported by the seniors of the competition of the compet

Preston the Magician At Allen Central Hi

At Allen Central Hi
Preston, a renowned magician, was on hand at Allen Central High School Monday, October 8. Preston's act was the first performance of this type to be given at Allen Central.

This was somewhat of an experiment to determine whether the building could successfully accommodate this type of performance and how the students would react to it. The performance was given in the front foyer of the school. Preston demonstrated his powers of hypnosis as he worked with volunteers from the student audience. There proved to be ample space and the students, as well as the faculty, found Preston's act quite entertaining.

Enrollment at College Reaches Total of 528

There are 260 Floyd County residents attending P.C.C., and 125 from Johnson County, 66 from Pike County, 35 from Magoffin County, 9 from Martin County, 8 from Knott County, 1 from Lawrence County, 1 from Fayette County, 1 from Edmonson County, and 2 out of state stylents.

Her hobbies are tennis, and she's involved in being the cheerleading sponsor at Martin Grade School. She likes popular and country music. Her ambition is to be a doctor. She decided this last year when she was in an accident. She feel off a car and received a skull fracture. She was hospitalized in Lexington, Ky, for two weeks. This was the main reason she decided to become a doctor, and because she enjoys helping people in the time of need.

Senewaly Sended Soul

We wish to pay tribute to Val F. Strahan who for more than 20 years was a valued member of the Floyd County School communities as chief photographer for many school activities—annual pictures, sports events, coronations, parades, etc. He was always ready with a friendly smile, cheerful manner and courteous attitude to create an artistic momento of a great occasion.
